The Children's Illustrated Bible Primer with Commentary Karen Pansler Lam M.A. J.D., 2018-08-08 The Bible. No other book in the world has the power to nourish and inspire, to mold and to guide the life of a child. Even the youngest child who hears or reads Scripture is drawn toward our loving heavenly Father and our tender and affectionate Savior who loves little children and calls them to come to Him. The Children's Illustrated Bible Primer with Commentary is an alphabet of lessons for young children who are beginning to read and children beginning to read the Bible. The book uses the fine arts to teach the Bible with beauty and reverence. Through pictures, comments, stories, and music, children are taught to understand and appreciate the Word of God. Each letter of the alphabet has a Scripture followed by a brief commentary in plain and simple words. Scriptures are from the King James Bible because it is praised as a literary masterpiece. The commentary is illustrated by a beautiful color picture. It is a fact that children become more interested in and remember

longer information that is illustrated The comments include some of the fundamental doctrines of the Gospel and practical application to young children s lives At the end of each lesson is a suggested song to reinforce the teaching of the Scripture The Bible Primer with Commentary encourages children to love God and lovingly obey his Word It is full of sound guidance for everyday life and hope and joy It is valuable not only as a book for teaching children to read or beginning to read the Bible but also as a children s devotional or a book that may be read aloud at family worship It is also valuable as a beginning textbook for home school Christian school children s Sunday school or other Christian settings Children will be blessed each time they hear or read it     *The Book of Exodus* ,2007 In graphic novel format presents the Book of Exodus taken from the International Children s Bible
