**The Rock Canon** Carys Wyn Jones, 2017-07-05 Canons are central to our understanding of our culture and yet in the last thirty years there has been much conflict and uncertainty created by the idea of the canon In essence the canon comprises the works and artists that are widely accepted to be the greatest in their field Yet such an apparently simple construct embodies a complicated web of values and mechanisms Canons are also inherently elitist however Carys Wyn Jones here explores the emerging reflections of values terms and mechanisms from the canons of Western literature and classical music in the reception of rock music Jones examines the concept of the canon as theorized by scholars in the fields of literary criticism and musicology before moving on to search for these canonical facets in the reception of rock music as represented by ten albums Bob Dylan s Highway 61 Revisited The Beach Boys Pet Sounds The Beatles Revolver The Velvet Underground s The Velvet Underground Nico Van Morrison s Astral Weeks Marvin Gaye s What s Going On The Rolling Stones Exile on Main St Patti Smith s Horses The Sex Pistols Never Mind the Bollocks Here s the Sex Pistols and Nirvana s Nevermind Jones concludes that in the reception of rock music we are not only trying to organize the past but also mediate the present and any canon of rock music must now negotiate a far more pluralized culture and possibly accept a greater degree of change than has been evident in the canons of literature and classical music in the last two centuries

**Captain Beefheart's Trout Mask Replica** Kevin Courrier, 2007-03-23 In the spring of 1969 the inauspicious release of Captain Beefheart and the Magic Band s Trout Mask Replica a double album featuring 28 stream of consciousness songs filled with abstract rhythms and guttural bellows dramatically altered the pop landscape Yet even if the album did cast its radical vision over the future of music much of the record s artistic strength is actually drawn from the past This book examines how Beefheart s incomparable opus an album that divided rather than united a pop audience is informed by a variety of diverse sources Trout Mask Replica is a hybrid of poetic declarations inspired by both Walt Whitman and the beat poets the field hollers of the Delta Blues the urban blues of Howlin Wolf the gospel blues of Blind Willie Johnson and the free jazz of Ornette Coleman This book illustrates how Trout Mask Replica was

not so much an arcane specimen of the avant garde but rather a defiantly original declaration of the American imagination
