The Feminization of Fame 1750-1830 C. Brock, 2006-07-11 This book addresses the literary cultural and historical questions surrounding the reconceptualization of fame between 1750 1830 It examines genres from history writing to literature public and private memoirs to political treatises in English and in French in order to explore The age of personality s obsession with instantaneous publicity **Bulletin of the U.S. Department of Agriculture** ,1915 **A Bacteriological and Chemical Study of Commercial Eggs in the Producing Districts of the Central West** ,1915 Pp 65 **The Struggle for Self-determination** David Beck, 2005-01-01 Drawing on meticulous archival research and a close working relationship with the Menominee Historic Preservation Department David R M Beck picks up where his earlier work *Siege and Survival History of the Menominee Indians 1634 1856* ended The Struggle for Self Determination begins with the establishment of a small reservation in the Menominee homeland in northeastern Wisconsin at a time when the Menominee economic political and social structure came under aggressive assault For the next hundred years the tribe attempted to regain control of its destiny enduring successive policy attacks by governmental religious and local business sources The Menominee s rich forests became a battleground on which they refused to cede control to the U S government The struggle climaxed in the mid twentieth century when the federal government terminated its relationship with the tribe Throughout this time the Menominee fought to maintain their connection to their past and to regain control of their future The lessons they learned helped them through their greatest modern disaster termination and enabled them to reconstruct a government and a reservation as the twentieth century drew to a close The Struggle for Self Determination reinterprets that story and includes the viewpoint of the Menominee in the telling of it Hearings, Reports and Prints of the House Committee on Agriculture United States.
