The Christidea:

The Christian Science Journal, 1925 The Religion of the Christ, Its Historic and Literary Development Considered as an Evidence of Its Origin. The Bampton Lectures for 1874 Stanley Leathes, 1876 Jesus the Christ Walter Kasper, 2011-10-06 Here at last is a reissue of Kasper's major work with a brilliant new introduction surveying recent developments in Christology Kasper assesses the Christological enterprise in the Church from the earliest down to the most recent times which can be recommended without hesitation to teacher and serious student The book also provides a solid theological basis for preaching This may also be described as a work of Christian serenity but one which is not indifferent to current problems It is the fruit of the deep peace which all men can gain from contemplation of Jesus the Christ As Karl Rahner has said this book is modern in the very best sense of the word Synthesising biblical philosophical and traditional material the book remains essential reading for specialists and is used widely for courses on Christology the very basis of Christian theology itself **The Career of the Christ-idea in History** Hudson Tuttle, 1870 **Mah-Avatar the Christ/ Buddha/Krishna Consciousness Manifest in Man** Lawrence D. Hood, 2014-08-11 The purpose of this book is to make you aware of many different philosophical and religious approaches to the divine consciousness The truth lies beyond all these aspects of understanding There is a process that a person can embark on that will reveal the real and disperse the illusion The race of mankind is on the path to understand himself but is distracted continually until one begins to strive with diligence to return to your Godself Reality, 1928 The Religion of the Christ Stanley Leathes, 1874 **The Cradle of the Christ** Octavius Brooks Frothingham, 1877 The Cradle of the Christ: A Study in Primitive Christianity Octavius Brooks Frothingham, 2019-12-20 In The Cradle of the Christ A Study in Primitive Christianity Octavius Brooks Frothingham delves into the roots of Christian thought and practice exploring the historical and cultural context that shaped early Christian communities With a keen scholarly eye Frothingham employs a blend of historical analysis and theological reflection deftly weaving together text and tradition to illuminate the formative experiences of the nascent Church His literary style is rich and engaging imbued with a sense of wonder at the transformative power of faith in a tumultuous world making it both an academic treatise and a meditation on spirituality Frothingham a noted 19th century Unitarian minister and historian was deeply influenced by the intellectual currents of his time including transcendentalism and a robust emphasis on individual interpretation of religious texts His upbringing in an environment that championed rational inquiry and diverse theological perspectives provided a unique lens through which he viewed early Christianity This background propelled him to examine the intersection of historical fact and religious experience allowing him to present a nuanced understanding of the faith's early development I highly recommend The Cradle of the Christ to scholars and general readers alike who seek to understand the foundational narratives of Christianity and their enduring impact Frothingham's insightful analysis not only enriches our comprehension of the faith's origins but also invites contemplation on its significance in

contemporary spiritual discourse The Christ of the Logia A. T. Robertson,1924 **The Theocratic Kingdom of Our Lord Jesus** George Nathaniel Henry Peters,1884 The Conception of Authority in the Pauline Writings Alonzo Willard Fortune,1918 *The American Friend* ,1928 *The Hibbert Journal* Lawrence Pearsall Jacks,George Dawes Hicks,George Stephens Spinks,Lancelot Austin Garrard,H. L. Short,1907 A quarterly review of religion theology and philosophy The Latino Christ in Art, Literature, and Liberation Theology Michael R. Candelaria,2018-04-15 Salvador Dal nuclear mystical Christ Fray Angelico Chavez the Virgin of Port Lligat Jos Clemente Orozco Christ Prometheus Miguel de Unamuno the Quixotic Christ Jorge Luis Borges the fictional Christ Richard Rojas the invisible Christ Liberation theology Christ the liberator The Mestizo Christ Coda *Christian Science Sentinel* ,1901 A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease **The Doctrine of the Person of Jesus Christ** Hugh Ross Mackintosh,1912 The Way of Jesus Christ Jürgen Moltmann,1995-08-21 The Way of Jesus Christ discusses the following topics 1 The symbol of the way embodies the aspect of process and brings out christology s alignment towards its goal This symbol can comprehend Christ s way from his birth in the Spirit and his baptism in the Spirit to his self surrender on Golgotha It also makes it possible to understand the path of Christ as the way leading from his resurrection to his parousia the way he takes in the Spirit to Israel to the nations and into the breadth and depth of the cosmos 2 The symbol of the way makes us aware that every human christology is historically conditioned and limited Every human christology is a christology of the way not yet a christology of the home country a christology of faith not yet a christology of sight So christology is no more than the beginning of eschatology and eschatology as the Christian faith understands it is always the consummation of christology 3 Finally but not least important every way is an invitation A way is something to be followed The way of Jesus Christ is not merely a christological category It is an ethical category too Anyone who enters upon Christ s way will discover

who Jesus really is and anyone who really believes in Jesus and the Christ of God will follow him along the way he himself took Christology and christopraxis find one another in the full and completed knowledge of Christ This christology links dogmatics and ethics in closer detail than in the previous volumes **A History of the Doctrine of the Work of Christ**
