The Collapse Of Unity Sanity And Democracy In The Usa:

The Collapse of Unity, Sanity and Democracy in the USA Don F. Smith, 2004-07 *Fictions of Form in American Poetry* Stephen Cushman, 2014-07-14 In the 1830s Alexis de Tocqueville prophesied that American writers would slight even despise form that they would favor the sensational over rational order He suggested that this attitude was linked to a distinct concept of democracy in America Exposing the inaccuracies of such claims when applied to poetry Stephen Cushman maintains that American poets tend to overvalue the formal aspects of their art and in turn overestimate the relationship between those formal aspects and various ideas of America In this book Cushman examines poems and prose statements in which poets as diverse as Emily Dickinson and Ezra Pound describe their own poetic forms and he investigates links and analogies between poets notions of form and their notions of Americanness The book begins with a brief discussion of Whitman who said The United States themselves are essentially the greatest poem Cushman takes this to mean that American poetry has succeeded in making fictions about itself which persuade its readers that its uniqueness transcends merely geographical boundaries He explores the truth of this statement by considering the Americanness of Emily Dickinson Ezra Pound Elizabeth Bishop and A R Ammons He concludes that the uniqueness of American poetry lies not so much in its forms as in its formalism and in the various attitudes that formalism reveals Originally published in 1993 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *The New Unity* ,1896 **Unity** ,1927 **What I Saw In America** G. K. Chesterton, Aeterna Press, 2013-11-12 In 1921 G K Chesterton set out for a year long tour of the United States At every turn he is reminded of the heritage shared by the two countries He is also keenly aware of the differences which distinguish the two nations and allow the possibility of genuine friendship between the two nations Written for a British audience the book is full criticism and praises dreams and disappointments for America It is a timely book for Americans to see what past great things we have lost what prophecies have come true and what hope we still have **Earthborn Democracy** Ali Aslam, David W. McIvor, Joel Alden Schlosser, 2024-09-10 Ecological crises threaten all forms of life on earth Democracy too is endangered as popular discontent elite malfeasance and unresponsive institutions imperil its survival Present political concepts have proven inadequate to meeting these challenges and their inadequacies are themselves symptoms of the failures of prevailing political cultural and ecological stories and practices This book offers a new vision of ecological and participatory democratic life for a time of crisis Identifying myth and ritual as key resources for contemporary politics Earthborn Democracy excavates practices and narratives that illustrate the interdependence necessary to inspire ecological renewal It tells stories of

multispecies agency and egalitarian political organization across history from ancient Mesopotamia and the precolonial Americas to contemporary social movements emphasizing Indigenous traditions and resistance Resonating across these practices and stories past and present is a belief that we are all human as well as nonhuman earthborn and this can serve as the basis for reimagining democracy Allying visionary political theory with environmental activism Earthborn Democracy provides a foundation and a guide for collective action in pursuit of earthly flourishing **Bulletin of the Atomic Scientists** ,1972-09 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin s iconic Doomsday Clock stimulates solutions for a safer world *Children's Books in Print*, 2007 ,2006 [The Universalist Leader](#) ,1921

Gandhi's Popular Sovereignty of Truth Michael Allen,2025-07-25 This book offers a philosophical reconstruction of Gandhi s political thought as a form of devotional democracy in which the sovereign people speak the voice of truth as God s voice Part One addresses Gandhi s relationship to the history of modern Western political thought and key thinkers such as Hobbes Locke and Hegel Part Two explores the concept of a Gandhian devotional democracy in relation to contemporary political thought and decidedly illiberal thinkers such as Ivan Ilyin and Curtis Yarvin as well as contemporary trends including populism traditionalism along with important developments like AI superintelligence and interspecies politics The book aims not only to locate Gandhi in the historical context of modern and contemporary political philosophy but to also demonstrate the potential for his political thought to undergo sympathetic and constructive reinterpretation It encourages readers to reassess and rethink the role of soul force as superior to state power as well as a nation s capacity to realize truth devotionally Gandhi s Popular Sovereignty of Truth is essential reading for all scholars researchers and advanced students of political philosophy especially those focussing on the thought of Mahatma Gandhi **Life After Doom** Brian D. McLaren,2024-05-14 As rich and thoughtful as all of Brian McLaren s work but with a particular urgency Bill McKibben Riveting Challenging Brave Devastating Hopeful Rabbi Sharon Brous IKAR author of The Amen Effect A deeply insightful exploration of how to live with wisdom resilience and love in our turbulent times For the last quarter century author and activist Brian D McLaren has been writing at the intersection of religious faith and contemporary culture In Life After Doom he engages with the catastrophic failure of both our religious and political leaders to address the dominant realities of our time ecological overshoot economic injustice and the increasing likelihood of civilizational collapse McLaren defines doom as the un peaceful uneasy unwanted feeling that we humans have made a mess of our civilization and our planet and not enough of us seem to care enough to change deeply enough or quickly enough to save ourselves Blending insights from philosophers poets scientists and theologians Life After Doom explores the complexity of hope the necessity of grief and the need for new ways of thinking becoming and belonging in turbulent times If you want to help yourself your family and the communities to which you belong to find courage and resilience for the deeply challenging times that are upon us this is the book you need

faith and culture Nov 13 2017 **The Politics of Upheaval** Arthur M. Schlesinger,2003-07-09 In the third volume of his
series on Franklin Roosevelt the Pulitzer Prize winning historian focuses on the turbulent final years of FDR s first term A
measure of economic recovery revived political conflict and emboldened Roosevelt s critics to denounce that man in the
White house To his left were demagogues Huey Long Father Coughlin and Dr Townsend To his right were the champions of
the old order ex president Herbert Hoover the American Liberty League and the august Supreme Court For a time the New
Deal seemed to lose its momentum But in 1935 FDR rallied and produced a legislative record even more impressive than the
Hundred Days of 1933 a set of statutes that transformed the social and economic landscape of American life In 1936 FDR
coasted to reelection on a landslide Schlesinger has his usual touch with colorful personalities and draws a warmly
sympathetic portrait of Alf M Landon the Republican candidate of 1936 One of the most important historical enterprises of
our time Saturday Review Vividly portrays the concluding years of Roosevelt s first term and the sweep and excitement of an
era more historically dramatic than most Time **The Congregationalist** ,1921 **Rosenbaum Review** ,1922
