The Cocktail Waitress Womans Work In A Mans World:

The Cocktail Waitress James P. Spradley, Brenda E. Mann, 2008-02-21 A 1975 classic this highly readable in depth study examines a familiar female role in contemporary American society The authors apply fieldwork methods to the study of social behavior in a college bars viewed from the perspective of cocktail waitresses They describe in detail the day to day lives of women and the meaning of work for women in a mans world Not a feminist tract their book provides a wealth of empirical data on the nature of being female in our culture The Cocktail Waitress examines female male relationships as well as patterns of male dominance in social interaction and shows how these are linked to more general issues in anthropology The work teaches important social science concepts while always dealing with the college students own world Its objective presentation of the waitress casts light on significant social issues and the role of women in todays society together with the manner in which female male roles are interlocked

Class Acts Rachel Sherman, 2007-01-17 Going behind the scenes in two urban luxury hotels this study gives a picture of the workers who care for and cater to wealthy guests by providing seemingly unlimited personal attention Drawing on interviews and ethnographic research in a range of hotel jobs it analyses what exactly luxury service consists of

Masters of Craft Richard E. Ocejo, 2017-04-24 How educated and culturally savvy young people are transforming traditionally low status manual labor jobs into elite taste making occupations In today s new economy in which good jobs are typically knowledge or technology based many well educated and culturally savvy young men are instead choosing to pursue traditionally low status manual labor occupations as careers Masters of Craft looks at the renaissance of four such trades bartending distilling barbering and butchering In this in depth and engaging book Richard Ocejo takes you into the lives and workplaces of these people to examine how they are transforming these once undesirable jobs into cool and highly specialized upscale occupational niches and in the process complicating our notions about upward and downward mobility through work He shows how they find meaning in these jobs by enacting a set of cultural repertoires which include technical skills based on a renewed sense of craft and craftsmanship and an ability to understand and communicate that knowledge to others resulting in a new form of elite taste making Ocejo describes the paths people take to these jobs how they learn their chosen trades how they imbue their work practices with craftsmanship and how they teach a sense of taste to their consumers Focusing on cocktail bartenders craft distillers upscale mens barbers and whole animal butcher shop workers in Manhattan Brooklyn and upstate New York Masters of Craft provides new insights into the stratification of taste gentrification and the evolving labor market in today s postindustrial city

Spradley,2016-02-17 A must read classic for anyone academic ethnographers to market researchers involved with data collection from individual human beings The Ethnographic Interview is a practical self teaching handbook that guides readers step by step through interview techniques commonly used to research ethnography and culture The text also shows how to analyze collected data and how to write an ethnography Appendices include research questions and writing tasks **The Restaurants Book** David Beriss,David E. Sutton,2007-12-01 Is the restaurant an ideal total social phenomenon for the contemporary world Restaurants are framed by the logic of the market but promise experiences not of the market Restaurants are key sites for practices of social distinction where chefs struggle for recognition as stars and patrons insist on seeing and being seen Restaurants define urban landscapes reflecting and shaping the character of neighborhoods or standing for the ethos of an entire city or nation Whether they spread authoritarian French organizational models or the bland standardization of American fast food restaurants have been accused of contributing to the homogenization of cultures Yet restaurants have also played a central role in the reassertion of the local as powerful cultural brokers and symbols for protests against a globalized food system The Restaurants Book brings together anthropological insights into these thoroughly postmodern places **The Host Gaze in Global Tourism** Omar Moufakkir,Yvette Reisinger,2013 Most tourism theories have been developed from the tourists perspective and focus on the Anglo American experience This unique book for researchers and students of tourism is the first to look at the host gaze how it is constructed how it has developed how it varies between countries and how the tourism industry can affect it By looking at the gazes of both Western and non Western hosts this book analyses the consequences such a gaze can have upon the tourist *The Oxford Handbook of American Folklore and Folklife Studies* Simon J. Bronner,2019 The Oxford Handbook of American Folklore and Folklife Studies surveys the materials approaches concepts and applications of the field to provide a sweeping guide to American folklore and folklife culture history and society Forty three comprehensive and diverse chapters explore the extraordinary richness of the American social and cultural fabric offering a valuable resource not only for scholars and students of American studies but also for the global study of tradition folk arts and cultural practice **Perfectly Prep** Sarah A. Chase,2008-03-20 Living in a senior boys

dorm at a co ed school Sarah Chase was able to witness the inner workings of student culture and power of individual agency She examines the price of privilege and uncovers how student culture reflects and perpetuates society and institutional power structures and gender ideologies Routledge Handbook of Hospitality Marketing Dogan Gursoy,2017-10-02 This handbook analyzes the main issues in the field of hospitality marketing by focusing on past present and future challenges and trends from a multidisciplinary global perspective The book uniquely combines both theoretical and practical approaches in debating some of the most important marketing issues faced by the hospitality industry Parts I and II define and examine the main hospitality marketing concepts and methodologies Part III offers a comprehensive review of the development of hospitality marketing over the years The remaining parts IV IX address key cutting edge marketing issues such as innovation in hospitality sustainability social media peer to peer applications Web 3 0 etc in a wide variety of hospitality settings In addition this book provides a platform for debate and critical evaluation that enables the reader to learn from the industry s past mistakes as well as future opportunities The handbook is international in its constitution as it attempts to examine marketing issues challenges and trends globally drawing on the knowledge of experts from around the world Because of the nature of hospitality which often makes it inseparable from other industries such as tourism events sports and even retail the book has a multidisciplinary approach that will appeal to these disciplines as well as others including management human resources technology consumer behavior and anthropology **So, How Long Have You Been Native?** Alexis C.

Bunten,2015-03 *So How Long Have You Been Native* is Alexis C Bunten s firsthand account of what it is like to work in the Alaska cultural tourism industry An Alaska Native and anthropologist she spent two seasons working for a tribally owned tourism business that markets the Tlingit culture in Sitka Bunten s narrative takes readers through the summer tour season as she is hired and trained and eventually becomes a guide A multibillion dollar worldwide industry cultural tourism provides one of the most ubiquitous face to face interactions between peoples of different cultures and is arguably one of the primary means by which knowledge about other cultures is disseminated Bunten goes beyond debates about who owns Native culture and has the right to sell it to tourists Through a series of anecdotes she examines issues such as how and why Natives choose to sell their culture the cutthroat politics of business in a small town how the cruise industry maintains its bottom line the impact of colonization on contemporary Native peoples the ways that traditional cultural values play a role in everyday life for contemporary Alaska Natives and how Indigenous peoples are engaging in global enterprises on their own terms Bunten s bottom up approach provides a fascinating and informative look at the cultural tourism industry in Alaska **Case Study**

Methods Jacques Hamel,Stephane Dufour,Dominic Fortin,1993-09-15 In this introduction to understanding researching and doing case studies in the social sciences Hamel outlines several differing traditions of case study research including the Chicago School of Sociology the anthropological case studies of Malinowski and the French La Play school tradition He shows how each developed changed and has been practiced over time Suggestions for the practice of case studies are made

for the novice reader and an additional feature is the extensive bibliography on case study methods in social science to allow for further exploration of the topic
