Contemporary Mormonism Claudia L. Bushman, 2006-01-30 Much misunderstood Mormonism had a colorful beginning in the 19th century as a visionary named Joseph Smith founded and built a community of believers with their own unique faith In the late 20th century the church had to come to terms with its own growth and organization as well as with the increasing pervasiveness of globalization secularization and cultural changes Today Mormonism is one of the major religions in America and continues to grow internationally However though the church itself remains strong it is elusive to those of other faiths Here a seasoned author and third generation Mormon sheds light on the everyday lives and practices of faithful Mormons Bushman s readers will come away with a more thorough appreciation of what it means to be Mormon in the modern world Much misunderstood Mormonism had a colorful beginning in the 19th century as a visionary named Joseph Smith founded and built a community of believers with their own unique faith In the late 20th century the church had to come to terms with its own growth and organization as well as with the increasing pervasiveness of globalization secularization and cultural changes Today Mormonism is one of the major religions in America and one that continues to grow internationally However though the church itself remains strong it is elusive to those of other faiths Here a seasoned author and third generation Mormon sheds light on the everyday lives and practices of faithful Mormons Bushman s readers will come away with a more thorough appreciation of what it means to be Mormon in the modern world Following Brigham Young into the Great Basin and founding communities that have endured for over 100 years Mormons have forged a rich history in this country even as they built communities around the world But the origins of this faith and those who adhere to it remain mysterious to many in the United States Bushman allows readers a vivid glimpse into the lives of Mormons their beliefs rituals and practices as well as their views on race ethnicity social class gender and sexual orientation The voices of actual Mormons reveal much about their inspiration devotion patriotism individualism and conservatism With its mythical history and unlikely success many wonder what has made this religion endure through the years Here readers will find answers to their questions about what it means to be Mormon in contemporary America Christian Advocate and Journal and Zion's Herald ,1899 **Tracing the Jerusalem Code** Ragnhild Johnsrud Zorgati, Anna Bohlin, 2021-05-10 With the aim to write the history of Christianity in Scandinavia with Jerusalem as a lens this book investigates the image or rather the imagination of Jerusalem in the religious political and artistic cultures of Scandinavia through most of the second millennium Volume 3 analyses the impact of Jerusalem on Scandinavian Christianity from the middle of the 18 century in a broad context Tracing the Jerusalem Code in three volumes Volume 1 The Holy City Christian Cultures in Medieval Scandinavia ca 1100 1536 Volume 2 The Chosen People Christian Cultures in Early Modern Scandinavia 1536 ca 1750 Volume 3 The Promised Land Christian Cultures in Modern Scandinavia ca 1750 ca 1920 Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954 ,2004 Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code

Amending the Christian Story Ron

Rude,2021-10-11 Why has Christianity been around for a mere 2 000 years when Earth life has abounded for 3 8 billion years and even humans for nearly 300 000 years What was God doing all this time And what if humans are not the center of God s universe In Amending the Christian Story Ron Rude asserts that current versions of the Christian faith are inadequate and more than this are fueling humanity s assault on Earth s biosphere Through the window of nature s natural sciences especially astronomy geology evolutionary biology paleoanthropology Rude provides a fuller and more expansive view of God s story of life and God s story of Jesus Can humans continue the lived out assumption that we are separate from superior to the reason for and the rulers of everything With new perspectives into ancient stories and current narratives Rude compels us to urgently shift Christianity s claim and conduct in order to unite with God s more sustainable and just world
