**From Heaven to My Heart** Beverly Jane Phillips, 2011-01-31. Beverly Jane Phillips grew up in a Christian family, married a minister, and served with him in four separate parishes. She was one of the first women in the Presbyterian Church to earn a master of divinity degree. But even during this amazing life, Beverly had trials and days when she did not feel her Lord by her side. She had days when she felt doubt, sometimes even despair. To combat these days of darkness and bring her closer to God, Beverly began a daily prayer journal. For over thirty years, she wrote her morning prayers in spiral notebooks; these became the basis for *From Heaven to My Heart*, a collection of prayers from an ordinary Christian woman who lived an extraordinary life. Beverly's transparency about her own spiritual journey not only enlightens but also encourages sharing the message that even the devout encounter moments of difficulty in their faith. Through those difficulties, difficulty arises, inspiration, insight, wisdom, and faith in an everlasting benevolent creator. Whether you are interested in beginning a journey with God or seeking encouragement to continue, *From Heaven to My Heart* will become a valued companion.

**The Transformed Heart** Zanzig, Tom, 2017-04-20. **Rebel Heart** Moira Young, 2012-10-30. Nothing is certain, and no one is safe in the second book in the highly praised *Dust Lands* trilogy, which MTV's *Hollywood Crush* blog called better than *The Hunger Games*. It seemed so simple: Defeat the Tonton, rescue her kidnapped brother Lugh, and then order would be restored to Saba's world. Simplicity, however, has proved to be elusive. Now Saba and her family travel west, headed for a better life and a longed-for reunion with Jack. But the fight for Lugh's freedom has unleashed a new power in the dust lands, and a formidable new enemy is on the rise. What is the truth about Jack? And how far will Saba go to get what she wants? In this much anticipated follow-up to the riveting *Blood Red Road*, a fierce heroine finds herself at the crossroads of danger and destiny, betrayal and passion.

*Worries of the Heart* Kenda Mutongi, 2008-09-15 Growing up in the Maragoli community in Kenya Kenda Mutongi encountered a perplexing contradiction While the young teachers at her village school railed against colonialism many of her elders including her widowed mother praised their former British masters In this moving book Mutongi explores how both the challenges and contradictions of colonial rule and the frustrations and failures of independence shaped the lives of Maragoli widows and their complex relations with each other their families and the larger community Throughout the twentieth century and into the twenty first rates of widowhood have been remarkably high in Kenya Yet despite their numbers widows and their families exist at the margins of society and their lives act as a barometer for the harsh realities of rural Kenya Mutongi here argues that widows survive by publicly airing their social economic and political problems their worries of the heart Initially aimed at the men in their community and then their colonial rulers this strategy changed after independence as widows increasingly invoked the language of citizenship to demand their rights from the new leaders of Kenya leaders whose failure to meet the needs of ordinary citizens has led to deep disenchantment and altered Kenyans view of their colonial past An innovative blend of ethnography and historical research *Worries of the Heart* is a poignant narrative rich with insights into postcolonial Africa
