The Illusion An Essay On Politics Theatre The Novel:

The Illusion; an Essay on Politics, Theatre, and the Novel David Caute,1972 The Reflexive Novel Michael Boyd,1983 Interrogating the basic assumptions of realism this study examines the postmodern phenomenon of fiction as the presentation of theories of fiction The writers critically examined include Nabokov Woolf Conrad Faulkner Joyce and Beckett

Carlos Fuentes Robert Brody,Charles Rossman,2014-02-20 Carlos Fuentes is a master of modern world literature With the translation of his major works into English and other languages his reputation has surpassed the boundaries of his native Mexico and of Hispanic literature and has become international Now each new novel stimulates popular and scholarly reviews in periodicals from Mexico City and Buenos Aires to Paris and New York Carlos Fuentes A Critical View is the first full scale examination in English of this major writer s work The range and diversity of this critical view are remarkable and reflect similar characteristics in the creative work of Carlos Fuentes a man of formidable intellectual energy and curiosity The whole of Fuentes work is encompassed by Luis Leal as he explores history and myth in the writer s narrative Insightful new views of single works are provided by other well known scholars such as Roberto Gonz lez Echevarra a writing on Fuentes extraordinary Terra Nostra and Margaret Sayers Peden exploring Distant Relations for which she served as authorized translator Here too are fresh approaches to Fuentes other novels among them Where the Air Is Clear Aura and The Hydra Head as well as an examination by John Brushwood of the writer s short fiction and a look by Merlin Forster at Fuentes the playwright Lanin Gyurko reaches outside Fuentes canon for his fascinating study of the influence of Orson Welles Citizen Kane on The Death of Artemio Cruz Manuel Dur n and George Wing consider Fuentes in his role as critic of both literature and art Carlos Fuentes A Critical View has been prepared with the writer s many English speaking readers in mind Quotations are most frequently from standard readily available English translations of Fuentes works A valuable chronology of the writer s life rounds off the volume

The Dancer Defects David Caute,2003-09-04 The cultural Cold War between the Soviet Union and the West was without precedent At the outset of this original and wide ranging historical survey David Caute establishes the nature of the extraordinary cultural competition set up post 1945 between Moscow New York London and Paris with the most intimate frontier war staged in the city of Berlin Using sources in four languages the author of *The Fellow Travellers* and *The Great Fear* explores the cultural Cold War as it rapidly penetrated theatre film classical music popular music ballet painting and sculpture as well as propaganda by exhibition Major figures central to Cold War conflict in the theatre include Brecht Miller Sartre Camus Havel Ionesco Stoppard and Konstantin Simonov whose inflammatory play *The Russian Question* occupies a chapter of its own based on original archival research Leading film directors involved included Eisenstein Romm Chiarueli Aleksandrov Kazan Tarkovsky and Wajda In the field of music the Soviet Union in the Zhdanov era vigorously condemned modernism formalism and the avant garde A chapter is devoted to the intriguing case of Dmitri Shostakovich and the disputed authenticity of his autobiography *Testimony* Meanwhile in the

West the Congress for Cultural Freedom was sponsoring the modernist composers most vehemently condemned by Soviet music critics Stravinsky Schoenberg Hindemith among them Despite constant attempts at repression the Soviet Party was unable to check the appeal of jazz on the Voice of America then rock music to young Russians Visits to the West by the Bolshoi and Kirov ballet companies the pride of the USSR were fraught with threats of cancellation and the danger of defection Considering the case of Rudolf Nureyev Caute pours cold water on overheated speculations about KGB plots to injure him and other defecting dancers Turning to painting where socialist realism prevailed in Russia and the impressionist heritage was condemned Caute explores the paradox of Picasso's membership of the French Communist Party Re-assessing the extent of covert CIA patronage of abstract expressionism Pollock De Kooning Caute finds that the CIA's role has been much exaggerated likewise the dominance of the New York School Caute challenges some recent one-dimensional American accounts of Cold War culture which ignore not only the Soviet performance but virtually any cultural activity outside the USA The West presented its cultural avant-garde as evidence of liberty even though monochrome canvases and dodecaphonic music appealed only to a minority audience Soviet artistic standards and teaching levels were exceptionally high but the fear of freedom and innovation virtually guaranteed the moral defeat which accelerated the collapse of the Soviet Union

The Oxford English Literary History: Volume 12: The Last of England? Randall Stevenson, 2005-11-10 English Literature in the 1960s soon threw off its post-war weariness and the tepid influences of the previous decade New voices new visions and new commitments profoundly reshaped writing during the 60s and throughout the rest of the century Drama thrived on its rapidly rebuilt foundations New freedoms of style and form revitalised fiction Poetry too gradually recovered the variety and inventiveness of earlier years As well as comprehensively charting these changes in the literary field Randall Stevenson persuasively pinpoints their origins in the historical social and intellectual pressures of the times Literary developments are revealingly related to the wider evolution and profound changes in English experience in the late twentieth century to shadows of war and loss of empire declining influences of class shifting relations between the genders emergent minority and counter-cultures and the broadening democratization of contemporary life in general Analyses of the rise of literary theory of publishing and the book trade and of the pervasive influences of modernism and postmodernism contribute further to an impressively thorough insightful description of writing in the later twentieth century a literary period Stevenson shows to be far more imaginative and exciting than has yet been recognised Lucid accessible and engaging this volume of the Oxford English Literary History presents a unique illumination of its age one we have lived through but are only just beginning to understand The first full account of its period it will set the agenda for discussion of late twentieth century literature for many years to come

Alchemists of Human Nature Petteri Pietikainen, 2015-10-06 A study of Modernist utopias of the mind This book examines the psychodynamic writings of Otto

Gross C G Jung Wilhelm Reich and Erich Fromm It argues utopianism became increasingly important to the fundamental ambitions of all four thinkers and places the utopian impulse with the historical context of the early twentieth century

Post-Marxist Theory Philip Goldstein,2012-02-01 Poststructuralist Marxism or post Marxism is a theoretical viewpoint that elaborates and revises the work of Louis Althusser and Michel Foucault Unlike traditional Marxism which emphasizes the priority of class struggle and the common humanity of oppressed groups post Marxism reveals the sexual racial class and ethnic divisions of modern Western society This book surveys the different versions of post Marxist theory the economic theory of Stephen Resnick and Richard Wolff the historical methodology of Michel Foucault the political theory of Ernesto Laclau and Chantal Mouffe the feminism of Judith Butler the materialist philosophy of Pierre Macherey and the cultural studies of Tony Bennett and John Frow Providing a coherent framework for these otherwise quite divergent theorists Philip Goldstein outlines the history of Marxist philosophical or theoretical views and explains how they all count as post Marxist

Marxism and Modernism Eugene Lunn,2023-04-28 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1982 **The Arab World** Halim Barakat,1993-10-14 This wide ranging examination of Arab society and culture offers a unique opportunity to know the Arab world from an Arab point of view Halim Barakat an expatriate Syrian who is both scholar and novelist emphasizes the dynamic changes and diverse patterns that have characterized the Middle East since the mid nineteenth century The Arab world is not one shaped by Islam nor one simply explained by reference to the sectarian conflicts of a mosaic society Instead Barakat reveals a society that is highly complex with many and various contending polarities It is a society in a state of becoming and change one whose social contradictions are at the root of the struggle to transcend dehumanizing conditions Arguing from a perspective that is both radical and critical Barakat is committed to the improvement of human conditions in the Arab world **Metafictional Characters in Modern Drama** June Schlueter,1979 **Gender, Fantasy, and Realism**

in American Literature Alfred Habegger,1982 In this study of the 19th century American novel the author demonstrates the imaginative continuity between sentimental and realistic fiction and sets out to establish that realism is the central and preeminent literary type in America a mode grounded in the tradition of women s popular fiction which shaped the nation s reading habits in the mid 19th century He examines this feminine literature with its common technique of symbolizing deeper social conflicts through patterns of courtship marriage and gender roles Contends that Howells and James owe much of their fictional domain to the often disparaged household dramas of these female precursors *The Artist as a Dramatic Character* Majeed Mohammed Midhin,2025-09-10 The use of the artist does not necessarily reflect the playwrights themselves it may be further used to talk about social economic and political situations It has acquired deep significance as it

is used as a veneer to criticise the political ruling party throughout its history This book represents a significant contribution to the literature in general and that of theatre and performance in particular by using a tranche of previously unused primary source material to examine the use of the artist and the key role he she has played in those three decades Its findings are heavily based on new primary sources including interviews with the three playwrights themselves Its unique selling points are therefore that it will be the only book to have examined three playwrights over three decades with reference to some more recent artists from the Middle East especially Iraqi The book s primary audience will be academics particularly students of English literature history and performance studies It will prove a useful secondary text across undergraduate and postgraduate courses on the politics of text analysis which are offered by most US British Australian and Middle Eastern universities and which continue to attract large numbers of students

The Production of Political Television Michael Tracey,2023-12-22 The Production of Political Television 1977 is a study of the organization and methods of production of political television that covers not only news broadcasts and current affairs programmes but all programmes involved with the policy making process in Britain It examines the procedures by which producers put their programmes together and analyses the impact of external institutions on the programme making process

The Fable as Literature H. J. Blackham,2014-01-13 This is a study of a curious and neglected facet of literature in which the author traces the development and the uses of fable in Euopean literature from Aesop and the Greeks to the revival of fable in contemporary fiction This is the first serious study of fable in literature

The Thematics of Commitment Peter Maxwell Cryle,2014-07-14 Viewing thematic writing as the differentiation and elaboration of cultural knowledge P M Cryle applies this new kind of thematics to the commitment most often mentioned by literary critics in connection with existentialist literature Originally published in 1985 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Black Intellectuals William M.
