written in an accessible style to appeal to a broad audience making it a welcome addition to academic and public libraries alike **The Publishers Weekly**, 2004 *2009-2012 Obama's First Term, Bush's "Legacy", Arab Spring & World Jihadism* Karl M. van Meter, 2016-10-15 This work is based on the systematic use of computer assisted co occurrence of key words analysis of English language media reports With almost 20 entries per day or over 6 000 press reports per year we not only characterize for each year of Obama s first term the overall structure to world media representation of major topics of international conflict but also define in detail the thematic clusters of reports their internal structure their external relationships and their evolution over time Each of the four years is treated in a separate chapter and results are summarized in the final chapter along with anticipations concerning the future The Inkatha Scandal, 1991 **Selling the CIA** David S. McCarthy, 2018-06-14 Dubbed the Year of Intelligence 1975 was not a good year for the Central Intelligence Agency CIA Caught spying on American citizens the agency was under investigation indicted in shocking headlines its future covert operations at risk Like so many others caught up in public scandal the CIA turned to public relations This book tells what happened next In the mid 1970s CIA officials developed a public relations strategy to fend off the agency s critics In *Selling the CIA* David Shamus McCarthy describes a PR campaign that proceeded with remarkable continuity and effectiveness through the decades and regimes that followed He deftly chronicles the agency s efforts to project an image of openness and accountability even as it did its best to put a positive spin on secrecy more openness with greater secrecy in the Orwellian words of one director of public affairs A tale of machinations and manipulation worthy of Hollywood McCarthy s work exposes a culture of secrecy unwittingly sustained by the forces of popular culture a public relations offensive working on all fronts to perpetuate the CIA s mystique as the heroic guardian of national security Our failures are known our successes are not has been the guiding mantra of this initiative *Selling the CIA* spotlights how the agency s success in outmaneuvering Congress and avoiding public scrutiny stands as a direct threat to American democracy **World politics & "parapolitics"** **2006: Computer-assisted text analysis of international media headlines** Karl Van Meter, Mathilde De Saint Leger, 2009-07-01 If political science is the study of politics and the use of political power as it presents itself on the public scene Parapolitics is the study of the use of political power that is not presented on the public scene This corpus of texts consists of the Timeline section of each issue of the electronic journal *Intelligence* published in 2006 by the French Association pour le Droit l information ADI This unique data set of world political and parapolitical headlines has been made available free of charge to all fully paid *Intelligence* subscribers **Great Events from History: 1998-2008** Carl Leon Bankston, 2009 The latest edition in the overwhelmingly popular *Great Events from History* series *Modern Scandals* examines over 400 of the most important and most publicized scandals throughout the world since the beginning of the twentieth century The essays in this set are 3 5 pages long and follow the same reader friendly format that users have come to expect from the *Great Events from History* series **Senseless Secrets** Michael Lee Lanning, 2022-11-01 From the War for

Independence to the War on Terror American military intelligence has often failed costing needless casualties and squandering money and materiel as well as prestige and all too often it has failed to learn from its mistakes Senseless Secrets covers more than 200 years of intelligence breakdowns in every American war including not only how intelligence has been wrong but also how good intel has failed to make it to battlefield commanders how spies and traitors have infiltrated the military intelligence community and more Here are stories of Benedict Arnold s turn in the Revolution George McClellan s reliance on the Pinkertons inflated estimates of enemy strengths in the Civil War Custer s flawed intelligence prior to the Little Bighorn the controversy over Pearl Harbor the surprise German attack that started the Battle of the Bulge the failure to convey useful intelligence to small unit commanders in Vietnam overestimates of Iraqi strength during Operation Desert Storm the bad intelligence about Saddam Hussein s supposed nuclear arsenal in 2002 03 and the chaos surrounding the U S withdrawal from Afghanistan in 2021 Senseless Secrets is a military history of the United States through its intelligence operations It should be required reading inside the U S military and beyond **African Intelligence**

Services Ryan Shaffer,2021-09-27 This book argues for making African intelligence services front and center in studies about historical and contemporary African security As the first academic anthology on the subject it brings together a group of international scholars and intelligence practitioners to understand African intelligence services post colonial and contemporary challenges The book s eleven chapters survey a diverse collection of countries and provides readers with histories of understudied African intelligence services The volume examines the intelligence services objectives operations leaderships international partners and legal frameworks The chapters also highlight different methodologies and sources to further scholarly research about African intelligence **Roosevelt's Secret War** Joseph E. Persico,2002-10-22 Despite all that has already been written on Franklin Delano Roosevelt Joseph Persico has uncovered a hitherto overlooked dimension of FDR s wartime leadership his involvement in intelligence and espionage operations Roosevelt s Secret War is crowded with remarkable revelations FDR wanted to bomb Tokyo before Pearl Harbor A defector from Hitler s inner circle reported directly to the Oval Office Roosevelt knew before any other world leader of Hitler s plan to invade Russia Roosevelt and Churchill concealed a disaster costing hundreds of British soldiers lives in order to protect Ultra the British codebreaking secret An unwitting Japanese diplomat provided the President with a direct pipeline into Hitler s councils Roosevelt s Secret War also describes how much FDR had been told before the Holocaust about the coming fate of Europe s Jews And Persico also provides a definitive answer to the perennial question Did FDR know in advance about the attack on Pearl Harbor By temperament and character no American president was better suited for secret warfare than FDR He manipulated compartmentalized dissembled and misled demonstrating a spymaster s talent for intrigue He once remarked I never let my right hand know what my left hand does Not only did Roosevelt create America s first central intelligence agency the OSS under Wild Bill Donovan but he ran spy rings directly from the Oval Office enlisting well placed socialite friends FDR was

also spied against Roosevelt s Secret War presents evidence that the Soviet Union had a source inside the Roosevelt White House that British agents fed FDR total fabrications to draw the United States into war and that Roosevelt by yielding to Churchill s demand that British scientists be allowed to work on the Manhattan Project enabled the secrets of the bomb to be stolen And these are only a few of the scores of revelations in this constantly surprising story of Roosevelt s hidden role in World War II
