Alexandria Charles Bigg, 1968 **The Christian Platonists of Alexandria** Charles Bigg, 2015-06-15 Excerpt from The Christian Platonists of Alexandria Being the Bampton Lectures of the Year 1886 When the Delegates of the Clarendon Press determined to reissue Dr Bigg's Lectures which had been long out of print I was invited to prepare the volume for the press Among Dr Bigg's books was found an interleaved copy in which he had made additions and corrections mostly affecting the notes rather than the text of the Lectures My primary task has been to incorporate the additions and to make the suggested corrections Some of the annotations consisted of references to note books where evidently certain topics were further worked out but no use could be made of this matter since the note books seem to have perished or to have been lost Others were quite incomplete and fragmentary some of them mere headings of proposed notes and of these little use has been made The rest with few exceptions have been incorporated and are marked by square brackets Besides this I have ventured to make some alterations and additions on my own account I have occasionally changed added omitted or transposed a word or two and I have dealt quite freely with the punctuation where it has seemed possible to make the statement clearer or more strictly accurate In respect of the references while I have not verified them systematically but have only corrected such errors as I have lighted upon by the way I have often freely altered the form of them and expanded them where it seemed desirable in view of uniformity clearness or precision in some cases especially in that of Dr Harnack's Dogmengeschichte I have adjusted the references to later editions of the works cited and occasionally I have added further references especially to works published since the Lectures were written About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
