The Backward Christmas Pageant Dennis Hartin,2003-08-01 This will change everything people say when something new or dramatic happens in their lives and often it does just that How do we tell the story of how the birth of Christ changed things long ago and how it continues to change things Tell the story backward Part of the point of The Backward Christmas Pageant is that time doesn t matter in this story The birth of a baby two thousand years ago changed everything God s grace is timeless The pageant ends with This will change everything This pageant is designed for a production with no set no budget no live musical accompaniment and where the cast reads from their scripts If you have a

set budget live accompaniment and decide to memorize it all you can still perform this pageant Cast members and production staff should be dressed to approximate shepherds Mary and Joseph wise men and angels with costumes and props Only two full cast rehearsals are needed The cast is arranged so that only one speaker appears in more than one act The group can rehearse all three acts not including the music during the first rehearsal This allows each child to spend time practicing rather than waiting for a turn to say their lines The second rehearsal is just a matter of going straight through the script with actors and musicians This pageant can be staged with as few or as many sets costumes and props as you desire It works equally well with no costumes or sets read with scripts in hand as it does with a full production of costumes scenery and every word memorized Vocal piano scores for the sung music selections of the pageant are included The arrangements of the Christmas carols used during and between the acts afford you the option of having a choir a soloist or instrumentalists or others to participate in the pageant Length 35 45 minutes Cast Up to 25 speaking parts plus additional opportunities for non speaking parts
