The Humour Of Sex:

The Humour of Vladimir Nabokov Paul Benedict Grant, 2024-09-30 The first in depth study of Vladimir Nabokov's humour investigating its physical aspects such as farce slapstick sexual and scatological humour Offers the first in depth study of Nabokov's humour Presents a revisionist reading of Nabokov Examines the metaphysical aspects of Nabokov's humour Examines the sexual and scatological aspects of Nabokov's humour Applies humour theory e.g. those of Hobbes Bergson Freud to Nabokov's texts Compares Nabokov's humour to that of his Russian predecessors e.g. Pushkin Gogol Chekhov and to literary humourists such as Rabelais Swift Joyce Many critics classify Vladimir Nabokov as a highbrow humourist a refined wordsmith overly fond of playful puzzles and private in jokes whose art appeals primarily to an intellectually sophisticated readership This study presents a more balanced portrait placing equal emphasis on the broader earthier humour that is such a marked feature of Nabokov's writing which draws on the human body and all things physical for its laughs sex and scatology farce and slapstick Moving between the metaphysical and the physical the cosmic and the comic mind and matter it presents Nabokov as a writer at home in both high and low forms of humour a comedian who is capable of producing as many belly laughs as brainteasers and of appealing to a much wider readership than is commonly supposed Sexual

Humour in Africa Ignatius Chukwumah, 2022-03-30 This book examines the types discourse modes and effects of sex jokes in different African contexts in a range of different cultural forms from the internet to music books films advertising and images thus filling the existing void in literature on the subject Arguing that sex jokes are used to perform a number of functions in African society the contributors show how they can be used to perpetuate violence against women construct spaces resist oppression create conformity build affiliations and subvert morality They consider jokes from Egypt Ghana Nigeria Kenya and Zambia in a range of forms including queer sex jokes rape jokes performed sex jokes gendered humour and resistance sex humour The book places particular emphasis on the impact of new media platforms and the anonymity they provide Providing an important analysis of this tabooed but culturally important facet of everyday life this book will be of interest to scholars of African culture and society from a range of disciplines including anthropology gender studies literary studies and sociology

Framing the Sex Scene: A New Take on Israeli Film History Naomi Rolef, 2021-02-22 This book retells the history of Israeli film in the 1960s and 1970s in sex scenes Through close readings of the first sex scenes in mainstream Israeli movies from this period it explores the cultural and social contexts in which these movies were made More specifically it discusses how notions of collective identity individual agency and the public and private spheres are inscribed into and negotiated in sex scenes especially in light of the historical events that marked these decades This study thus pushes away from the traditional academic perception of Israeli film and opens up new ways of understanding how it has developed in recent decades It draws on a growing international body of academic literature on the cinematic representation of sex in order to illuminate the particularities of the Israeli context in the 1960s and 1970s Apart from film scholars and scholars of

Israeli film this study also addresses readers interested in Israeli cultural history more broadly

Semantic Mechanisms of Humor V. Raskin, 2012-12-06 GOAL This is the funniest book I have ever written and the ambiguity here is deliberate Much of this book is about deliberate ambiguity described as unambiguously as possible so the previous sentence is probably the first last and only deliberately ambiguous sentence in the book Deliberate ambiguity will be shown to underlie much if not all of verbal humor Some of its forms are simple enough to be perceived as deliberately ambiguous on the surface in others the ambiguity results from a deep semantic analysis Deep semantic analysis is the core of this approach to humor The book is the first ever application of modern linguistic theory to the study of humor and it puts forward a formal semantic theory of verbal humor The goal of the theory is to formulate the necessary and sufficient conditions in purely semantic terms for a text to be funny In other words if a formal semantic analysis of a text yields a certain set of semantic properties which the text possesses then the text is recognized as a joke As any modern linguistic theory this semantic theory of humor attempts to match a natural intuitive ability which the native speaker has in this particular case the ability to perceive a text as funny i.e. to distinguish a joke from a non joke Ethnologia Europaea 29 : 1 Orvar Löfgren, 1971 *It's a Funny Thing, Humour* Antony J. Chapman, Hugh C. Foot, 2013-10-22 It's a Funny Thing Humour contains the papers presented at the International Conference on Humor and Laughter held in Cardiff in July 1976 The symposium provides a platform from which authors from different professional and personal background can talk about their own definition and analysis of humor The book is structured into 10 main sections that reflect the structure of the conference and presents various studies and research on the nature of humor and laughter Contributions range from theoretical discussions to practical and experimental expositions Topics on the psychoanalytical theory of humor and laughter the nature and analysis of jokes cross cultural research of humor mirth measurement and humor as a tool of learning are some of the topics covered in the symposium Psychologists sociologists teachers communication experts psychiatrists and people who are curious to know more about humor and laughter will find the book very interesting and highly amusing Sex Or Symbol? Catherine Johns, 2000 First published in 2000 Routledge is an imprint of Taylor Francis an information company *Philosophizing About Sex* Laurie J. Shrage, Robert Scott Stewart, 2015-01-20 Ancient Greek philosophers medieval theologians Enlightenment thinkers and contemporary humanists alike have debated all aspects of human sexuality including its purpose permissibility normalcy and risks Philosophizing About Sex provides a philosophical guide to those longstanding and important debates Each chapter takes a general issue freedom privacy objectification etc and shows how ongoing public discussions of sexuality can be illuminated by careful philosophical investigation Debates over topics such as sexual assault sexual orientation sex education prostitution and sexting involve larger questions about morality law science and politics and cannot be intelligently discussed in isolation from broader issues By asking deceptively simple questions this book shows how difficult but important it is to arrive at satisfying answers

The Emotional and Sexual Lives of Older People H. B. Gibson, 2013-12-14 *The*

Language of Jokes in the Digital Age Delia Chiaro, 2017-11-23 In this accessible book Delia Chiaro provides a fresh overview of the language of jokes in a globalized and digitalized world The book shows how while on the one hand the lingua cultural nuts and bolts of jokes have remained unchanged over time on the other the time space compression brought about by modern technology has generated new settings and new ways of joking and playing with language The *Language of Jokes in the Digital Age* covers a wide range of settings from social networks e mails and memes to more traditional fields of film and TV especially sitcoms and game shows and advertising Chiaro s consideration of the increasingly virtual context of jokes delights with both up to date examples and frequent reference to the most central theories of comedy This lively book will be essential reading for any student or researcher working in the area of language and humour and will be of interest to those in language and media and sociolinguistics

Online Sex Talk and the Social World Chrystie Mykietiak, 2020-10-09 This book develops a feminist and queer linguistic account of the construction of sex sexuality and desire through a linguistic and discursive analysis of naturally occurring sex talk from an online community Critical discourse analysis is used to analyse a corpus of data drawn from incidental sex talk observed in the community over the course of an 18 month period Sub types of sex talk that are examined include cybersex self disclosure confidences joking games flirting and automated sexual commands that generate sex between participants The book will be of use to students and researchers interested in the language of gender and sexuality as well as feminist and queer accounts of technology and sexual communication

Lyons, 2012-12-01 Placing sexual culture at the center of power relations in Revolutionary era Philadelphia Clare A Lyons uncovers a world where runaway wives challenged their husbands patriarchal rights and where serial and casual sexual relationships were commonplace By reading popular representations of sex against actual behavior Lyons reveals the clash of meanings given to sex and illuminates struggles to recast sexuality in order to eliminate its subversive potential Sexuality became the vehicle for exploring currents of liberty freedom and individualism in the politics of everyday life among groups of early Americans typically excluded from formal systems of governance women African Americans and poor classes of whites Lyons shows that men and women created a vibrant urban

pleasure culture including the eroticization of print culture as eighteenth century readers became fascinated with stories of bastardy prostitution seduction and adultery In the post Revolutionary reaction white middle class men asserted their authority Lyons argues by creating a gender system that simultaneously allowed them the liberty of their passions constrained middle class women with virtue and projected licentiousness onto lower class whites and African Americans Lyons s analysis shows how class and racial divisions fostered new constructions of sexuality that served as a foundation for gender This gendering of sexuality in the new nation was integral to reconstituting social hierarchies and subordinating women and African Americans in the wake of the Revolution

The Humour Of Sex Introduction

In today's digital age, the availability of The Humour Of Sex books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Humour Of Sex books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Humour Of Sex books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Humour Of Sex versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Humour Of Sex books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Humour Of Sex books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Humour Of Sex books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural

artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Humour Of Sex books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Humour Of Sex books and manuals for download and embark on your journey of knowledge?
