Afterimage Joshua Hirsch,2010-06-25 How films on the Holocaust gave birth to a new cinematic genre *Influences of the Mass Media* Roger Haney,2024-10-09 Useful to both professional persuaders and students of media effects this book presents theories and empirical research on methods of social influence including advertising agenda setting propaganda public relations and public communication campaigns The reader first learns how source credibility affects persuasion and the theories that account for persuasion effects followed by research on the third person effect the belief that others are affected by persuasion attempts but not ourselves A chapter on the effects of advertising follows including effects on children and research on subliminal messages The third chapter presents theories and research on the notion of agenda setting and the finding that while the media may not be overly effective in persuasion it is effective in getting the audience to believe issues covered by the media are the most important facing society The final chapter covers the history of propaganda the development of public relations and the effectiveness of government campaigns

such as the Smokey the Bear campaign and various health campaigns *Swift Viewing* Charles R. Acland, 2012-01-02
Acland looks back at the strange history of subliminal seduction a theory first propagated in the late 1950s by marketing
researcher James Vicary who claimed that movie audiences bought more refreshments if advertising messages too quick to
be noticed were inserted into movies The study was soon proven false but that hasn't kept the concept from having a long
