## **The Christian Power Plan:**

*The Christian Power Plan* David A. Ray, 1976      Prophetic Outlines of the Christian Church and the Anti-Christian Power, as Traced in the Visions of Daniel and St. John. In Twelve Lectures, Preached in the Chapel of Lincoln's Inn, on the Foundation of Bishop Warburton Benjamin Harrison (Archdeacon of Maidstone.), 1849      **The Genocide of the Christian Populations in the Ottoman Empire and its Aftermath (1908-1923)** Taner Akçam, Theodosios Kyriakidis, Kyriakos Chatzikyriakidis, 2023-01-31 During the twilight years of the Ottoman Empire the ethnic tensions between the minority populations within the empire led to the administration carrying out a systematic destruction of the Armenian people This not only brought 2 000 years of Armenian civilisation within Anatolia to an end but was accompanied by the mass murder of Syriac and Greek Orthodox Christians Containing a selection of papers presented at The Genocide of the Christian Populations of the Ottoman Empire and Its Aftermath 1908 1923 international conference hosted by the Chair for Pontic Studies at the Aristotle University of Thessaloniki this book draws on unpublished archival material and an innovative historiographical approach to analyze events and their legacy in comparative perspective In order to understand the historical context of the Ottoman Genocide it is important to study apart from the Armenian case the fate of the Greek and Assyrian peoples providing a more comprehensive understanding of the complexity of the situation This volume is primarily a research contribution but should also be valued as a supplementary text that would provide secondary reading for undergraduates and postgraduate students      **The Healing Power of the Christian Mind** Dr. William Backus, 1998-05-01 Recent studies confirm what patients chaplains and medical clinicians have testified to for years dwelling on the truth of God's Word can enhance health Dr Backus brings biblical balance to mind body issues while staying clear of New Age philosophies Originally titled *The Healing Power of a Healthy Mind*      **The Power-Full Christian** John Bell, 2019-09-10 It is the belief of some that operating in spiritual power in the church is an option that the Christian can take or leave That all Christians should operate in spiritual power is repeatedly taught in the Bible The fulfillment of the great commission of Jesus Christ to go ye into all the world and preach the gospel to every creature Mark 16 15 can only be done by a church that moves in the power of the Holy Spirit This book is dedicated to elucidating and magnifying the powers that God has given the Christian to operate in In the past some of these powers have not been given the attention and respect they deserve A power viewed as a duty or obligation will not be fully embraced and used A spiritual power that is viewed as a weapon will be used to bring about victory in the Christian's life Spiritual powers used by the church will hasten the fulfillment of the great commission and thus hasten the return of the Lord Jesus Christ The power Christian is one who basks in Holy Spirit fire The full Christian is one who is being continuously filled and led by the Holy Spirit May all of Christendom flow in the powers that God has ordained and may every child of God be in reality a power full Christian      **The Christian Magazine**, 1826      *The Power of Christian Contentment* Andrew M. Davis, 2019-03-19 It may surprise modern Christians that our current problems

with discontentedness are anything but new In 1643 Puritan pastor Jeremiah Burroughs wrote a work titled *The Rare Jewel of Christian Contentment* that has as much resonance in our day as it did in his Now pastor and author Andrew M Davis helps contemporary Christians rediscover the remarkable truths found in this largely forgotten work With powerful new illustrations and a keen sense of all that makes modern Christians restless Davis challenges readers to confront the sources of discontent in their lives and embrace Paul s teaching on contentment in all circumstances He gives special attention to maintaining contentment through poverty and prosperity as well as in our marriages and offers tips on teaching children how to be content in an age of smartphones and social media

[The Christian Healing Power](#) Charles Fillmore,2019-12-18 Much has been written and said about the healing methods that Jesus used in His very striking cures of physical ills However very few have dared even to suggest that Jesus applied universal law in His restorative methods Charles Fillmore have found that Jesus healing methods were based on universal mental and spiritual laws that anyone can utilize Ultimately that cognition led him to the conclusion that man and the universe are founded on mind and that all changes for good or ill are changes of mind

[The Christian Spiritual Warfare Series](#) Emmanuel Anumaka,2015-02-23 The Christian Spiritual Warfare Series is a book designed for all Christians who want to defeat the devil in the everyday battle of life The Bible stated in Ephesians Chapter 6 that we wrestle not against flesh and blood individuals but against principalities against powers against the rulers of the darkness of this world against spiritual wickedness in high places Satans intension is to kill steal and destroy This mission he wants to accomplish in the life of every Christian This book is designed to be a daily prayer guide or manual to help the believer to scatter every plan of the enemy even before they are conceived The book has been written for those that want to be free from all demonic operations against their lives The book guides the reader to follow the footsteps of our LORD JESUS CHRIST who defeated Satan during his temptation using the Word of God The consistent use of the prayer points included in this book will help the believer to be conversant with the relevant Bible passages for warfare It will also

help him to meditate on the Word of God day and night so that he will be shielded from every plan of the devil      The Political Crisis and Christian Ethics Ronald H. Stone,2023-09-26 The Political Crisis and Christian Ethics addresses themes in political philosophy in the context of a crisis in democracy after the denial of the 2020 election by the Republican candidate for president The refusal to accept the results of the election divided the electorate and drove the president s followers to fail in their attempted coup attempt in January of 2020 Democracy is defended in Reinhold Niebuhr s writing on politics and in Barack Obama s use of the theologian s thought It is developed further in the political theory of Paul Tillich The themes of just peacemaking are reviewed in Paul Tillich s critique of John Foster Dulles work and in the author s critique of just peacemaking in the work of Glen Stassen Domestically the issues of race inequality ecology and healthcare are addressed from the perspective of prophetic realism The book concludes in terms of Alfred North Whitehead s philosophy of education and religion and a vision of the good president In summary The Political Crisis and Christian Ethics is a volume of American Christian political theory in a period of overcoming the trauma of 2016 with Christian ethics and political philosophy      *The Christian guardian (and Church of England magazine).* ,1833      *The Christian And The Cross* Jimmie L. Chapman,2011-03-25 The cross is the main symbol of Christianity For the Christian the symbol of the cross is God s love for his creation on display for all the world to see The message of the cross is infinitely greater than this book can contain The apostle Paul told the church at Corinth For I determined not to know any thing among you save Jesus Christ and him crucified 1Corinthians 2 2 Author Jimmie L Chapman felt inspired to write this theological exegesis on the cross This is by no means an exhaustive study of the subject he said The Christian and the cross are inseparable We were saved by Christ s death on the cross and we are kept by the power of his death and resurrection and our only hope is symbolized by the cross of Christ Every Christian is called to take up his cross and follow Jesus daily If we faithfully do this he will lead us home to be with him      **The Christian Case against Contraception** Bryan C. Hodge,2010-01-01 Evangelicals often give little thought to the morality of contraception but when they do serious studies of the subject are scarce if not non existent The Christian Case against Contraception seeks to fill this gap by evaluating the practice not from personal preference or mere experience but from the four major theological disciplines of Christianity Historical Biblical Systematic and Practical Theology and Ethics The book begins with a contrastive analysis between secular and ecclesiastical culture and thought concerning the subject of contraception and the purpose of the sexual act The claims of the Church that contraception is morally unacceptable is examined further as the book takes the reader on a journey through biblical systematic and practical arguments which establish the foundations of the Historic Church s claim Opposing arguments are evaluated as to their strength and validity In fact Hodge stirs the debate with a challenge that he has yet to see Christians set forth a valid biblical argument in support of contraceptive practices For the reader seeking to place procreative ethics under the lordship of Christ The Christian Case against Contraception offers a bold and clear way forward      **Christian Apologetics**

Third Series Library of Congress. Copyright Office,1978 The Papacy and the Civil Power Richard Wigginton Thompson,1876 *The Philosophy of the Christian Curriculum* R. J. Rushdoony,2012-10-17 The Christian School represents a break with humanistic education but too often in leaving the state school the Christian educator has carried the state s humanism with him A curriculum is not neutral it is either a course in humanism or training in a God centered faith and life The liberal arts curriculum means literally that course which trains students in the arts of freedom This raises the key question is freedom in and of man or Christ The Christian art of freedom that is the Christian liberal arts curriculum is emphatically not the same as the humanistic one It is urgently necessary for Christian educators to rethink the meaning and nature of the curriculum It should be clear then that whether history science mathematics grammar literature ecology civic duty or law every aspect of curriculum must be reconstructed along Biblical lines The overall objective is for Christian families to prepare and equip themselves for service in the Kingdom of God and this cannot be done without a rethinking of the philosophy of the Christian curriculum In this study Rousas John Rushdoony develops the philosophy of the Christian curriculum It is the pioneering study in this field and it is important reading for all Christian educators **The Westminster Normal Class Outlines.
