## **The Climax Of Rome:**

*The Climax Of Rome* Michael Grant, 2011-12-30 The definitive study of Rome by one of the 20th century's finest ancient historians A richly detailed portrait of Rome at the height of its glory      *The Climax of Rome* Michael Grant, 1970

**Climax of Rome** Michael Grant, 1970-11-01      *The Climax of Rome* Michael Grant, 1993 A richly detailed portrait of Rome at the height of its glory      **Collapse and Recovery of the Roman Empire** Michael Grant, 2013-01-17 Collapse and Recovery of the Roman Empire presents a study of third century Rome which is lavishly illustrated and a lucid read typical of Michael Grant's inimitable style In Collapse and Recovery of the Roman Empire Michael Grant asserts that the fact that the Roman empire of the third century AD did not collapse is one of the miracles of history He argues that at that time the empire seemed ripe for disintegration and expresses amazement that it continued in the west for another two hundred years and in the east for far longer Michael Grant examines the reasons for collapse including analyses of the succession of emperors the Germans and the Persians and also the reasons for its remarkable recovery including discussions of strong emperors a reconstituted army finance and coinage and state religion      **Rome's Fall and After** Walter Goffart, 1989-01-01

This collection of articles displays Walter Goffart's ability both to illuminate the great events that reshaped Europe after the fall of Rome and to uncover new and significant details in texts ranging from tax records to tribal genealogies Professor Goffart is especially concerned with the role of barbarian neighbours who he argues weighed far less on the destiny of the Roman West than did Constantinople      **The cult of the Duce** Stephen Gundle, Christopher Duggan, Giuliana Pieri, 2015-11-01 The cult of the Duce is the first book to explore systematically the personality cult of the Fascist dictator Benito Mussolini It examines the factors which informed the cult and looks in detail at its many manifestations in the visual arts architecture political spectacle and the media The conviction that Mussolini was an exceptional individual first became dogma among Fascists and then was communicated to the people at large Intellectuals and artists helped fashion the idea of him as a new Caesar while the modern media of press photography cinema and radio aggrandised his every public act The book considers the way in which Italians experienced the personality cult and analyses its controversial resonances in the postwar period Academics and students with interests in Italian and European history and politics will find the volume indispensable to an understanding of Fascism Italian society and culture and modern political leadership Among the contributions is an Afterword by Mussolini's leading biographer R J B Bosworth      **The Theology of the Book of**

**Revelation** Richard Bauckham, 1993-03-04 The Book of Revelation is a work of profound theology But its literary form makes it impenetrable to many modern readers and open to all kinds of misinterpretations Richard Bauckham explains how the book's imagery conveyed meaning in its original context and how the book's theology is inseparable from its literary structure and composition Revelation is seen to offer not an esoteric and encoded forecast of historical events but rather a theocentric vision of the coming of God's universal kingdom contextualised in the late first century world dominated by Roman power

and ideology It calls on Christians to confront the political idolatries of the time and to participate in God's purpose of gathering all the nations into his kingdom Once Revelation is properly grounded in its original context it is seen to transcend that context and speak to the contemporary church This study concludes by highlighting Revelation's continuing relevance for today     The Revelation of Jesus Christ by John Francis John Bodfield Hooper,1861     **The Revelation of Jesus Christ by John, Expounded ...** Francis John Bodfield Hooper,1861     *The Book of Revelation* Shirley Jackson Case,1918     NIV Dictionary of the Bible J.
