The Institution Of Marriage:

Considerations upon the institution of marriage [by G. Booth]. George Booth (2nd earl of Warrington.),1739

Considerations Upon the Institution of Marriage George Booth,Philogamus,2009-06 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work Revitalizing the Institution of Marriage for the Twenty-First Century Alan J. Hawkins,Lynn D. Wardle,David Orgon Coolidge,David Coolidge,2002-01-30 As divorce rates in the United States reach alarming levels the institution of marriage receives more and more criticism as an unrealistic endeavor However the contributors to this volume view marriage as a vital social institution not merely one kind of intimate relationship They argue for stronger support through legal and policy reform in order to strengthen for the benefit of individuals communities and the nation The contributors address hot button issues such as same sex marriage effects of divorce on children and the role of fathers in addition to issues such as the permanence of marriage covenant marriage and the role of religion in marriage This work brings together the work of respected legal scholars and social scientists who articulate why we should care about strengthening the institution of marriage what we can do and what challenges we face Despite dramatic social change marriage remains a critical social institution that promotes individual family and community well being The contributors to this book believe that marriage deserves our best efforts to revitalize it instead of a conscious agenda of benign neglect Here assembled in one place is a clear pro marriage research and policy agenda aimed at revitalizing this insitution based on principles of the best interests of children husbands and wives and society at large Contributors from both the social sciences and legal studies illuminate critical issues from a variety of important perspectives providing a comprehensive and respectful treatment of a timely and often divisive subject **The Institution of Marriage** Paul Wilson,1969 **American Marriage** Priscilla Yamin,2012-07-24 As states across the country battle internally over same sex marriage in the courts in legislatures and at the ballot box activists and scholars grapple with its implications for the status of gays and lesbians and for the institution of marriage itself Yet the struggle over same sex marriage is only the most recent political and public debate over marriage in the United States What is at stake for those who want to restrict marriage and for those who seek to extend it Why has the issue become such a national debate These questions can be answered only by viewing marriage as a political institution as well as a religious and cultural one In its political dimension marriage circumscribes both the meaning and the concrete terms of citizenship Marriage represents communal duty moral education and social and civic status Yet at the same time it represents individual choice contract liberty and independence from the state According to Priscilla Yamin these opposing but interrelated sets of characteristics generate a tension between a politics of obligations on the one hand and a politics of

rights on the other To analyze this interplay American Marriage examines the status of ex slaves at the close of the Civil War immigrants at the turn of the twentieth century civil rights and women s rights in the 1960s and welfare recipients and gays and lesbians in the contemporary period Yamin argues that at moments when extant political and social hierarchies become unstable political actors turn to marriage either to stave off or to promote political and social changes Some marriages are pushed as obligatory and necessary for the good of society while others are contested or presented as dangerous and harmful Thus political struggles over race gender economic inequality and sexuality have been articulated at key moments through the language of marital obligations and rights Seen this way marriage is not outside the political realm but interlocked with it in mutual evolution

Considerations upon the institution of marriage: with some thoughts concerning the force and obligation of the matrimonial contract. ... By a Gentleman [-Booth]. ,1739 **The Institution of Marriage - 2** ,2015

Marriage, Domestic Life and Social Change David Clark,2019-10-07 Marriage Domestic Life and Social Change brings together leading writers on marriage and the family in a tribute to the life and work of Jacqueline Burgoyne a major figure in family studies

The Conjugal Act as Personal Act Donald P. Asci,2011-05-09 In contrast to the popular view of human sexuality the Catholic Church promotes an understanding that not only includes unique considerations on the ethical level but also appreciates the most profound aspects of sexuality In this insightful study Donald Asci shows how the Catholic concept of sexuality and sexual intercourse articulates the ethical norms by which these profound realities are preserved The teachings of the Church open the path to a fulfillment that only the deepest aspects of sexuality can supply Beyond the moral norms of the Church s sexual ethics lies a theology of sexuality that recalls what is at stake in the realm of sexual activity Thus the Church not only affirms marriage as the only morally acceptable context for sexual intercourse but also develops a specific concept of the conjugal act for husband and wife Asci s study is a great help in showing the beauty of the Church s teaching on the truly personal character of the conjugal act as love giving life giving grace giving and in providing the wider theological understanding of the human person male and female that serves as the context for this teaching William E May Author Marriage The Rock on Which the Family is Built The Madras Weekly Notes ,1911 **Public and Private**

Maurizio Passerin D'Entrèves,Ursula Vogel,2005-08-11 The public and private distinction is essential to our moral and political vocabularies as it continues to structure our social and legal practices Public and Private provides a multidisciplinary perspective on this distinction which has been at the centre of controversial debate in recent years The focus of the debate has been on delineating acceptable boundaries between public and private in economic social and cultural spheres What is the nature and scope of citizenship What are the implications of new reproductive technologies And what is the fate of state sovereignty in a globalised world economy At first glance these questions may appear unrelated yet they all raise underlying and serious concerns regarding the scope and proper boundaries between the public and the private Public and Private will stimulate the current debate with its original approach and provide a valuable resource for all those

interested in the role the public and private play in structuring our societies **Introducing the New Sexuality Studies** Steven Seidman, Nancy L. Fischer, Chet Meeks, 2011-02-25 Breaking new ground both substantively and stylistically this book offers students academics and researchers an accessible engaging introduction and overview of the emerging field of sexuality studies **Philosophy of Sex and Love** Patricia Marino, 2019-03-13 Writing for non specialists and students as well as for fellow philosophers this book explores some basic issues surrounding sex and love in today's world among them consent objectification non monogamy racial stereotyping and the need to reconcile contemporary expectations about gender equality with our beliefs about how love works Author Patricia Marino argues that we cannot fully understand these issues by focusing only on individual desires and choices Instead we need to examine the social contexts within which choices are made and acquire their meanings That perspective she argues is especially needed today when the values of individualism self expression and self interest permeate our lives Marino asks how we can fit these values which govern so many areas of contemporary life with the generosity caring and selflessness we expect in love and sex Key Features of Philosophy of Sex and Love An Opinionated Introduction Offers a contemporary problems based approach to the subject helping readers better understand and address current issues and controversial questions Includes coverage of sex and love as they intersect with topics like disability race medicine and economics Considers not only the ethical but also the broadly social and political dimensions of sex and love Includes a helpful introduction and conclusion in each chapter and is written throughout in a clear and straightforward style with examples and signposts to help guide the student and general reader A comprehensive and up to date bibliography provides a valuable tool for anyone's further research *The Latter-Day Saints' Millennial Star*, 1879 **Cassidy et al.: Women and Empire, 1750-1939, Vol. II** Caroline Daley, 2021-12-24 Women and Empire 1750 1939 functions to extend significantly the range of the History of Feminism series co published by Routledge and Edition Synapse bringing together the histories of British and American women's emancipation represented in earlier sets into juxtaposition with histories produced by different kinds of imperial and colonial governments The alignment of writings from a range of Anglo imperial contexts reveals the overlapping histories and problems while foregrounding cultural specificities and contextual inflections of imperialism The volumes focus on countries regions or continents formerly colonized in part by Britain Volume I Australia Volume II New Zealand Volume III Africa Volume IV India Volume V Canada Perhaps the most novel aspect of this collection is its capacity to highlight the common aspects of the functions of empire in their impact on women and their production of gender and conversely to demonstrate the actual specificity of particular regional manifestations Concerning questions of power gender class and race this new Routledge Edition Synapse Major Work will be of particular interest to scholars and students of imperialism colonization women's history and women's writing

Sociology of Sexualities Kathleen J. Fitzgerald, Kandice L. Grossman, 2024-09-04 Sociology of Sexualities is an insightful exploration of sexuality through a sociological lens offering a comprehensive understanding of sexualities and gender

identities The Third Edition brings to light the current societal challenges faced by LGBTQ and reproductive rights the influence of technology on sexuality and the impact of the COVID 19 pandemic on sexual behaviors *Beyond Nihilism* Ofelia Schutte,1986-11-15 Nietzsche is regarded by some as a great liberator a thinker far more radical than Marx For others he is an ideologue of power a spokesman for domination a protofascist Ofelia Schutte holds that these conflicting assessments result from a failure to distinguish between two paradigms of power found in Nietzsche s work power as recurring energy and power as domination Schutte uses this fundamental distinction to analyze comprehensively Nietzsche s metaphysics ethics and politics She addresses both the positive and the negative in the whole of his thought seeking to read Nietzsche without masks without the cultural and intellectual biases of many of his previous interpreters **Current Opinion** ,1896 *Introducing the New Sexuality Studies* Nancy L. Fischer,Laurel Westbrook,Steven Seidman,2022-06-07 *Introducing the New Sexuality Studies* Original Essays is an innovative reader friendly collection of essays that introduces the field of sexuality studies to undergraduate students Examining the social cultural and historical dimensions of sexuality this collection is designed to serve as a comprehensive yet accessible textbook for sexuality courses at the undergraduate level The fourth edition adds 51 new essays whilst retaining 33 of the most popular essays from previous editions It features perspectives that are intersectional transnational sex positive and attentive to historically marginalized groups along multiple axes of inequality including gender race class ability body size religious identity age and of course sexuality Essays explore how a wide variety of social institutions including medicine religion the state and education shape sexual desires behaviors and identities Sources of and empirical research on oppression are discussed along with modes of resistance activism and policy change The fourth edition also adds new user friendly features for students and instructors Keywords are italicized and defined and each chapter concludes with review questions to help students ascertain their comprehension of key points There is also an online annotated table of contents to help readers identify key ideas and concepts at a glance for each chapter *The Contemporary Review* ,1905
