Hell's Heaven Anthony Florence, 2021-08-26 My life started in the ghetto of Roxbury Massachusetts a mile away from the drug infested neighborhood where Bobby Brown came up My father left our family when I was one My mother had five children one of whom died in early childhood My mother struggled every day to feed us I m sure many times not feeding herself A lot of our food and Christmas toys came from the government

Despite all her struggles my mother did everything in her power to give me an academic edge After I won the Boston Mayor s Award for academics when I graduated from the sixth grade my mother colluded with a white family to put me on an academic and cultural Rocketship This was the point where I had to begin to navigate my path mostly on my own as my mother s knowledge and experience regarding my new world was very limited All I could do was to try to hold on I attended the University of Massachusetts and a computer electronics class at Benjamin Franklin Institute where IBM hired me After 20 years in the world of high technology I became disillusioned with corporate life and moved with my family to Costa Rica where I had the pleasure of meeting a man named Dr Deepak Chopra who contacted me and invited my wife and I to join him at his private lunch with the presidential candidate of Costa Rica during his one day conference How People always ask me Why after 17 years did you return from the paradise of Costa Rica to the U S This is my true story
