Christmas Thief **The Christmas Tree** Allyson Charles, 2016-11-22 DECORATING WITH THE GRINCH It was one little
fender bender Sadie was only in picturesque Pineville Michigan for a day trying to handle the ramshackle house her
grandmother left her and juggle the sale of her failing design business at the same time Her debtors don't care that it's
almost Christmas But then neither does the big bad contractor whose truck got squashed Colt McCoy might be the least
festive person she's ever met He's gruff rude and way too upset about a minor accident Of course he is nice to look at with
dimples hiding in his scruffy beard and a body like a lumberjack's And Sadie will have plenty of time to enjoy the view since
their community service sentence has put the two of them in charge of Pineville's jinxed Christmas tree But as their
squabbles over ornaments turn to laughter anyone can see Colt and Sadie have something electric The hard part is guessing
if they'll light each other up or just keep blowing the fuse **Dudley and the Christmas Thief** Allan
