Gorges identifies values that are useful for all of us taking time to slow down and enjoy the process embracing failure knowing when to stop and when to push through and accepting that perfection is an illusion Most of all A Craftsman s Legacy shows how all of us can embrace a more creative and authentic life and learn to focus on doing what we love Makers Janet Koplos,Bruce Metcalf,2010-07-31 Here is the first comprehensive survey of modern craft in the United States Makers follows the development of studio craft objects in fiber clay glass wood and metal from its roots in nineteenth century reform movements to the rich diversity of expression at the end of the twentieth century More than four hundred illustrations complement this chronological exploration of the American craft tradition Keeping as their main focus the objects and the makers Janet Koplos and Bruce Metcalf offer a detailed analysis of seminal works and discussions of education institutional support and the philosophical underpinnings of craft In a vivid and accessible narrative they highlight the value of physical skill examine craft as a force for moral reform and consider the role of craft as an aesthetic alternative Exploring craft s relationship to fine arts and design Koplos and Metcalf foster a critical understanding of the field and help explain craft s place in contemporary culture Makers will be an indispensable volume for craftspeople curators collectors critics historians students and anyone who is interested in American craft *Handplane Essentials, Revised & Expanded* Christopher Schwarz,2017-08-10 Everything you need to use your handplanes No woodworking tool is more satisfying quick and precise to use than a handplane Planes can process timber in its rough state bring boards up to a glimmering smoothness cut rabbets dados grooves and other joints and trim wood with a precision that has yet to be matched by power tools Yet many woodworkers both beginners and professionals are intimidated by handplanes This book is here to set the record straight Handplane Essentials contains everything you need to choose the right plane for your project and for your budget sharpen it and use it successfully Compiled from more than 15 years of the author s writings on the subject of handplanes in magazines trade journals and blogs this book is an indispensable guide for woodworkers This revised edition includes 14 new articles as well as new and updated tool reviews **In the Background** Bill Tarling,1995-10-01 In the Background gives advice on courses and casting and how to prepare before shooting begins It describes the joy and the fear the pleasures and the pain the challenge and the boredom of life on set Wardrobe taxes files resumes the myriad details of the performer s life here are practical details and information that can make the professional difference The Maker's Hand Edward S. Cooke,Gerald W. R. Ward,2003 Published in conjunction with the exhibition organized by the Museum of Fine Arts Boston in collaboration with The Furniture Society from November 12 2003 to February 8 2004 Hand Tool Essentials Popular Woodworking,2007-05-23 Hand and Power Tools Work Best Together In today s world of more power is better it s easy to overlook the value of hand tools What most woodworker s don t realize is that combining both hand and power tool worlds is the best way to produce the highest quality woodworking In Hand Tool Essentials you ll learn how to choose and use hand tools for chopping cutting paring sawing marking drilling and more Many of the tools are familiar but others will surprise you

with their usefulness Though they ve been around for hundreds or thousands of years these tools have gotten lost in the rush of the industrial revolution Rediscovering the value of these tools in your woodworking will also give you a better understanding of how your power tools work But this book is more than about how to use hand tools It s about using hand tools in balance with power tools to save you time provide a more pleasant woodworking experience and ultimately give you a better woodworking project

Fine Woodworking ,2005 Museum Objects, Health and Healing Brenda Cowan,Ross Laird,Jason McKeown,2019-10-02 Museum Objects Health and Healing provides an innovative and interdisciplinary study of the relationship between objects health and healing Shedding light on the primacy of the human need for relationships with objects the book explores what kind of implications these relationships might have on the exhibition experience Merging museum and object studies as well as psychotherapy and the psychology of well being the authors present a new theory entitled Psychotherapeutic Object Dynamics which provides a cross disciplinary study of the relationship between objects health and well being Drawing on primary research in museums psychotherapeutic settings and professional practice throughout the US Canada Bosnia Herzegovina and the UK the book provides an overview of the theory s origins the breadth of its practical applications on a global level and a framework for further understanding the potency of objects in exhibitions and daily life Museum Objects Health and Healing will be essential reading for academics researchers and postgraduate students interested in museum studies material culture mental health psychotherapy art therapies and anthropology It should also be valuable reading for a wide range of practitioners including curators exhibition designers psychologists and psychotherapists
