Forthcoming Books Rose Army,2001 **Wiersbe Bible Commentary 2 Vol Set** Warren W. Wiersbe,2023-06-09 The Wiersbe Bible Commentary is a must have for believers wanting a deeper and practical resource for studying God's Word and includes The complete Old and New Testament Genesis to Revelation Section by section commentary Biblical charts Book introductions Extended notes References Dr Warren Wiersbe is one of the most beloved Bible teachers with over 40 years of pastoral experience His bestselling Bible Commentaries are one of the most trustworthy resources used by pastors Bible teachers and persons interested in knowing more about God's Word His easy to read and insightful explanations provide a comprehensive understanding of the Bible **When Jesus Splits the Sky** Patricia Bootsma,2025-01-28 As earth prepares for war join heaven in preparing for a wedding Hours before His crucifixion Jesus passionate prayer was for us His Bride and reward to be filled with glory and be with Him for eternity The question is Are we ready Mining the Scriptures for ten essential practical actions you can take today Patricia Bootsma helps you prepare your heart and life for Christ's imminent return and for enjoying life with Him in eternity Transform into Jesus radiant victorious Bride as you resist all that hinders or distracts you cultivate true passion for Jesus overcome obstacles to your divine destiny prevail in the face of trials and suffering live boldly for His glory walk in the fullness of the Father's love forgiveness rest and joy These are the last days and the King is coming Are you ready Home Mission Monthly ,1916 **Israel and the Covenants in New Testament Times** Peter Williams,2016-05-23 Second Edition Updated and Revised A Bible student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this or that Christ's return is therefore now almost upon us How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God In God's saving plan for the world everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way Mat 7 13 14 that very few have so far found and it involves the biblical new and old covenants which both apply to this Israel Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions be a serious open minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as both vital and urgent for our eternal salvation yet I know of no church or individual theologian who teaches what this book deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10 18 and the Israel of God Gal 6 16 I focus mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely

staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that
