The Incomparable Rex:

The Incomparable Rex Patrick Garland, 1998 *The Incomparable Rex* Patrick Garland, 1998 The Incomparable Rex Patrick Garland, 2001-07-01 The well known English director chronicles his relationship with Rex Harrison the egotistical but charismatic actor who portrayed Professor Henry Higgins in *My Fair Lady* Reprint *The Oxford Book of Theatrical Anecdotes* Gyles Brandreth, 2020-10-08 This is the ultimate anthology of theatrical anecdotes edited by lifelong theatre lover Gyles Brandreth in the Oxford tradition and covering every kind of theatrical story and experience from the age of Shakespeare and Marlowe to the age of Stoppard and Mamet from Richard Burbage to Richard Briers from Nell Gwynn to Daniel Day Lewis from Sarah Bernhardt to Judi Dench Players playwrights prompters producers they all feature The Oxford Book of Theatrical Anecdotes provides a comprehensive revealing and hugely entertaining portrait of the world of theatre across four hundred years Many of the anecdotes are humorous all have something pertinent and illuminating to say about an aspect of theatrical life whether it is the art of playwriting the craft of covering up missed cues the drama of the First Night the nightmare of touring or the secret ingredients of star quality Edmund Kean Henry Irving John Gielgud Laurence Olivier Ellen Terry Edith Evans Maggie Smith Helen Mirren the great names are all here of course but there are tales of the unexpected too and the unknown This is a book presented in five acts with a suitably anecdotal and personal prologue from Gyles Brandreth where once in a while the understudy takes centre stage and Gyles Brandreth treats triumph and disaster just the same including stories from the tattiest touring companies as well as from Broadway the West End and theatres large and small in Australia India and across Europe The Musical William Everett, 2004-12-01 First published in 2005 Routledge is an imprint of Taylor Francis an informa company *Loverly* Dominic McHugh, 2012-06-08 Few musicals have had the impact of Lerner and Loewe's timeless classic *My Fair Lady* Sitting in the middle of an era dominated by such seminal figures as Rodgers and Hammerstein Frank Loesser and Leonard Bernstein *My Fair Lady* not only enjoyed critical success similar to that of its rivals but also had by far the longest run of a Broadway musical up to that time From 1956 to 1962 its original production played without a break for 2 717 performances and the show went on to be adapted into one of the most successful movie musicals of all time in 1964 when it won eight Academy Awards Internationally the show also broke records in London and the original production toured to Russia at the height of the Cold War in an attempt to build goodwill It remains a staple of the musical theater canon today an oft staged show in national regional and high school theaters across the country Using previously unpublished documents author Dominic McHugh presents a completely new behind the scenes look at the five year creation of the show revealing the tensions and complex relationships that went into its making McHugh charts the show from the aftermath of the premiere of Shaw's *Pygmalion* and the playwright's persistent refusal to allow it to be made into a musical through to the quarrel that led lyricist Alan Jay Lerner and composer Frederick Loewe to part ways halfway through writing the show up to opening night and through to the present This book is the first to

shed light on the many behind the scenes creative discussions that took place from casting decisions all the way through the final months of frantic preparation leading to the premiere in March 1956 McHugh also traces sketches for the show looking particularly at the lines cut during the rehearsal and tryout periods to demonstrate how Lerner evolved the relationship between Higgins and Eliza in such a way as to maintain the delicate balance of ambiguity that characterizes their association in the published script He looks too at the movie version and how the cast album and subsequent revivals have influenced the way in which the show has been received Overall this book explores why *My Fair Lady* continues to resonate with audiences worldwide more than fifty years after its premiere

Her Turn on Stage Grace Barnes, 2015-07-04 Audiences for musical theater are predominantly women yet shows are frequently created and produced by men Onstage female characters are depicted as victims or sex objects and lack the complexity of their male counterparts Offstage women are under represented among writers directors composers and choreographers While other areas of the arts rally behind gender equality musical theater demonstrates a disregard for women and an authentic female voice If musical theater reflects prevailing societal attitudes what does the modern musical tell us about the place of women in contemporary America the UK and Australia Are women deliberately kept out of musical theater by men jealously guarding their territory or is the absence of women a result of the modernization of the genre Based on interviews with successful female performers writers directors choreographers and executives this book offers a unique female viewpoint on musical theater today

15 of the most spectacular movie megaflops of the past 50 years such as *Cleopatra* *The Cotton Club* and *Waterworld* He recounts in every gory detail how enormous hubris unbridled ambition artistic hauteur and bad business sense on the parts of Tinsel Town wheeler dealers and superstars such as Elizabeth Taylor Clint Eastwood and Francis Ford Coppola conspired to engender some of the worst films ever George Cukor's People Joseph McBride, 2024-12-17 The director of classic films such as *Sylvia* *Scarlett* *The Philadelphia Story* *Gaslight* *Adam's Rib* *A Star Is Born* and *My Fair Lady* George Cukor is widely admired but often misunderstood Reductively stereotyped in his time as a woman's director a thinly veiled disparaging code for gay he brilliantly directed a wide range of iconic actors and actresses including Cary Grant Greta Garbo Spencer Tracy Joan Crawford Marilyn Monroe and Maggie Smith As Katharine Hepburn the star of ten Cukor films told the director All the people in your pictures are as goddamned good as they can possibly be and that's your stamp In this groundbreaking lavishly illustrated critical study Joseph McBride provides insightful and revealing essayistic portraits of Cukor's actors in their most memorable roles The queer filmmaker gravitated to socially adventurous subversively rule breaking audacious dreamers who are often sexually transgressive and gender fluid in ways that seem strikingly modern today McBride shows that Cukor's seemingly self-effacing body of work is characterized by a discreet way of channeling his feelings through his actors He expertly cajoled actors usually gently but sometimes with bracing harshness to delve deeply into emotional areas they tended to keep safely hidden Cukor's wry wit his keen sense of psychological and social observation his charm and irony and his toughness and resilience kept him active for more than five decades in Hollywood George Cukor's *People* gives him the in-depth multifaceted examination his rich achievement deserves **Lerner and Loewe's My Fair Lady** Keith Garebian, 2016-09-13 An Englishman's way of speaking absolutely classifies him The moment he talks he makes some other Englishman despise him Henry George Bernard Shaw famously refused to permit any play of his to be degraded into an operetta or set to any music except its own Allowing his beloved *Pygmalion* to be supplanted by a comic opera was therefore unthinkable yet Lerner and Loewe transformed it into *My Fair Lady* 1956 a musical that was to delight audiences and critics alike By famously reversing Shaw's original ending the show even dared to establish a cunningly romantic ending Keith Garebian delves into the libretto for a fresh take and explores biographies of the show's principal artists to discover how their roles intersected with real life Rex Harrison was an alpha male onstage and off Julie Andrews struggled with her chaste diva image and the direction of the sexually ambiguous Moss Hart contributed to the musical's sexual coding Midland Florist and Suburban Horticulturist, 1847 **Fallen Stars** Julian Upton, 2004 *Fallen Stars* probes the underside of fame to reveal a host of glittering careers stunted by ill health alcoholism drug addiction and egomania Twenty-one tales of stardom turned sour these are the tragic final years of some of the world's best-loved actors and comedians a latter-day Hollywood Babylon that includes Benny Hill Diana Dors Peter Sellers *Carry On* legends and many others **Continuum Companion to Twentieth Century Theatre** Colin Chambers, 2006-05-14 International in scope this book is designed to be the pre
