The Church of God as Revealed in Scripture Arlo F. Newell, 1983 **The Church and the Bible** Abp. Thomas Joseph Carr, 1895 **Encountering God through the Church** Wade Rutland Howell Jr., 2019-02-21 In this thought provoking examination of how people encounter God Wade Howell examines the way humans come in contact with the divine Howell presents a biblical theological and philosophical case for why people who are physical can have a relationship with God who is spirit With an emphasis on centrality of the local church Howell demonstrates how God designed the church to satisfy the most intimate human needs which God placed in humans so he could be the source of their fulfillment With a heart for people and a love for God's church Howell echoes Augustine in showing why our soul is restless until it finds rest in God through his church *In God's Custody* Frederik A. V. Harms, 2009-12-09 Frederik A V Harms untersucht Calvins Ekklesiologie ausgehend von dessen Kommentar zu den Kleinen Propheten von 1557 1559 Harms stellt Calvins Sicht auf die Kirche aus historisch systematischer Sicht dar Seine Studie über die Ekklesiologie des großen Reformers wird begleitet von zwei historischen Teilen Zum einen bietet Harms Calvins historischen Kontext aus den Jahren 1558 bis 1559 als dieser Vorlesungen zu den Kleinen Propheten hielt Andererseits bietet Harms einen Überblick über die Auslegungsgeschichte der Kleinen Propheten von der Zeit der frühen Kirche bis zur ersten Generation reformierter Orthodoxie **Return of the Believer** Terry L. Burden, 2023-06-05 Return of the Believer Studies in the Prayer of Jesus from the Gospel of John is a theological study of the Prayer of Jesus specifically the Gospel of John in general and relevant topics in the Synoptic Gospel The Prayer of Jesus contains twenty six verses with each verse prompting broader applications for the Christian faith The main title Return of the Believer implies an original express of faith in Jesus Christ by John the writer of the Gospel The study accepts an apologetic value to the Gospel of John as it argues the importance of true faith through the acceptance of John's interpretation of Jesus Christ The Prayer of Jesus is a summary of John's views of Jesus The return of the believer is a call for a renewal of faith in the New Testament especially the Gospel of John This study reveals the Apostle John as the true believer and model for the Christian faith and the Prayer of Jesus provides a summary of John's teachings and the expressed will of God for the Church Each verse is explained in the context of its surrounding verses and important topics are addressed The special feature of the Prayer is its prompting of related issues that appear elsewhere in the New Testament and the teachings of the Church For example the Prayer and the Gospel itself does not mention the birth of Jesus but instead focuses on the pre-existence of the Son as the eternal Logos or God This study requires an explanation of the difference Discussions of each verse invite the reader to engage in contemporary related issues **C.S. Lewis--The Work of Christ Revealed** P. H. Brazier, 2012-08-14 C S Lewis The Work of Christ Revealed focuses on three doctrines or aspects of Lewis's theology and philosophy his doctrine of Scripture his famous mad bad or God argument and his doctrine of christological prefigurement In each area we see Lewis innovating within the tradition He accorded a high revelatory status to Scripture but acknowledged

its inconsistencies and shrank away from a theology of inerrancy He took a two thousand year old theological tradition of aut Deus aut malus homo either God or a bad man and developed it in his own way Most innovative of all was his doctrine of christological prefigurement intimations of the Christ event in pagan mythology and ritual This book forms the second in a series of three studies on the theology of C S Lewis titled C S Lewis Revelation and the Christ www.cslewisandthechrist.net The books are written for academics and students but also crucially for those people ordinary Christians without a theology degree who enjoy and gain sustenance from reading Lewis s work

Karl Barth s Doctrine of Holy Scripture Klaas Runia, 2018-11-27

Hardly any Christian doctrine is discussed so much today as that of Holy Scripture Innumerable books are published about it and official discussions in many churches are concerned with it Karl Barth s doctrine plays a great part whether positively or negatively in all of these discussions and reports His stature is so great that no one can deal with the problem of Holy Scripture without considering Barth s view and defining his own position over against it Indeed many aspects of Barth s view have come to be generally accepted as beyond criticism Such uncritical acceptance is itself a good reason to devote a special study to Barth s doctrine of Holy Scripture because no matter how we assess it the Church Dogmatics of Karl Barth is one of the greatest

forces in the modern theological world In its vastness and variety its comprehensiveness and detail it constitutes a challenge to every school Nor is it to be met by caricature or sweeping generalization The individual themes demand searching analysis and appraisal at the exegetical historical and dogmatic levels at which Barth himself develops them Only on the basis of detailed treatment can there be ultimate understanding and assessment of the whole It is because Dr Runia tackles this preliminary problem that his present work is so significant He does not add to the list of general books Choosing a critical and sensitive area he devotes himself to the concentrated task of presenting the Barthian teaching on inspiration in its normative form In the course of his analysis he examines the proposed biblical basis of Barth's statement and brings it into lively interaction with the Reformation tradition which Barth believes that he represents By means of a thorough inquiry into the single point Dr Runia thus gives us a far more informative stimulating and authoritative criticism that is possible in more comprehensive studies The result is a valuable work which deserves to be widely studied and which should serve as a model for similar investigations into the many detailed themes of the Dogmatics It is characterized by an honesty and relevance which gives it more than a narrowly academic interest The real problems are faced and it is candidly the most orthodox of statements Yet the great verities of the traditional doctrine emerge the clearer and stronger for this powerful discussion and in such a way that they may again make their salutary impact on a wider theological front The Modern Theologians David
