The Rise of the Global Economy Michael Veseth, 2002 This volume is a comprehensive collection of critical essays on The Taming of the Shrew and includes extensive discussions of the play's various printed versions and its theatrical productions. Aspinall has included only those essays that offer the most influential and controversial arguments surrounding the play. The issues discussed include gender, authority, female autonomy and unruliness, courtship and marriage, language and speech and performance and theatricality.

The New Middle Class in China E. Tsang, 2014-05-29 Based on interviews with entrepreneurs, professionals and regional party cadres from a range of age groups, this book argues that Western class categories do not directly apply to China and that the Chinese new middle class is distinguished more by socio-cultural than by economic factors.
