The Christmas Pudding That Shook The World:

The Christmas Pudding that Shook the World Alex Hamilton, 1988-01-01 **A Christmas Pudding**, 2007 Edited and adapted by David Birney 3m 3f plus chorus 8 to 12 singers Holiday Play with music Simple Unit Set A Christmas celebration told in songs stories poems and tales by Dickens Mark Twain Shakespeare Emily Dickinson Shaw Longfellow St Luke and many others collected with a host of traditional carols and holiday songs This piece provides a perfect evening to warm hearts stir memories and give laughter during the holiday season **Prep School Children** Vyvyan Brendon, 2009-10-13 Since the days when nine year old Tom Brown set off by stage coach to be prepared for entry to Rugby middle class British boys have been sent away to prep school Here children aged seven to thirteen have been systematically groomed for public school for gentlemanly life for military service for colonial rule and for worldly or in the case of Harry Potter wizardly success In a compelling and sometimes shocking account Vyvyan Brendon dwells not on the adult purposes behind a peculiarly British institution but on the lives of the children More than two hundred youngsters appear in these pages describing their schooldays through memoirs letters diaries poetry fiction and interviews The impressions left happy or miserable comic or tragic were indelible The pupils responses were seldom expressed at the time for according to the ancient maxim children should be seen but not heard This book gives them a voice In doing so it reveals a neglected area in the history of childhood and casts a sharp beam of light on the national character **Writing Talk** Alex Hamilton, 2012 In his long career in literary journalism Alex Hamilton has probably met and talked in depth to more of our great writers than anyone else from the most critically acclaimed to the most hard nosed bestsellers from novelists to cartoonists and in every genre from Thrillers and Whodunnits to Short Stories from Poetry to Science Fiction This selection from a life s work gives us a stimulating and rare insight into the minds and lives of some of the most fascinating creators of our modern culture It s a book that contains many surprises in the revelations given by some of the authors about their struggles and victories the serious or humorous commitments made by them and their addiction to the kind of fiction they like to write The reader will soon realise that no two of these eighty five featured authors such as Kurt Vonnegut Angela Carter Stephen King Daphne du Maurier Ian McEwan Jorge Luis Borges Graham Greene or Margaret Atwood are alike Splendidly informative and serious Writing Talk is also often very funny a book to dip into as the mood takes or to dive into hungrily It will appeal to those with a passion for books and for the people who have written them I ve been fortunate to talk to so many marvellous writers Gathering some of these conversations into a book rather than their brief life in a daily newspaper offers a chance for readers to share my pleasure and to introduce a new generation to some past greats says Alex Hamilton behind his reason to create Writing Talk **Invasion of the Christmas Puddings** Jeremy Strong, 2008-10-30 Tis the season to be jolly tra la la la la BUT WAIT Father Christmas s EVIL brother Bad Christmas is plotting to take over the world His poisonous Christmas puddings that turn humans into zombies are pouring through from The Other Side in their millions Millions of Christmas puddings all made

of deadly sticky matter But four children from Plumpot Primary have escaped the puddings Are they in time to stop Bad Christmas and save the world Prepare to be puddified *The Bedside "Guardian".*, 1979 **A Book about the Film Monty Python's The Meaning of Life** Darl Larsen, 2020-06-29 This reference identifies and explains the cultural historical and topical allusions in the film Monty Python's Meaning of Life the Pythons third and final original feature as a complete group In this resource virtually every allusion and reference that appears in the film is identified and explained from Britain's waning Empire through the Winter of Discontent to Margaret Thatcher's second term mandate from playing fields to battle fields and from accountant pirates to sacred sperm Organized chronologically by scene the entries cover literary and metaphoric allusions symbolisms names peoples and places as well as the many social cultural and historical elements that populate this film and the Pythons work in general *Secrets of a Family Album* Isla Dewar, 2006-12-26 This warm perceptive and dryly humorous romance novel from the acclaimed Isla Dewar is a wonderful richly textured story focusing on several generations of one family through a year in their lives *Spike Milligan's Accordion* Rick Cousins, 2016-10-11 It's all rather confusing really was one of the catchphrases used by Spike Milligan in his ground breaking radio comedy program The Goon Show In a series of mock epics broadcast over the course of a decade Milligan treated listeners to a cosmology governed by confusion contradictions fluidity and uncertainty In The Goon Show's universe time and space expand and contract seemingly at will and without notice The worldview featured in The Goon Show looked both backward and forward backward in the sense that it paralleled strategies used by schoolchildren to understand time and space forward in the ways it anticipated and prefigured a number of key features of postmodern thought Winner of the Ann Saddlemyer Award 2017 of the Canadian Association for Theatre Research **The Memoirs of a Midget (World's Classics Series)** Walter de la Mare, 2023-12-26 In The Memoirs of a Midget Walter de la Mare presents an intricately woven tapestry of narrative that invites readers into the extraordinary life of a diminutive protagonist The novel celebrated for its rich symbolism and lyrical prose is set against the backdrop of early 20th century England exploring themes of identity isolation and the transcendence of the human spirit De la Mare's distinctive literary style combines elements of fantasy with poignant realism engaging the reader with vivid imagery and an introspective tone that permeates the midget's poignant reflections on society and belonging Walter de la Mare known for his poetry and children's literature bore a profound fascination with the mystical and the uncanny which influenced his storytelling His own experiences in a world that often looked askance at differences resonate throughout the novel as he delves into the psyche of his protagonist De la Mare's deep empathy for marginalized individuals and his keen observation of human emotions culminate in a narrative that is both personal and universal reflecting his extensive literary background Readers looking for a captivating exploration of the human condition through an unconventional lens will find The Memoirs of a Midget to be an enriching experience De la Mare's exploration of societal perceptions and the quest for belonging not only illuminates the struggles of his midget protagonist but also invites
