That means they operate under ANY circumstances But that means that no matter if your desire is good or bad just or unjust these LAWS can be used to manifest it So the author asks that if you READ this book please use these Laws to only manifest desires that are PURE POSITIVE and GOOD Or do NOT READ IT When The Author First Stumbled Upon These Laws He Was 21 Years Old Had No Clue He Was Using Them And Was In Charge Of 14 4 Million Dollars In Investments Joseph graduated college in about half the time of everyone else and shortly after found himself working for the largest privately held investment firm in the world with his own branch his own assistant and in charge of 14 4 million dollars for his investors Although because he wasn t CONSCIOUSLY aware of the Laws he was using to his advantage he ended up peaking and started to lose clients left and right That is until he lost his biggest client Chris and decided it was time to quit BUT once he started to study ancient Scriptures and Texts he stumbled upon these Laws of Manifestation and started bending the Universe to work in his favor And now that he KNOWS what was REALLY going on when he manifested both his rise and fall he has included that knowledge in See It Feel It Have It for the people that are ready to see it He has done this as a way for people to have a lot of the same success he s had in manifesting desires without most of the failure If you desire to find the ANSWERS you we been looking for by reading the book right now you ll find them inside But like stated previously what Joseph teaches within are LAWS And the nature of a Law is that they operate whether your desires are GOOD or BAD So only read this book if you re going to use it to manifest the GOOD and POSITIVE in your life or please don't read it at all

Neville Goddard The Wish Fulfilled Neville Goddard,2020-08-07 No one has ever revealed to mankind the truth of how our minds conscious and subconscious work quite like Neville Goddard Throughout his books and lectures Neville gave several examples of Imagining The Wish Fulfilled Assuming The Wish Fulfilled Feeling The Wish Fulfilled Let me note here What he meant by that is to BELIEVE that your wish is fulfilled This should be abundantly clear to anyone who has understood Neville's teachings This book is a compilation of these teachings This book was compiled to capture these teachings in one book for the purpose of giving the reader a clearer and more concentrated look at what Neville was conveying about assuming the wish fulfilled In his words Prayer is not so much what you ask for as how you prepare for its reception Whatsoever things ye desire when ye pray believe that you have received them and ye shall have them The only condition required is that you believe that your prayers are already realized Your prayer must be answered if you assume the feeling that would be yours were you already in possession of your objective The moment you accept the wish as an accomplished fact the subconscious finds means for its realization To pray successfully then you must yield to the wish that is feel the wish fulfilled Neville Goddard From the back cover The man who at will can assume whatever state he pleases has found the keys to the Kingdom of Heaven Assume the feeling of your wish fulfilled and continue feeling that it is fulfilled until that which you feel objectifies itself Ignore the present state and assume the wish fulfilled Claim it it will respond The law of assumption is the means by which the fulfillment of your desires may be realized Your subconscious gives form to your

desires only when you feel your wish fulfilled Call your desires into being by imagining and feeling your wish fulfilled Denying the evidence of the senses and appropriating the feeling of the wish fulfilled is the way to the realization of your desire. The assumption of the feeling of the wish fulfilled makes the future dream a present fact Realization of your wish is accomplished by assuming the feeling of the wish fulfilled. You cannot fail unless you fail to convince yourself of the reality of your wish A change of belief is confirmed by a change of expression. Your assumption to be effective cannot be a single isolated act it must be a maintained attitude of the wish fulfilled. *Manifesting Your Desires** Abiola Isujeh, 2019-03-25** Our lives are not predetermined and we were not created to suffer or have setbacks. We were created to have all the richness nature has to offer No one was created to be sick or poor. We are supposed to live our lives the good way we want This book explains how you manifest your desires. *The Power of Intention Manifesting Your Desires Through Conscious** Thought Laura Lee, 2024-04-02** In the vast expanse of the universe there exists a powerful force subtle yet omnipresent waiting patiently to be awakened within each of us It is the force of intention the driving energy behind all creation and the key to unlocking our deepest desires Throughout history sages mystics and visionaries have spoken of the transformative power of intention
