Keller,2019-01-07 Migrant workers live in a transnational world that spans the boundaries of nation states Yet for undocumented workers this world is complicated by inflexible immigration policies and the ever present threat of enforcement Workers labeled as illegals wrestle with restrictive immigration policies evading border patrol and local police as they risk their lives to achieve economic stability for their families For this group of workers whose lives in the U S are largely defined by their tenuous legal status the sacrifices they make to get ahead entail long periods of waiting extended separation from family and above all tremendous uncertainty around a freedom that many of us take for granted everyday mobility In *Milking in the Shadows* Julie Keller takes an in depth look at a population of undocumented migrants working in the American dairy industry to understand the components of this labor system This book offers a framework for understanding the disjuncture between the labor desired by employers and life as an undocumented worker in America today *Here Comes the Sun* Andy McCarthy,2024-07-30 *Here Comes the Sun* is a story of succeeding in the face of adversity about finding and following a purpose and the potholes that can bring you unstuck Suffering from ADHD at school misunderstood tormented and bullied for years Andy McCarthy was unable to find his pack When he dropped out in Year 10 his prospects weren t good He had no idea then that his personal drive and dogged determination would lead to incredible success At 19 Andy connected his first solar panel and suddenly found himself powered by a purpose to accelerate the world s transition to renewable energy Where best to make that happen Coal country and a place that has provided Victoria with most of its energy for a century the

Latrobe Valley From tiny beginnings in his home garage Andy overcame a tide of ridicule setbacks and opposition to build one of Australia's largest employers in the renewable energy sector Gippsland Solar But his obsession took a terrible toll When he was rushed to hospital crippled by panic attacks Andy realised something had to give Then in ways that no one expected he turned his life around again Here Comes the Sun is a candid swashbuckling and electrifying tale for anyone interested in renewable energy and in what it takes to run a business and follow a purpose without burning out Keep Watching the Skies! Bill Warren,2017-01-12 Bill Warren's Keep Watching the Skies was originally published in two volumes in 1982 and 1986 It was then greatly expanded in what we called the 21st Century Edition with new entries on several films and revisions and expansions of the commentary on every film In addition to a detailed plot synopsis full cast and credit listings and an overview of the critical reception of each film Warren delivers richly informative assessments of the films and a wealth of insights and anecdotes about their making The book contains 273 photographs many rare 35 in color has seven useful appendices and concludes with an enormous index This book is also available in hardcover format ISBN 978 0 7864 4230 0 *The Encyclopedia of Film Composers* Thomas S. Hischak,2015-04-16 For more than a century original music has been composed for the cinema From the early days when live music accompanied silent films to the present in which a composer can draw upon a full orchestra or a lone synthesizer to embody a composition music has been an integral element of most films By the late 1930s movie studios had established music departments and some of the greatest names in film music emerged during Hollywood's Golden Age including Alfred Newman Max Steiner Dimitri Tiomkin and Bernard Herrmann Over the decades other creators of screen music offered additional memorable scores and some composers such as Henry Mancini Randy Newman and John Williams have become household names The Encyclopedia of Film Composers features entries on more than 250 movie composers from around the world It not only provides facts about these artists but also explains what makes each composer notable and discusses his or her music in detail Each entry includes Biographical material Important dates Career highlights Analysis of the composer's musical style Complete list of movie credits This book brings recognition to the many men and women who have written music for movies over the past one hundred years In addition to composers from the United States and Great Britain artists from dozens of other countries are also represented A rich resource of movie music history The Encyclopedia of Film Composers will be of interest to fans of cinema in general as well as those who want to learn more about the many talented individuals who have created memorable scores *On The Buses* Craig Walker,2011-06-21 On The Buses was a classic British situation comedy created by Ronald Wolfe and Ronald Chesney which ran for seven series from 1969 to 1973 and introduced a host of much loved memorable characters The series followed the ups and downs of life on the buses as portrayed by two work shy busmen Stan Butler played by Reg Varney and his mate Jack Harper Bob Grant as they invented new scams to wind up their long suffering boss inspector Cyril Blakey Blake Stephen Lewis This book tells the whole On The Buses story from its inception through to the three spin off feature films it

spawned It includes details of cast crew locations and the many famous faces and catch phrases which made up one of the most popular sitcoms ever to appear on our TV screens On The Buses aired in an era where entertainment was unrestrained by politically correct rules but hilarious scripts and quality acting guaranteed the series a legion of loyal fans around the globe This book is a must have for anyone interested in learning more about On The Buses an example of British sitcom at its best

The Talent Delusion Tomas Chamorro-Premuzic,2017-02-02 This book shows how to find attract develop motivate and retain stars It s full of evidence and provocative ideas to help every talent leader Dr Adam Grant Wharton Professor New York Times bestselling author Originals and Give and Take This is the book I want to hand every manager I ve ever worked with Every chapter is filled with quotes findings and ideas that I want to post on Twitter and share with the world Dr Todd Carlisle VP of HR Twitter WHY THE SCIENCE OF PEOPLE IS YOUR KEY WEAPON IN THE WAR FOR TALENT All organisations have problems and they nearly always concern people how to manage them whom to hire fire or promote and how to motivate develop and retain high potential employees Psychology the main science for understanding people should be a pivotal tool for solving these problems yet most companies play it by ear and billions of dollars are wasted on futile interventions to attract and retain the right people for key roles Bridging the gap between the psychological science of talent and common real world talent practices The Talent Delusion aims to educate HR practitioners and leaders on how to measure predict and manage talent It will provide readers with data driven solution to the common problems around employee selection development and engagement how to define and evaluate talent how to detect and inhibit toxic employee behaviours and how to identify and harness leadership potential

The New Biographical Dictionary of Film
David Thomson, 2010 Thomson independent scholar writing of The Biographical Dictionary of Film aka A Biographical Dictionary of the Cinema 1975 edition described it as a personal opinionated and obsessive biographical dictionary of the cinema Thirty five years and several editions later that description still holds true of this expanded work The new dictionary summarizes salient facts about its subjects lives and discusses their film credits in terms of the quality of the filmmakers work In ambition it has competitors including Leslie Halliwell s various editions of Halliwell s Filmgoers Companion 12th ed 1997 and Halliwell s Who s Who in the Movies edited by John Walker 4th ed rev and updated 2006 which cover films and technical terms categories not included in Thomson s but whose entries are neutral and exceedingly brief Additionally Francophile Richard Roud s edited Cinema A Critical Dictionary The Major Filmmakers 2 v 1980 is as passionate a work as Thomson s but narrower in scope with entries written by various experts rather than only by Roud Finally the multivolume magnum opus The International Dictionary of Films and Filmmakers 4th ed 2000 ed by T Pendergast and S Pendergast 2nd ed ed by N Thomas v 1 CH May 91 1st ed ed by C Lyon v 1 2 CH Jan 85 v 3 CH Apr 87 v 4 5 CH Jun 88 covers everything films directors actors writers and production artists with generous measured scholarly entries and lavish illustrations However it looms large and heavy unlike the handy one volume work by Thomson Arguably Thomson s work for its scope is the most fun the most convenient and the most engaging title All libraries supporting people interested in film should buy it It will get lots of use and provide very good value for the money Summing Up Highly recommended Lower level undergraduates and above general readers General Readers Lower division Undergraduates Upper division Undergraduates Graduate Students Researchers Faculty Professionals Practitioners Reviewed by C Hendershott
