Improper Assembly of the Body of Christ Bishop J. G. Riles Sr., 2020-08-23 Improper Assembly of the Body of Christ is a book written to challenge how the church today looks at extracts ingests and dissects scripture especially with our recipe used to congregate and formulate the assembling of the true church This book is a strong reminder of the biblical protocol As Jehovah stressed to Moses See that thou do all things according to the pattern shown thee in the Mount In this book Bishop Riles seeks to reestablish biblical principles and truths It is written to increase unity in the body of Christ and tear down and remove walls barriers and partisans never supposed to have been in the first place It is to ensure that the blood of God's truth circulates to the least extreme and remotest parts of the body of Christ Pauper or king Sunday stroller or Holy Roller we must all strive to be the church of the faith where everybody is welcome to take a seat Some might be tempted to think that it is impossible to have unity we are just too different We come from different backgrounds and have different styles of praise and worship we express ourselves differently and we enjoy distinctively different things You may ask Bishop how in the world do you propose that we can be unified To achieve corporate unanimity we must come to the understanding that unity is not sameness or uniformity The Christian's unity is a unity in diversity Like Baskin Robbins we exhibit thirty eight flavors and varieties We can be different but not divided We must learn not to compete or to compare but to celebrate our incompatibilities God did not create the earth in just browns and earth tones God views the world through a

kaleidoscope It is a beautiful bouquet The church must be an array of multiplicity multicolored and multicultural The church is the rainbow coalition God is calling his family in for suppertime At suppertime my mother s rule was that she would never call us to eat at the table separately or individually Instead we all had to eat together at the same table at the same time or not eat at all The church needs to be an accurate sample of unity and a proper example of what it truly means to unite and be a unit If you dip a glass into the Pacific Ocean in California and you return to Texas with that glass of water you cannot say you have the entire Pacific Ocean in a glass But perhaps you have an accurate sample or a proper example of the Pacific Ocean in that glass A cake a pie or even cornbread has many ingredients essential to the texture and flavor of the cornbread pie and cake You cannot bake a pie or a cake with a cornbread recipe or with cornbread ingredients or bake cornbread with a pie or cake recipe or ingredients In a cake recipe all the ingredients are different all the ingredients aren t sweet or agreeable but all ingredients are necessary for the success of delicious cake Any ingredient alone is not a cake Sugar alone does not constitute a pie or a cake Flour vanilla eggs or butter alone independent of one another does not make a pie or a cake or cornbread It is not until you homogenize them and blend them mix mingle marry merge scramble and place them together in a hot oven that they come together to make cake pie or cornbread In this last hour God is removing the walls barriers and partisans never supposed to have been there in the first place God is scrambling up his church He will keep on scrambling until you cannot tell where the yoke or the yellow begins and the white ends He is going to scramble until we do not choose ministries based solely on race culture or ethnicity but based upon whether there is a move in that ministry Like the black and white keys on a piano the church belongs to all of us It is time for us to go back to the Bible God has given us his word to live by and there is just no other way to please him *Journal of the Society of Architects Including the Proceedings* ,1912 No Beauty For Me There Where Human Life Is Rare , **The Back 40** Joseph M. Nixon,2016-11-21 Recalling an early upbringing in rural Illinois the author relates the natural and academic influences on his philosophy beginning as a boy including hunting trapping farming and living in a small Midwestern community The people places and events characteristic of small town life are recalled with a flair toward humor and an appreciation of times less hectic Saturday night fish fry gatherings oiling the local streets hunting gathering natural resources a myriad of other events comprising the fabric of small town life intertwine in a story of individual development
