## **The Christianity Of Sholem Asch:**

*The Christianity of Sholem Asch* Chaim Lieberman,1953      *One Destiny* Sholem Asch,1945 At head of title Sholem Asch

**The Christianity of Sholem Asch** Hayim Lieberman,1953      **Christianity of Sholem Asch** Chaim Lieberman,Hayim Lieberman,1953      *The Christianity of Sholem Asch* Hayyim Lieberman,1954      *Reincarnation in Christianity* Geddes MacGregor,1990-03-09 In this exciting landmark work MacGregor delves into the annals of Christian history to demonstrate that Christian doctrine and reincarnation are not mutually exclusive belief systems      *Sholem Asch and the Jewish-Christian Idea* David Avram Ganz,1995      **Holy Envy** Maeera Shreiber,2022-11-15 What is between us and the Christians is a deep dark affair which will go for another hundred generations Amos Oz Judas Among the great social shifts of the post World War II era is the unlikely sea change in Jewish Christian relations We read each other s scriptures and openly discuss differences as well as similarities Yet many such encounters have become rote and predictable Powerful emotions stirred up by these conversations are often dismissed or ignored Demonstrating how such emotions as shame envy and desire can inform these encounters Holy Envy Writing in the Jewish Christian Borderzone charts a new way of thinking about interreligious relations Moreover by focusing on modern and contemporary writers novelists and poets who traffic in the volatile space between Judaism and Christianity the book calls attention to the creative implications of these intense encounters While recognizing a long overdue need to address a fundamentally Christian narrative underwriting twentieth century American verse Holy Envy does more than represent Christianity as an aesthetically coercive force or as an adversarial other For the book also suggests how literature can excavate an alternative interreligious space at once risky and generative In bringing together recent accounts of Jewish Christian relations affect theory and poetics Holy Envy offers new ways into difficult and urgent conversations about interreligious encounters Holy Envy is sure to engage readers who are interested in literature religion and above all interfaith dialogue      *Life between Memory and Hope* Zeev W. Mankowitz,2002-09-30 This is the remarkable story of the 250 000 Holocaust survivors who converged on the American Zone of Occupied Germany from 1945 to 1948 They envisaged themselves as the living bridge between destruction and rebirth the last remnants of a world destroyed and the active agents of its return to life Much of what has been written elsewhere looks at the Surviving Remnant through the eyes of others and thus has often failed to disclose the tragic complexity of their lives together with their remarkable political and social achievements Despite having lost everyone and everything they got on with their lives they married had children and worked for a better future They did not surrender to the deformities of suffering and managed to preserve their humanity intact Mankowitz uses largely inaccessible archival material to give a moving and sensitive account of this neglected area in the aftermath of the Holocaust      *American Jesus* Stephen Prothero,2004-09-18 A Deep Dive into America s Complex Relationship with Jesus There s no denying America s rich religious background belief is woven into daily life But as Stephen Prothero argues in *American Jesus* many of the most interesting appraisals of Jesus have emerged outside the churches in

music film and popular culture and among Jews Muslims Buddhists and people of no religion at all Delves into this compelling chronicle as it explores how Jesus the carpenter from Nazareth has been refashioned into distinctly American identities over the centuries From his enlistment as a beacon of hope for abolitionists to his appropriation as a figurehead for Klansmen the image of Jesus has been as mercurial as it is influential In this diverse and conflicted scene American Jesus stands as a testament to the peculiar fusion of the temporal and divine in contemporary America Equal parts enlightening and entertaining American Jesus goes beyond being simply a work of history It's an intricate mirror reflecting the American spirit while questioning the nation's socio cultural fabric *The Nazarene* Sholem Asch, 1984 A portrait of Christ **The Apostle**

**Paul in the Jewish Imagination** Daniel R. Langton, 2010-03-22 The Apostle Paul in the Jewish Imagination is a pioneering multidisciplinary examination of Jewish perspectives on Paul of Tarsus Here the views of individual Jewish theologians religious leaders and biblical scholars of the last 150 years together with artistic literary philosophical and psychoanalytical approaches are set alongside popular cultural attitudes Few Jews historically speaking have engaged with the first century Apostle to the Gentiles The modern period has witnessed a burgeoning interest in this topic however with treatments reflecting profound concerns about the nature of Jewish authenticity and the developing intercourse between Jews and Christians In exploring these issues Jewish commentators have presented Paul in a number of apparently contradictory ways The Apostle Paul in the Jewish Imagination represents an important contribution to Jewish cultural studies and to the study of Jewish Christian relations **From Rebel to Rabbi** Matthew B. Hoffman, 2007 This book examines the ways modern Jewish thinkers writers and artists appropriated the figure of Jesus as part of the process of creating modern Jewish culture

Christianity After Auschwitz Paul R. Carlson, EdD, 2000-06-14 There is an old Jewish adage that pretty much sums up Israel's experience among the nations for the last 2 000 years Scratch a gentile the saying goes and you're sure to find an anti Semite That notion is given credence by the fact that the first two millennia of the Jewish Christian encounter culminated in the systematic slaughter of six million Jews in the heart of Christendom But Dr Paul R Carlson author of *Christianity After Auschwitz* is cautiously optimistic that the dawn of this new millennium may lead to Jewish Christian amity as the Church faces up to its past sins and seeks to work with the Synagogue against those demonic forces which threaten civilization itself However as Carlson illustrates the genocidal germ that gave birth to Hitler's criminal regime still flourishes among countless Christians many of whom would passionately deny they harbor any anti Semitic notions or sentiments While the book is addressed primarily to Carlson's fellow evangelicals both Jews and Christians will discover that it provides the general reader with an overview of those critical issues which scholars alone have in the past wrestled with in the post Holocaust Jewish Christian encounter At the outset Carlson is quick to concede that the late Rabbi Joseph B Soloveitchik a scion of the great Chechnowa Rebbe was certainly correct when he insisted that Christians have never tried to penetrate the soul of the Jews They have read the Bible but neglected the oral tradition by which we interpret it he noted This makes a

different Bible altogether For example says Rav Soloveitchik To equate Judaism with legalism the way Christian theologians are prone to do is like equating mathematics with a compilation of mathematical equations By the same token old stereotypes die hard The Jew has been pictured as the arch capitalist and the arch Bolshevik and chastised for being both whipsawed by contending forces says Nathan C Belth The Soviet authorities saw Jews as a threat to the state and Alexander Solzhenitsyn who castigated Soviet terror sees Jews as libertarians who brought on socialism after of course rejecting Christ Since time immemorial anti Semites have also portrayed the Jew as the greedy shady businessman or banker But they conveniently forget stories such as that of Haym Salomon 1740 1785 the Jewish broker whose financial aid staved off starvation and desertion among American troops during our War for Independence At one critical point Robert Morris the American financier and statesman sent a messenger to alert Haym Salomon of the plight of the cash strapped Colonial forces The man brought the news to Salomon while he was attending Yom Kippur services at Mikveh Israel Synagogue in Philadelphia The congregation was shocked at the intrusion on the holiest day of the Jewish year but Haym Salomon quietly informed the messenger Tell Mr Morris our country s appeal will not be in vain But that old canard about Jews and their money remains grist for the anti Semite s mill By the same token Jews have not been entirely blameless when it comes to their own stereotypes of Christians particularly evangelicals Nathan Perlmutter confessed as much during his tenure as national director of the Anti Defamation League ADL of B nai B rith Our image of the fundamentalist and the evangelical is a kind of collage assembled out of bits and pieces from Theodore Dreiser Sinclair Lewis and Erskine Caldwell he admitted Even after all this time memories of the great swarm of sex ridden Bible thumping caricatures continue to exert a pervasive power But evangelicals would be among the first to admit that Jews have come a long way since the days of the infamous Toledot Yeshu or Life of Jesus which depicted the Galilean in scandalous terms Indeed the Israeli author Shalom Ben Chorin is representative of those Jewish intellectuals who now believe that it is time for Jesus to come home again Meanwhile few Christians realize just how vulnerable many Jews feel in what they perceive to be Christian America That perception is heightened by the 1992 American Jewish Year Book finding that roughly 12 percent of Americans of Jewish heritage are now Christians There is another way of looking at what I have called a disaster in the making says former US Assistant Secretary of State Elliott Abrams author of Faith or Fear How Jews Can Survive in a Christian America Of the 6.8 million people who are Jews or of Jewish descent 1.1 million say they have no religion and 1.3 million have joined another religion adding up to 2.4 million Abrams observes This means that one third of the people in America of Jewish ethnic origin no longer report Judaism as their current religion Abrams italics Such statistics illustrate why Jewish leaders unanimously condemn those Christian missionary agencies which specifically target Jews for conversion They have been particularly incensed by one recent evangelical effort known as Peace 2000 which aimed to convert every Jew in Israel to Christianity by the dawn of the new millennium Centuries of martyrdom are the price which the Jewish people has paid for survival says Brandeis scholar

Marshall Sklare And the apostate at one stroke makes a mockery of Jewish history But if the convert is contemptible in Jewish eyes Sklare adds the missionary all the more the missionary of Jewish descent is seen as pernicious for he forces the Jew to relive the history of his martyrdom all the while pressing the claim that in approaching the Jew he does so out of love What kind of love is it Jews wonder that would deprive a man of his heritage Sklare asks Furthermore given the history of Christian treatment of the Jews would it not seem time at last to recognize that the Jew has paid his dues and earned the right to be protected from obliteration by Christian love as well as destruction by Christian hate The distinguished Rabbi Abraham Joshua Heschel was even more pointed about the matter I had rather enter Auschwitz he once remarked than be an object of conversion All of this leads to the opening chapter of Christianity After Auschwitz which introduces Christians to Emil Fackenheim's Eleventh Commandment or 614th Mitzvot which decrees that Jews are not permitted to grant Hitler any posthumous victories through intermarriage assimilation or conversion to a faith not their own In a word they are commanded to remain Jews By the same token Jewish scholars are quick to recognize that any open and honest dialogue will at some point involve a frank discussion of the similarities and differences between the Jewish and Christian perceptions of the Messianic hope With that understanding the second chapter deals with the remarkable career of the late Rabbi Menachem Mendel Schneerson the seventh and last Grand Rebbe of the Chabad Lubavitch Hasidim Many of his talmidim or disciples believe he will ultimately be revealed as King Messiah His life and work are considered within the context of that of Jesus of Nazareth as well as those of several pseudo messiahs who have troubled Israel down through the centuries The author then makes it clear that Jesus himself     The Cross and the Flag ,1959     Discovering Exile Anita Norich,2007 This book considers some of the most famous Yiddish writers in America the controversies their works aroused in Yiddish and English during the Holocaust and the ways in which reading them contributes to a revision of American Jewish cultural development     Christianity and Rabbinic Judaism Jonas E. Alexis,2013 Our way must be never knowingly support lies Having understood where the lies begin step back from that gangrenous edge Let us not glue back the flaking scale of the Ideology not gather back its crumbling bones nor patch together its decomposing garb and we will be amazed how swiftly and helplessly the lies will fall away and that which is destined to be naked will be exposed as such to the world Alexander Solzhenitsyn Enlightenment writer Voltaire was amazed that twelve fishermen some of them unlettered from an obscure place in the world called Galilee challenged an empire through self denial and patience and eventually established Christianity He seriously thought that twelve philosophers or intellectuals himself included would do the opposite and crush Christianity Voltaire's self appointed cheerleaders such as Diderot Helvetius d Holbach D Alembert Lametrie and Baron Cloots among others tried to do just that and wrote volumes of work trying to tear down the basis of Christianity and erect an edifice of their own Diderot in particular declared I would sacrifice myself perhaps if I could annihilate forever the notion of God Cloots wrote We shall see the heavenly royalty condemned by the revolutionary tribunal of victorious Reason Lametrie

produced Man A Machine and an entire French encyclopedia was written between 1751 and 1772 by those philosophers because Christianity to a large degree had to go Voltaire would send letters to his disciples and friends saying crasez l inf me Rousseau of course was a disciple of Voltaire and declared that Voltaire s work inspired me The French Revolution failed Yet like all significant revolutions before and after that period the French Revolution indirectly had a theological root which was then a categorical and metaphysical rejection of Logos That theological substratum has jumped from one era to the next and had and still has historical political economic and spiritual ramifications This book is about the historical and theological struggle of that conflict which had its inception at the foot of the cross      Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1954 Includes Part 1 Number 2 Books and Pamphlets Including Serials and Contributions to Periodicals      **Confessions of a Yiddish Writer and Other Essays** Chava Rosenfarb,2019-06-11 Chava Rosenfarb 1923 2011 was one of the most prominent Yiddish novelists of the second half of the twentieth century Born in Poland in 1923 she survived the Lodz ghetto Auschwitz and Bergen Belsen immigrating to Canada in 1950 and settling in Montreal There she wrote novels poetry short stories plays and essays including The Tree of Life A Trilogy of Life in the Lodz Ghetto a seminal novel on the Holocaust Confessions of a Yiddish Writer and Other Essays comprises thirteen personal and literary essays by Rosenfarb ranging from autobiographical accounts of her childhood and experiences before and during the Holocaust to literary criticism that discusses the work of other Jewish writers The collection also includes two travelogues which recount a trip to Australia and another to Prague in 1993 the year it became the capital of the Czech Republic While several of these essays appeared in the prestigious Yiddish literary journal Di goldene keyt most were never translated This book marks the first time that Rosenfarb s non fiction writings have been presented together in English A compilation of the memoir and diary excerpts that formed the basis of Rosenfarb s widely acclaimed fiction Confessions of a Yiddish Writer and Other Essays deepens the reader s understanding of an incredible Yiddish woman and her experiences as a survivor in the post Holocaust world      **Jewish Scholarship on the Resurrection of Jesus** David Mishkin,2017-09-07 The Jewish study of Jesus has made enormous strides within the last two hundred years Virtually every aspect of the life of Jesus and related themes have been analyzed and discussed Jesus has been reclaimed as a fellow Jew by many although what this actually means remains a matter for discussion Ironically the one event in the life of Jesus that has received significantly less attention is the one that the New Testament proclaims as the most important of all his resurrection from the dead This book is the first attempt to document Jewish views of the resurrection of Jesus in history and modern scholarship
