children for the future Great but how Susan Merrill the mother of five incredibly different children has asked that question countless times And she has read countless answers specific to a certain child s temperament age or situation But nothing she read offered an overall approach to parenting that would enable her to say with confidence I am doing this right She never guessed she would find a foundational plan a reliable universal parenting approach in the Old Testament book of Nehemiah In *The Passionate Mom* Susan takes you on a journey through Nehemiah and into the heart of parenting Her stories and confessions in every chapter reveal what she has learned no mom can control her child s future but every mom can parent well There is a plan a roadmap for how a passionate mom can parent almost any child confidently This book reaches mothers like me at both the heart level and the head level showing us how to guide our children passionately and practically Shaunti Feldhahn social researcher national speaker and best selling author of *For Women Only* Being a mother is the greatest joy of my life My friend Susan Merrill regularly inspires me in my role as a Mother In her book she will inspire you Denise Jonas Mother of Kevin Joe Nick and Frankie Jonas Every mother s goal is to see her children fully blossom In *The Passionate Mom* Susan Merrill not only outlines the qualities women need to be successful moms but also lays out a practical biblical plan to help develop those qualities She provides sound advice to help in the difficult task of raising children Lauren and Tony Dungy **Writers Directory** NA NA,2016-03-05 **The Twin** Gerband Bakker,2009-07-10 When his twin

Detroit, Lenacrave and Cleveland Brooke,2010-12-15 I was almost as hard headed as it gets while repeatedly insisting on missing and ignoring the entire point that Mom and a few others tried to get me to realize GET YOUR EDUCATION I still had some great times here and there every now and then and I can only imagine how beautiful my life would have been if I

would have followed the The Golden Rules Some wonderful things have happened to me even though I still feel that I truly did not deserve or even know how to sincerely enjoy thoroughly but on the other hand some not so wonderful things have happened to me that I basically brought on myself as a direct result of not following The Golden Rules EDUCATION IS A MUST I know my family was not the only family that has gone through a divorce and I know there are millions of kids who went through divorce without a scratch I am not blaming any of my failures as a man on the pitfalls of divorce but I can clearly see now that my character flaws were a direct hit stemming from the casualties of my parents divorce I did not ask to be me and I certainly did not ask or expect to be stuck on stupid for almost three tenths of a century It was what it was If I would have known their divorce would eventually effect me which I believe set the wheels in motion that turned towards me turning out the way I have I would have started Praying that night But I had no idea it would and neither did they I can only imagine how beautiful my life would have been if their marriage was meant to be but it was not about me Brooke

The Things We Learn When We're Dead Charlie Laidlaw,2017-01-26 The Things We Learn When We re Dead is about how small decisions can have profound and unintended consequences but how we can sometimes get a second chance On the way home from a dinner party Lorna Love steps into the path of an oncoming car When she wakes up she is in what appears to be a hospital but a hospital in which her nurse looks like a young Sean Connery she is served wine for supper and everyone avoids her questions It soon transpires that she is in Heaven or on HVN because HVN is a lost dysfunctional spaceship and God the aging hippy captain She seems to be there by accident or does God have a higher purpose after all Despite that The Things We Learn When We re Dead is neither sci fi nor fantasy It is a book about memory and how if we could remember things slightly differently would we also be changed In HVN Lorna can at first remember nothing But as her memories return some good some bad she realises that she has decisions to make and that maybe she can find a way back home
