The Coming Of God:

The Coming of God Jürgen Moltmann, 1996 This final volume of Moltmann's systematics centers on hope thus completing a trajectory begun some three decades ago in his *Theology of Hope* Eschatology Moltmann contends is often thought to deal with the End the last day the last act God has the final word But Christian eschatology has nothing to do with the apocalypse but is about new creation

The Coming of God Jürgen Moltmann, Margaret Kohl, 2004-07-27 Winner of Grawemeyer Award In this remarkable and timely work in many ways the culmination of his systematic theology world renowned theologian Jürgen Moltmann stands Christian eschatology on its head Moltmann rejects the traditional approach which focuses on the End an apocalyptic finale as a kind of Christian search for the final solution He centers instead on hope and God's promise of new creation for all things Christian eschatology he says is the remembered hope of the raising of the crucified Christ so it talks about beginning afresh in the deadly end Yet Moltmann's novel framework deeply informed by Jewish and messianic thought also fosters rich and creative insights into the perennially nettling questions of eschatology Are there eternal life and personal identity after death How is one to think of heaven hell and purgatory What are the historical and cosmological dimensions of Christian hope What are its social and political implications In a heartbreakingly fragile and fragment world Moltmann's comprehensive eschatology surveys the Christian vista bravely envisioning our horizons of expectation for personal social even cosmic transformation in God

The Coming of God G. R. Beasley-Murray, 2007-01-01 The Coming of God Few subjects are more basic than the one chosen for this book The coming of God to save his people is at the heart of Old Testament faith The theme develops further when Jesus announces the Kingdom of God and attention is focused on his death and resurrection What Jesus says about himself in relation to this Kingdom throws light also on the mystery expressed in John 10:30 I and my Father are one The author's gift as preacher and teacher here combine to make a broad appeal to nonspecialist readers who want to understand their faith better Its depth and solidity are the fruit of a lifetime devoted to biblical scholarship

Mission and the Coming of God Tim Chester, 2006-10-01 How does the eschatological future impinge on the present Is the kingdom of God present outside the confession of Christ in movements towards social justice Is Christian hope a stimulus to social involvement or an alternative And how does the present impinge on the eschatological future What is the relationship between our actions now and the new creation Is there eschatological continuity between the two Jürgen Moltmann one of our most influential contemporary theologians has had much to say both on eschatology and its relationship to mission This book explores his thought along with evangelical responses to it Eschatology has been central to evangelical debates about social involvement ever since the Lausanne Congress in 1974 The book examines how evangelicals themselves have related hope and mission The book highlights the important contribution Moltmann has made while offering a critique of his thought from an evangelical perspective In so doing it touches on pertinent issues for evangelical missiology The conclusion takes John Calvin as a starting point proposing an eschatology of the cross which

offers a critique of the over realized eschatologies in liberation theology and triumphalistic forms of evangelicalism iThis is a work of major importance engaging with crucial themes and leading Christian thinkers A must read for all reaective evangelicals Tim Chester's work is always good but this is the best yet i Martyn Atkins Principal Cliff College Calver UK Despite the attention of Moltmann and despite intra evangelical debate on the nature of mission over the last three decades the task of bringing Moltmann and evangelicalism into dialogue has remained on the table for some time Tim Chester takes up the agenda His combination of practical experience in mission and theological ability equip him well for this task and the result is a study which brings academic reasoning to bear on Christian thought about eschatology and its vital connection with the missionary responsibility of the church It rewards our careful attention Stephen Williams Professor of Systemic Theology at Union Theological College Belfast iEschatology in relation to mission is often reduced to plans for Ohishingi the Great Commission as soon as possible or to lurid end time scenarios that feed our fantasy more than they fuel biblical mission So it is refreshing to have this wide ranging in depth study of the theme that engages with one of the most well known theologians of biblical hope J rgen Moltmann alongside a number of renowned evangelical scholars yet stays rooted in the text and vision of the Bible itself This is searching theology in the service of biblical mission as all theology ultimately should be Chris Wright International Director Langham Partnership International The Coming of God's Kingdom Kay Arthur, Pete De Lacy, 2009-04-01 Kay Arthur's life changing New Inductive Study Series has sold more than 1.4 million copies This exciting series brings readers face to face with the truth of God's precepts promises and purposes in just minutes a day Ideal for individual study one on one discipleship group discussions and quarterly classes This inductive study of the book of Matthew enables readers to observe and interpret this gospel's message and apply it to their own lives Brief daily exercises provide tools to help readers note key words list important insights question and reflect on the text and discover God's answers for themselves Readers will discover the hope of the Messiah and His teachings and gain personal understanding of the fulfillment of God's plan through the life of Christ and in their lives today **The Coming of God** Maria Boulding, 1983-02 Many people's lives are a search for the God who has visited His people throughout time who came in the flesh to bring us light and hope at Christmas We can look for the ways in which He comes to each of us now in events in people in prayer as we wait for Him to come again in glory **The Nonviolent Coming of God** James W. Douglass, 2006-04-01 In this his most eloquent and far reaching book James Douglass explores the haunting parallels between the situation of Jesus and our situation today Jesus who lived in anticipation of the impending destruction of Jerusalem by the Romans and suffered from this vision called urgently for a radical conversion to avert the tragedy The choice then as now was between nonviolence and nonexistence This choice is even more stark in the nuclear age Whether describing the visions of Gandhi Martin Luther King Jr Archbishop Romero or the witness of his own community against the White Train carrying warheads across the country Douglass can discern the sights of a second coming a nonviolent coming of

God The possibility for a different future depends on a different kind of humanity renewed and transformed by the nonviolent cross of Christ Apostles, Prophets and the Coming Moves of God Bill Hamon,1997 Author of the Prophets series Dr Bill Hamon brings the same anointed instruction in this new series on apostles Learn about the apostolic age and how apostles and prophets work together Find out God s end time plans for the Church **The Time of His Coming** Michael Vilardi,2006-04-03 The second coming of Jesus Christ is a phenomenon that has lasted for generations and has even influenced human civilization itself Devoted people continue to wait for his return In the new book The Time of His Coming author Michael Vilardi explains to readers how and when Christ will return The book explains the biblical timeframes for all these events then explains why God will allow them to happen The book starts off by explaining the biblical plan for salvation The book then explains all the biblical events that must occur before Christ can return Events such as the Rapture The Tribulation period and Daniels 70th week The book explains why the events happen in the order that they do and what the purpose of each event is Each timeframe is interpreted with the sharpest details to enable readers to fully understand them The book also details who the false prophet Anichrist and two witnesses will be The Time of His Coming will undoubtedly provoke thought and attract the attention of many readers especially Christians non Christians and enthusiasts of the End of Time phenomenon For non believers the book will give them opportunities to test the accuracy of the bible and at the same time it will spark a new series of religious and historical debates among all readers Furthermore readers will be touched as they will be introduced to Gods Great Plan of Love and Salvation for all mankind The Time of His Coming is easily one of the most compelling books to read today Order your copy today Jesus the Truth of His Coming Pastor Arthur Lands,2018-12-10 This book contains literally what God says not my opinion Neither do I quote other peoples opinion I m only comparing two doctrines the Pre tribulation Rapture doctrine and the Post tribulation doctrine I have taught these truths to my people and shared it with other preachers Twelve of those preacher friends of mine have changed their prophetic view of the coming of the Lord Some preachers and several deacons have said this book took the confusion out of the second coming of the Lord They once believed in a Pre tribulation Rapture of the church However after reading my individual chapters and studying the Word of God they changed their position on when the Lord will return for his people The Day of the Lord will bring about this great event God will bring with Him the sleeping saints to be raised from the dead This is the first resurrection He will make all of His Son s enemies His footstool while Jesus returns as promised The resurrected and living saints will meet Jesus in the air Jesus will tread the winepress of the wrath of God destroying the remnant that God has left Thee coming of the Lord is only a ONE TIME EVENT Please don t take my word for it Study I have given you the scriptures to follow One last thought See the picture on the front cover and the two pictures on the back These portray in picture form three different examples of the coming of the Lord They are all different Is Jesus coming back three times two times or one time This book will help you understand this **The Coming Kingdom of God** Eric M Hill, Unique Study

The Coming Oil Storm Ron Rhodes,2010-07-01 Ron Rhodes a leading scholar on biblical prophecy reveals how looming tensions over oil factor into end time global alignments and how they may lead to a dramatic

shift in the balance of power in the world Much of the world's oil is in the custody of unstable and sometimes hostile regimes Nations around the world are positioning themselves to protect their shrinking piece of the pie of dwindling oil reserves Global tensions continue to rise In *The Coming Oil Storm* Rhodes documents the role of Islam as the religion in control of most of the world's oil reserves and shows convincingly that once Muslims are in possession of the two swords of oil and nuclear weapons they will feel empowered to act as they wish Oil could even play a role in the path to Armageddon *The Coming Oil Storm* is an essential guide for understanding the state of the world today and what's yet to come **The unity and harmony in God's word, as found in the Bible, the world, and man** John Coutts (of Highbury.),1881 **The Expository Times** ,1894 **Feasting on the Word: Year A, Volume 4** David L. Bartlett,Barbara Brown Taylor,2011-04-12 With this twelve volume series Westminster John Knox Press offers one of the most extensive and well respected resources for preaching on the market today The twelve volumes cover all of the Sundays in the three year lectionary cycle along with moveable occasions The page layout is truly unique For each lectionary text preachers will find brief essays one each on the exegetical theological pastoral and homiletical challenges of the text Each volume also contains an index of biblical passages so that nonlectionary preachers may make use of it **The Coming of the Son of Man** Jeffrey Horton,2017-11-06 Behold I stand at the door and knock If anyone hears My voice and opens the door I will come in to him and dine with him and he with Me Rev 3 20 Wouldn't it be great if you could open the door invite Jesus into your home and ask Him when He's coming back All the confusion about the events surrounding Christ's return would vanish as He explains the Scriptures to you You would have your own Emmaus Road journey Like the apostles and first century disciples you could say that He opened the eyes of your understanding That's exactly what this series does by unfolding in an easy to follow manner what God's Word shows us and what Jesus taught Each of the three books focuses on three critical end time revelations that open the door of our understanding surrounding the events of Christ's return The New Testament apostles received these keys from Jesus Himself Over the centuries these revelations were lost or watered down leaving us clustered and even fearful That's not God's will It's time to let the Word speak for itself with a message of comfort hope and victory *The Coming of the Son of Man* brings you to your final destination literally It shows you what Jesus taught His disciples about the end of this age the rapture and the sign when all these things will be fulfilled The journey will expose the misidentification of key terms that distorted the Church's understanding of Christ's return Along the way Jesus's teaching known as the Olivet Discourse as well as the book of Revelation will become clear No more confusion No more questioning how to prepare Simply the truth of God's plans and purposes **Next Move of God** Fuchsia Pickett, ThD., D.D.,Fuchsia T. Pickett,1996-07-12 As the charismatic movement continues to grow many wonder where it's headed What is the next move of God Author Fuchsia Pickett illustrates the coming new wave of the Holy Spirit This message will be of particular interest to those who have been involved in the prophetic interpretation of Scripture
