The Christmas Encyclopedia 2d Edition:

Library Journal ,2008 *Choice* ,2005-09 **The Handy Religion Answer Book** John Renard,2012-04-01 An engaging question and answer guide to the world's major religions Why do conflicts in the name of God persist even though religious scholars agree that all great religions are based on love not carnage What do different faiths have to say about God About the afterlife The spiritual world we live in today is a diverse and sometimes highly individualized mixture of religious practices and beliefs The physical world is a much smaller place often secular in appearance but still very much fueled by religious beliefs and conflict in the name of God The Handy Religion Answer Book is an easy to use comparative guide for anyone seeking a greater understanding of the world's religious beliefs customs and practices It provides solid descriptions of major beliefs and rituals worldwide affording the reader an understanding of contemporary religion This book contains detailed descriptions of the history beliefs symbols rituals observations customs membership leaders and organization of the world's eight major religious traditions Judaism Christianity Islam Buddhism Hinduism Confucianism Taoism and Shinto Clearly and eloquently written by a scholar with over 40 years of study and teaching experience The Handy Religion Answer Book is an engaging guide for anyone seeking basic religious literacy and intellectual history This handy primer contains a wealth of information and answers more than 1 000 questions such as What is the significance of the Star of David How did so many different Christian churches come into being What is the importance of the month of Ramadan What is an ayatollah Do Taoists believe in heaven and hell What are the main Islamic notions of the afterlife Who is the Dalai Lama and why is he important to so many Buddhists Plus it includes questions concerning religion and violence and suborganizations that claim affiliation with the major faith communities A glossary of religious terminology and maps of the general coverage areas for each religion are also included Enlightening and educational The Handy Religion Answer Book clears up misinformation and misconceptions and helps explain cultural and historical differences providing the reader with a comprehensive understanding of the world's great religions [Ancient Egyptian Roots of Christianity, Expanded 2nd Edition](#) Moustafa Gadalla,2016-12-02 Egyptian roots of Christianity both historically and spiritually This book reveals the Ancient Egyptian roots of Christianity both historically and spiritually This Expanded Version of the book consists of three parts to coincide with the terms of trinity The first part demonstrates that the major biblical ancestors of the biblical Jesus are all Ancient Egyptian prominent characters The second part demonstrates that the accounts of the historical Jesus are based entirely on the life and death of the Egyptian Pharaoh Twt Tut Ankh Amen The third part demonstrates that the Jesus of Faith and the Christian tenets are all Egyptian in origin such as the essence of the teachings message the creation of the universe and man according to the Book of Genesis as well as the religious holidays The very thing that is now called the Christian religion was already in existence in Ancient Egypt long before the adoption of the New Testament The British Egyptologist Sir E A Wallis Budge wrote in his book *The Gods of the Egyptians* 1969 The new religion Christianity which was preached there by St Mark

and his immediate followers in all essentials so closely resembled that which was the outcome of the worship of Osiris Isis and Horus The similarities noted by Budge and everyone who has compared the Egyptian Osiris Isis Horus allegory to the Gospel story are striking Both accounts are practically the same e g the supernatural conception the divine birth the struggles against the enemy in the wilderness and the resurrection from the dead to eternal life The main difference between the two versions is that the Gospel tale is considered historical and the Osiris Isis Horus cycle is an allegory The spiritual message of the Ancient Egyptian Osiris Isis Horus allegory and the Christian revelation is exactly the same The British scholar A N Wilson pointed out in his book *Jesus The Jesus of History and the Christ of Faith* are two separate beings with very different stories It is difficult enough to reconstruct the first and in the attempt we are likely to do irreparable harm to the second This book will demonstrate that the Jesus of History the Jesus of Faith and the tenets of Christianity are all Ancient Egyptian This will be done without causing any irreparable harm as per A N Wilson s concern for two main reasons Firstly the truth must be told Secondly explaining Christian tenets via their original Ancient Egyptian contexts will enhance the idealism of Christianity This Expanded Version of the book consists of three parts to coincide with the terms of trinity the Three that are Two that are One The first part demonstrates that the major biblical ancestors of the biblical Jesus are all Ancient Egyptian prominent individuals The second part demonstrates that the accounts of the historical Jesus are based entirely on the life and death of the Egyptian Pharaoh Twt Tut Ankh Amen The third part demonstrates that the Jesus of Faith and the Christian tenets are all Egyptian in origin such as the essence of the teachings message the creation of the universe and man according to the Book of Genesis as well as the religious holidays There is an undeniable irony and a profound deep undeniable truth in Hosea s prophetic saying Out of Egypt have I called my Son A deep irony indeed Let us open our minds and review the available evidence For the truth is a composite of different and complementary pieces of a puzzle Let us put the pieces in the right location time and order

May, 2024-12-01 A powerful new book that corrects a false myth in African American history that Kirkus Reviews calls a thoughtful antidote to white Southern propaganda According to an oft repeated legend during Christmas before the Civil War all enslaved people in the American South enjoyed lengthy vacations of a week or more depending on how long an oversized Yule log burned in their master s fireplace As long as the log held out slaves escaped heavy labor and their masters whips and enjoyed a rare freedom of movement to go and do what they wished as well as gorge themselves on food and drink they never got the rest of the year No wonder they soaked those logs in swamps to make them burn even longer But is it true In this book historian Robert May takes readers on a detective caper as he investigates a story that reaches back to colonial America and continues today May finds no evidence of the Yule log tradition in the historical record instead showing that it originated with pro Confederate Lost Cause propagandists attempting to present the South s prewar system of human bondage in as soft tones as possible Tales about good natured masters and unresentful slaves jovially sharing Christmases played to this impulse beautifully Debunking the Yule Log Myth does more than correct the historical record It serves as a highly instructive case study in the process of historical mythmaking This captivating tale will appeal to all readers interested in African American history and the long struggle to support white supremacy by creating a mythical antebellum American South **United States Customs Court Reports** United States. Jesus Christ Savior Judge and King of the World The overwhelming deeds miracles and teachings of Jesus Christ led to the question Could Jesus Christ have been acting as a movie actor what He read in the Scriptures Having believed in Him these many years the author quickly tried to dismiss the question as coming from the devil But the Spirit asked him what if an unbeliever asked the same question to disprove Jesus Christ s deity what would be the answer This led to searching for facts to prove that Jesus was not just acting man made movie scripts but was fulfilling the old time prophecies concerning God s plan for redemption of lost mankind Some other people may have been asking similar questions Happily they have an answer in Acting Movie Script or Fulfilling Prophecies a book for the consumption of everybody that can read the English language It is targeted at all persons who desire to know Through Prophet Hosea the Lord said My people are destroyed for lack of knowledge Hosea 4 6 Most of the Bible references are fully quoted from the Holy Bible KJV So reading through the book automatically creates an opportunity to read many portions of God s Word Details of the works and teachings of Jesus Christ and many of the prophecies about Jesus Christ the Messiah and their fulfillment form a major part of the book Read through with an open mind and you will be convinced that Jesus Christ was not an actor but the Son of God who came to save all believing mankind from eternal damnation in hellfire to heaven where we will spend eternity with God in His kingdom
