Crucify My Love C. E. Dorsett, 2019-04-01 Ripped from his mother s womb in the violent storm that razed his hometown Sister Death returned Shinobu s life infusing her power into his bones Now he is drawn to the sick and dying with the power to heal them at great cost to himself Vicious thorns erupt from his bones through his flesh as he takes their suffering onto himself After his childhood with the Breathless Sister he lives detached from those around him Even though he travels the world with his brothers he cannot imagine sharing his life with another The days of the dead approach An alluring imperial agent stirs deep feelings within him as the dead arise from the grave to torment and kill the living Shinobu swears he will do everything in his power to save them but how can he save the innocent when the dead stalk the village without remorse or weakness What will he have to sacrifice to save them from the days of the dead His beloved his heart or his life

Unlocking the Love-Lock Ceri Houlbrook, 2021-01-13 Explores the worldwide popularity of the love lock as a ritual token of love and commitment by considering its history symbolism and heritage This is an eminently enjoyable and thorough investigation of a popular phenomenon through the lens of heritage and folk tradition Sara De Nardi Western Sydney University A padlock is a mundane object designed to fulfil a specific and secular purpose A contemporary custom has given padlocks new significance This custom is love locking where padlocks are engraved with names and attached to bridges in declaration of romantic commitment This custom became popular in the 2000s and its dissemination was rapid geographically unbound and highly divisive with love locks emerging in locations as diverse as Paris and Taiwan New York and Seoul Melbourne and Moscow From the introduction I was distractedly perusing the photo frame aisle my eyes skimming the generically sentimental stock pictures of happy families smiling at the camera pretty landscapes cute pets and couples

walking hand in hand when I came across one that jumped out at me I recognised the image instantly as a photograph of love locks the padlocks that had been appearing en masse on bridges and other public structures on a global scale since the early 2000s And having been researching the custom known as lovelocking for about five years at that point it was with a peculiar sense of pride that I realised love locks had accomplished the status of a stock image
