The Clever Princess:

The Clever Princess Diana Coles, 1983 The Clever Princess Ann Tompert, 1977 Princess Lorna passes more tests than were required of her father before he became King and ascends to the throne of the kingdom The Clever Princess Christina Setyabudhi, 1985 A princess saves herself and her 12 brothers from the clutches of an evil but stupid giant **A Clever Princess** Lito Seizani, 2020-04-18 The Clever Princess is a fairy tale printed here as a short story and as a theatre play It is the story of a princess who must select her prince from amongst three men They are offering her everything her heart desires but she has other standards She is happy with what she already has and won't be so easily impressed by the material things they are promising Her heart longs for something more Lito Seizani was born in Athens and has studied Italian and Translation She has published four volumes of her poems and has translated many Italian and English books into her mother tongue Lito Seizani's personal website www.litoseizani.com showcases her writing in four languages **The Lost Princess** Anne E. Duggan, 2023-09-12 Once upon a time the forgotten female fabulists whose heroines flipped the fairy tale script People often associate fairy tales with Disney films and with the male authors from whom Disney often drew inspiration notably Charles Perrault the Brothers Grimm and Hans Christian Andersen In these portrayals the princess is a passive compliant figure By contrast The Lost Princess shows that classic fairy tales such as Cinderella Rapunzel and Beauty and the Beast have a much richer more complex history than Disney's saccharine depictions Anne E Duggan recovers the voices of women writers such as Marie Catherine d'Aulnoy Marie Jeanne L'Héritier and Charlotte Rose de La Force who penned popular tales about ogre killing pregnant cross dressing dynamic heroines who saved the day This new history will appeal to anyone who wants to know more about the lost plucky heroines of historic fairy tales **Free Story "The Girl Who Wanted to be a Princess" from Newfangled Fairy Tales** Bruce Lansky, 2014-03-11 Michelle Koszowski desperately wants to be a princess until her wish comes true and she discovers what a pain royal life can be The full collection of ten contemporary fairy tales is the second in the critically acclaimed series puts a delightful new spin on classic stories and themes Michelle Koszowski desperately wants to be a princess until her wish comes true and she discovers what a pain royal life can be The Little Tailor brags to everyone about his bravery until a giant comes along and teaches him a lesson Rapunzel is held captive in a high rise apartment by an urban witch who owns a pizza parlor A postmodern wolf refuses to eat the bratty Little Red Riding Hood and her sickly grandmother Hansel is so obsessed with candy that he steals Gretel's piggy bank and runs off to the Old Witch's Candy Factory **The Princess Pourquoi** Margaret Pollock Sherwood, 1907 The Princess Pourquoi Angry at not receiving an invitation to the princess's christening an angry fairy curses the baby with the gift of a mind *Blackwood's Edinburgh Magazine*, 1896 **Beautiful Angiola** Jack Zipes, 2013-08-21 In one of the most startling literary discoveries of recent years Jack Zipes has uncovered this neglected treasure trove of Sicilian folk and fairy tales Like the Grimm brothers before her Laura Gonzenbach a talented Swiss German born in Sicily set out to gather up the

tales told and retold among the peasants Gonzenbach collected wonderful stories some on subjects that readers will know from the Grimms or Perrault some entirely new and published them in German Her early death and the destruction of her papers in the Messina earthquake of 1908 only add to the mystery behind her achievement Beautiful Angiola is an instant classic a nineteenth century collection of stories in the great tradition of fairy and folk tales now translated into English for the first time Gonzenbach delights us with heroines and princes sorcery and surprise the deeds of the brave and the treacherous and the magic of the true storyteller The Green Bird The Humiliated Princess sorfarina The Magic Cane the Golden Donkey and the Little Stick that Hits are titles destined to become new favourites for readers everywhere Yet while the stories enchant us the wry taglines with which they often end And so they remained rich and consoled while we keep sitting here and are getting old gently bring us back to earth

Folktales of the Jews, V. 3 (Tales from Arab Lands) Dan Ben Amos, 2011-05-01 Thanks to these generous donors for making the publication of the books in this series possible Lloyd E Cotsen The Maurice Amado Foundation National Endowment for the Humanities and the National Foundation for Jewish Culture Tales from Arab Lands presents tales from North Africa Yemen Lebanon Syria and Iraq in the latest volume of the most important collection of Jewish folktales ever published This is the third book in the multi volume series in the tradition of Louis Ginzberg's timeless classic Legends of the Jews The tales here and the others in this series have been selected from the Israel Folktale Archives IFA named in Honor of Dov Noy at The University of Haifa a treasure house of Jewish lore that has remained largely unavailable to the entire world until now Since the creation of the State of Israel the IFA has collected more than 20 000 tales from newly arrived immigrants long lost stories shared by their families from around the world The tales come from the major ethno linguistic communities of the Jewish world and are representative of a wide variety of subjects and motifs especially rich in Jewish content and context Each of the tales is accompanied by in depth commentary that explains the tale's cultural historical and literary background and its similarity to other tales in the IFA collection and extensive scholarly notes There is also an introduction that describes the culture and its folk narrative tradition a world map of the areas covered illustrations biographies of the collectors and narrators tale type and motif indexes a subject index and a comprehensive bibliography Until the establishment of the IFA we had had only limited access to the wide range of Jewish folk narratives Even in Israel the gathering place of the most wide ranging cross section of world Jewry these folktales have remained largely unknown Many of the communities no longer exist as cohesive societies in their representative lands the Holocaust migration and changes in living styles have made the continuation of these tales impossible This series is a monument to a rich but vanishing oral tradition This series is a monument to a rich but vanishing oral tradition

The Princess Casamassima Henry James, 1886 The Princess Romanova George Horton, 1907 The Necklace of Princess Fiorimonde Mary De Morgan, 1880 **Queen Victoria's Mysterious Daughter** Lucinda Hawksley, 2025-08-22 The secrets of Queen Victoria's sixth child Princess Louise may be destined to remain hidden forever What was so dangerous about this

artistic tempestuous royal that her life has been documented more by rumor and gossip than hard facts When Lucinda Hawksley started to investigate often thwarted by inexplicable secrecy she discovered a fascinating woman modern before her time whose story has been shielded for years from public view Louise was a sculptor and painter friend to the Pre Raphaelites and a keen member of the Aesthetic movement The most feisty of the Victorian princesses she kicked against her mother's controlling nature and remained fiercely loyal to her brothers especially the sickly Leopold and the much maligned Bertie She sought out other unconventional women including Josephine Butler and George Eliot and campaigned for education and health reform and for the rights of women She battled with her indomitable mother for permission to practice the masculine art of sculpture and go to art college and in doing so became the first British princess to attend a public school The rumors of Louise's colorful love life persist even today with hints of love affairs dating as far back as her teenage years and notable scandals included entanglements with her sculpting tutor Joseph Edgar Boehm and possibly even her sister Princess Beatrice's handsome husband Liko True to rebellious form she refused all royal suitors and became the first member of the royal family since the sixteenth century to marry a commoner She moved with him to Canada when he was appointed Governor General Spirited and lively Queen Victoria's Mysterious Daughter is richly packed with arguments intrigues scandals and secrets and is a vivid portrait of a princess desperate to escape her inheritance **Classified**
