A. Carson,2007 Provides pastors and students with expert guidance on choosing a commentary for any book of the New Testament     **A Popular Survey of the New Testament** Norman L. Geisler,2014-09-09 Understanding the New Testament is a daunting but exciting task Our world is so different from that of the first century Yet it is important to understand the context and content of the New Testament if we are to be faithful followers Now in paper this survey addresses the who what

where when why and how questions that readers of the Bible may have such as How can we tell if what is written in the New Testament is true history or just mythology When were these books written and why and What can today's believers get out of letters addressed to people who lived two millennia ago Written in an easy informal style this survey is accessible and enjoyable to anyone who wants to better understand the New Testament
