A Simple No Nonsense Alcohol Addiction Treatment Plan (The Twelve Steps of Alcoholics Anonymous to End Alcohol Addiction) Jose Whitener, Alcohol consumption is common in many cultures around the world and the effects vary between individuals If your drinking habit is bringing about difficulties in your life then you have a drinking problem For many it may be hard to know when the fine line separating moderate alcohol usage and alcoholism has been crossed you can t solve a problem you don t see is a popular saying and it resonates with alcoholism as well You first have to understand the signs of alcoholism and alcohol dependence before you can make moves or efforts geared at overcoming it Here is a preview of what you ll learn The truth about alcoholism and why it can be overcome faster than you thought possible The signs of alcoholism and what would constitute someone as an alcoholic The simple treatment plan that is guaranteed to work as long as it is followed Why once you get past the first steps the rest becomes a lot easier How to maintain your sobriety to ensure you never become addicted again Alcohol addiction has negative effects on all aspects of your life from everyday functions of your mind and body to dealing with others at work or in social settings Having the burden of this addiction can bring you to your knees with the weight of the mental and physical problems that it brings with it But there is hope to regain control of your urges and cravings Once you choose to no longer be a servant to your addiction you have taken the first step to taking back the life that alcohol has deprived you The British Journal of Inebriety (alcoholism and Drug Addiction) ,1917 Contains papers read at the quarterly meetings of the society and extracts from the discussions following them with other communications dealing with alcohol and alcoholism **Alcohol Use Disorders** Hiram E. GERARD ASSEY,2021-07-21 The Covid pandemic has probably been one of the worst crises for many Besides seeing many of their close ones losing their lives right under their very nose the agony of losing jobs with less or no income flowing in social isolation at home has naturally caused spells of mental health concerns causing undue and heavy depression and anxieties for countless lives This depression can arise as a result of a sudden shift in a person s life the sudden loss of a loved one the sudden termination of a job or the uncertainty over what the future holds And the easiest way for many to escape or according to them cope with this depression is through the means of alcohol or drugs to numb or ease the pain they may be feeling or going through For many others the thought that drinking alcohol may seem harmless at first but drinking alcohol doesn t stop with that first drink You re at a party wanting to have some fun you drink a beer or you are probably tired from a long workday and have a glass of wine to unwind or just relax it out you re struggling through some life challenges like finances family job etc you re feeling lonely sad confused you have one drink just to get your mind off life for a while For many people this is how alcoholism starts that one drink leads to another then another and before you know it you re completely dependent upon alcohol to get through your day or any other situation in life Further to make matters worse in today s society we are bombarded with pictures TV shows movies and music that literally promote that consuming alcohol as someone being adventurous glamorous fun and cool that can tempt youngsters into being lured into this vice Regular consumption of alcohol disrupts the balance of certain chemicals in the brain disorganizing the thinking process and over time months for some and years for others continuous alcohol use significantly alters these chemicals in the brain causing the body to crave more and more alcohol Many alcoholics have trouble keeping a job while others are unable to cope with family dynamics or social situations in a healthy manner Many people who consume too much alcohol feel ashamed and withdraw from relationships in order to keep their addiction secret Every year alcoholism results in thousands of unnecessary deaths millions of failed relationships and countless mental and physical health problems Sadly millions of people die from alcoholism or alcohol poisoning each year And to add to this all Alcoholism not only affects the alcoholic alcoholism takes a toll on all of the people in an alcoholic s life family friends coworkers neighbors and others Often people in an alcoholic s life feel helpless as to how to help their loved one and feel hopeless and helpless as to whether or not an alcoholic loved one can be saved If you re worried that someone you know has an alcohol addiction it s best to approach them in a supportive way Avoid shaming them or making them feel guilty This could push them away and make them more resistant to your help We experienced countless stories of wives and children that would come into every service of ours weeping asking us to pray for their husbands Many of these came from areas where illicit alcohol was being sold and this caused immense damages to the individual as well as their families sometimes even leading to loss of lives or being

bedridden forever This would move my heart so much as we would prayer for such cases and soon we started receiving testimonies of turn arounds that brought such joy So here s the Good News Reformation Renewal and Restoration from Alcoholism Behind every affliction is a wicked spirit and as children of God we need to understand that the devil will stop at nothing to mess our salvation and destroy lives It is the spirit that is behind the ruination of many lives and families shattering breaking and devastating homes But as Christians we believe in and serve a God of the impossible But will it be easy Certainly not It would require changes in lifestyles but as in Matthew 19 26 With God all things are possible We serve a God who can do anything in our lives anything God is just waiting for you to come to Him with this problem this addiction God is able to deliver you completely by cleansing sanctifying and justifying you I Corinthians 6 9 11 Though alcohol abuse is a failing of the flesh Galatians 5 19 21 the Holy Spirit can and will produce the self control you need to overcome it Galatians 5 22 23 In our weakness HE is our strength and through HIS mighty restoration power in and through you HE can not only enable you recover from alcohol but also Reform Renew Restore all the years time relationship and everything else lost Remember that we are saints according to God s Word Ephesians 1 and that true freedom comes from realizing our true identity in Christ So come to Him today Alcoholism P.
