The Commanders Collection:

Professional Journal of the United States Army ,2006-10 Intelligence is for Commanders Robert Rigby Glass,Philip Buford Davidson,1948 Centuries ago Sun Tzu wrote Know the enemy as you know yourself The urgency of this maxim is even greater today A commander who boldly determines without knowledge of the enemy or the battleground to close tit the doe and destroy him wherever he might be is like a boxer who is in the ring blindfolded This book is written primarily for commanders because intelligence is for commanders Intelligence is not an academic exercise nor is it an end in itself The prime purpose of intelligence is to help the commander make a decision and thereby to proceed more accurately and more confidently with the accomplishment of his mission On the Military Intelligence Branch History Reading List 2012
