**Galatians & Ephesians** Kenneth L. Boles, 1993      College Press NIV Comm (NT) : v.11 : Galatians, Ephesians Kenneth L. Boles, 1993      **College Press NIV Commentary** David Fiensy, 1994      Paul's Spirituality in Galatians P. Adam McClendon, 2015-03-25 Spirituality is a hot topic in today's culture. Spirituality is essentially how one's beliefs and experiences influence the way one lives their life. Such influences for living are of critical importance to one's faith within the Christian community. What role does the Bible play in developing an expressed spirituality among the Christian community? How do one's religious traditions, cultural influences, and personal preferences influence the way Christian spirituality is perceived and expressed? All too often and at times unintentionally, the foundational truths of the Bible are subordinated to tradition, culture, and personal preference. This book provides a context for understanding Paul's foundational components for Christian spirituality within the book of Galatians while showing how an accurate understanding of these components can and should serve as a corrective lens to various aspects of Christian spirituality as expressed and experienced today.

**INVESTIGATING JEHOVAH'S WITNESSES** Edward D. Andrews, 2017-07-03      **Luke 6:40 and the Theme of Likeness Education in the New Testament** Thomas W. Hudgins, 2014-01-07 What does Jesus mean when he says, "A disciple is not above his teacher, but each disciple after being fully trained will be like his teacher" (Luke 6:40)? This verse has been quoted, cited, and referenced in vast amounts of Christian education and discipleship literature. Nevertheless, the verse is nearly untouched in exegetical discussions, with the exception of source critical analyses. From this verse arises an undeveloped theme in the Gospel of Luke and the New Testament: the theme of likeness education. Using content analysis methodology, Luke 6:40, one of the keystone passages in Christian education literature, serves as the starting point for mining out the theme of likeness education in the New Testament. This study consists of three concentric areas of investigation: 1. Luke 6:40 and its immediate context; 2. Luke, Acts, and 3. the New Testament corpus.      **The Interaction Between Law and Love in the Pauline Writings** Pandelani Paul, 2015-07-16 There are five chapters in this book. The first chapter is the overview of the whole book and how the research was going to be conducted. It also gives the summary of law and love in the books of Paul. The interaction between law and love in Pauline writing has been an interesting topic where we have discovered that the law of God cannot be separated from his agape love, which has followed mankind from creation and eventually leads him to eternity. We discovered that the law of God reveals God's character and that is his love. The law of God and his love are one and cannot be separated from each other. God gives the law to prove to man that he loves him deeply and eternally. The death of Jesus on the cross was the final crown of the proof of how much we mean to God and the length He can go to redeem us. He gave his all for our redemption. The plan of salvation is the perfect revelation of law and love in Pauline writings. Chapter 1 and 2 look at law and love and the theology and ethics of law and love. The plan of salvation is laid bare and how the Jews missed the mark of spreading the Word to the whole world by holding to God as a Jewish God.

alone In chapter 3 we discover the difference between the ceremonial law and the Decalogue The ceremonial laws were pointing toward the coming of Jesus and so with his arrival they came to an end because they were pointing to his coming The Decalogue was there and it will continue till the end of time when Jesus will come the second time Chapter 4 is all about love and what it means to God and how he could not compromise his Decalogue and the meaning of redemption Chapter 5 is the blending of law and love in Pauline writings Keeping the law is not a problem when you love God and you know that God loves you its not difficult to keep the Decalogue because your love supercedes the law When you love someone its easy to follow or keep the law Gods Decalogue is a mirror and love is the crown of our redemption For God so loved the world that he gave His only begotten son to die for man because His law could not be changed Love will lift us up such that doing and keeping Gods law will not be a burden but a pleasure because through Christs death we realize how important we are to God

**CALVINISM VS. ARMINIANISM** Edward D. Andrews,2018-10-31 To possess the light of life one must put faith in Jesus Christ and become his follower On social media every day millions of Christians are saying such things as I am a Calvinist I am an Arminian I am a Lutheran I am a Wesleyan and so on They then debate and argue theology as though it is a blood sport This author is not an Arminian Calvinist Wesleyan Lutheran Baptist follower disciple or learner of any other denomination Andrews is non denominational THE BIBLE S ANSWER EPHESIANS 1 4 Are Some Chosen Predestined to Eternal Salvation and Others to Eternal Condemnation What the Bible Authors Really Meant by Atonement What the Bible Authors Really Meant by Ransom What the Bible Authors Really Meant by Reconciliation What the Bible Authors Really Meant by Sanctification What the Bible Authors Really Meant By Salvation Is the Five Points of Calvinism Biblical Determinism Fatalism Predestination and Foreknowledge Arminian View of the Free Will Calvin s Predestination Is the Foreknowledge of God Compatible with Free Will TRUE CHRISTIANS Are Not followers of Men Are some chosen predestined to eternal salvation and others to eternal condemnation Andrews will have entire chapters dealing with this important issue and inform the reader from the Calvinist and Arminian perspectives In the end he will answer the following questions Is Total Depravity Biblical Is Unconditional Election Biblical Is Limited Atonement Biblical Is Irresistible Grace Biblical Is

**Apocalypse and Armageddon, The Secret Origins of Christianity: The First Shall be Last and the Last Shall be First** Hekataios Amerikos,2015-06-24 In recent years several books about the beginnings of Christianity and or of Jesus and the disciples have been written They range from books based mainly upon faith and the gospels to the outlandishly sensational which barely even suggest that they are based upon actual documented history Yet in one way or another they all purport to provide the reader with the historical truth Still when reading these other works one finds that they are at best only loosely based upon real history of the time period and they provide little in the way of historical documentation let alone critical analysis This book is an exception because it sticks to the cold hard historical evidence and proceeds where that evidence leads This important work of historical non fiction will serve to enhance public understanding of the true origins of Christianity This book is designed to serve that purpose It is not meant to offend but is meant to provoke critical thought and debate

**PAUL AND LUKE ON TRIAL** Edward D. Andrews,2020-03-25 The book PAUL AND LUKE ON TRIAL deals with their reputations the authenticity and the trustworthiness of their New Testament books Acts and Galatians which Bible critics have sought to undermine for centuries Sadly this attack also comes from the new generation of evangelical scholars who are far more comfortable with ambiguity and uncertainty than previous generations Wallace forward Page xii Herein the Bible critics and modern evangelical scholars are the prosecutors in this trial and Andrews is serving as the Christian apologist in defense of the Apostle Paul and the disciple Luke Andrews in PAUL AND LUKE ON TRIAL will briefly talk about Higher critics who have dissected the Word of God until it has become the word of man and a very jumbled word at that Chapter one will look at how we can use legal terms to view Bible evidence objectively Chapters 2 and 3 will lay more groundwork defining and dealing with Bible difficulties as it relates to the trial of Paul and Luke A Brief historical overview of 36 49 C E in Chapter 4 apply all that we will have learned up unto this point in our defense of Paul and Luke As a bonus APPENDIX I is a chapter explaining Bible Difficulties and APPENDIX II is a defense of the prophet Daniel and the book that bears his name

**THE APOSTLE PAUL**

William Mitchell Ramsay,2021-05-16 Sir William Mitchell Ramsay was a British archaeologist and New Testament scholar Initially he was one of the biggest Bible critics of his day However after decades of research by his death in 1939 he had become the foremost authority of his day on the history of Asia Minor and a leading scholar in the study of the New Testament as well as the advocate for the trustworthiness of the New Testament There were many Bible critics of the early 19th century like there are today who questioned Luke s accuracy as a historian Furthermore they maintained that the history in Acts was merely invented in the middle of the second century A D The author of this book the British archaeologist and Bible scholar Sir William Mitchell Ramsay was one who believed these things But after a lengthy investigation of the names and places mentioned by Luke he declared It was gradually borne in upon me that in various details the narrative showed marvelous truth This classic defense of the book of Acts was again written by a scholar whose initial motivation was to disprove Luke s authorship After many years of research into the internal evidence of Luke s books he became one of the greatest advocates for the authenticity and accuracy of Luke s accounts We have taken some liberties with Ramsay s book in that we tweaked the title We updated his archaic English and changed the UK English to US English We have added many Bible background chapters and an appendix that we now consider this book a 12th edition I am most certain that Ramsay would not mind the enhancements that we have made that have made a great book and even better book that can grow the faith of its readers

*FIRST TIMOTHY 2:12* Edward D. Andrews,2019-08-31 The role of women within the church has been a heated ongoing debate There are two views We have the equal ministry opportunity for both men and women egalitarian view and the ministry roles distinguished by gender complementarian view This biblically grounded introduction will acquaint the reader with the biblical view what does the Bible say about the woman s role in the church Both views mention the teachings of the apostle Paul in 1 Timothy 2 12 in order to support their viewpoint Andrews will furnish the reader with a clear and thorough presentation of the biblical evidence for the woman s role in the church so we can better understand the biblical viewpoint

**PAUL'S LETTER TO THE EPHESIANS** Edward D. Andrews,Thomas F. Marshall,2023-10-20 In an age where the essence and boundaries of the Church are questioned PAUL S LETTER TO THE EPHESIANS CPH New Testament Commentary offers an incisive historically grounded exposition on one of the New Testament s most transformative letters The Apostle Paul wrote to the Ephesian church with a desire to elaborate on the grand scheme of God s eternal plan Through the lens of this epistle this volume unravels complex themes offering

clarity and deep insights that fortify the reader's understanding of both the Christian faith and the institution of the Church

**Indispensable Background and Context** The work opens with an enlightening introduction followed by an outline setting the stage for the subsequent exegetical journey. It provides crucial historical, sociopolitical, and theological background, contextualizing the situations that the Ephesian Christians faced and how Paul's words aimed to guide them.

**Rich Exegetical Treatment** Adhering to a literal translation philosophy and employing the objective Historical Grammatical method, the commentary carefully dissects each chapter of Ephesians. You will discover how Paul likens the Church to a Body, a Temple, a Mystery, a New Creation, and even to roles within a household and a soldier in battle. Each likeness serves as an intricate facet revealing the multifaceted institution that God envisioned the Church to be.

**Addressing Difficult Texts** Each chapter concludes with a Bible Difficulties section where commonly misunderstood or misinterpreted texts are put under the microscope. Employing rigorous conservative scholarship, the commentary dispels doubts and misconceptions, reinforcing the inerrancy of Scripture.

**Apologetic Undertone** Beyond mere exposition, this book has a robust apologetic undertone. It serves as a defense of the Christian faith, addressing contemporary issues and challenges through the lens of Paul's teachings. It unequivocally establishes that there is no universal salvation and that the concept of once saved always saved is unscriptural. It also emphasizes that while we live in an age of grace, obedience to Christ remains paramount.

**Who This Book is For** Scholars, seminary students, pastors, and committed laypersons will find this volume an invaluable resource. It serves as a comprehensive guide for sermon preparation, academic study, and for anyone eager to dive deep into understanding God's purpose for the Church as laid out in Paul's Letter to the Ephesians.

**Comprehensive** Concluding with a meticulous bibliography, the book is exhaustive but not exhausting, making it accessible for readers at a 10th to 11th grade reading level. It employs simplified terminology, concrete examples, and visual aids to ensure that even complex theological concepts are easily grasped.

In a world filled with spiritual confusion and doctrinal dilution, **PAUL'S LETTER TO THE EPHESIANS** CPH New Testament Commentary stands as a beacon guiding the reader back to the immutable truths of God's Word. It is not just a book to be read but a treasure to be explored.
