Liberty ,1926 **Emotional Arenas** Mark Seymour,2020-04-02 Based on the records of a murder trial that transfixed all of Italy in the late 1870s this study makes use of a dramatic court case to develop a new paradigm for the history of emotions the emotional arena Set in the decade following Italian unification the context was one of notable cultural variety An as yet unexplored aspect of this was that the experience and expression of emotions were as variable as the regions making up the new nation Through a close examination of the spaces in which daily lives loves and deaths unfolded from marital homes to places of socializing and entertainment to a Roman court room Mark Seymour explores the way social arenas are crucial to the historical development of emotional cultural rules The narrative is driven by the failed marriage of a decorated but allegedly impotent Risorgimento soldier his wife s scandalous affair with a virile circus artiste who had a string

of previous lovers and the illicit new couple's murder of the hapless husband. Hundreds of witnesses from local professionals to servants and even circus clowns interviewed across the length and breadth of the peninsula left their personal views on marriage, sexuality and infidelity. These provide an extraordinary series of peepholes into little-known areas of the new nation's social fabric. A careful yet imaginative reading of the prosecution records as well as contemporary newspaper coverage allows reconstruction of the highly emotional experiences of all those touched by this extraordinary story. The result is a classic Italian micro-history with relevance for today's emotionally volatile times.

Chaplin in the Sound Era Eric L. Flom, 2015-07-11. Charles Chaplin's sound films have often been overlooked by historians despite the fact that in these films the essential character of Chaplin more overtly asserted itself in his screen images than in his earlier silent work. Each of Chaplin's seven sound films *City Lights* 1931, *Modern Times* 1936, *The Great Dictator* 1940, *Monsieur Verdoux* 1947, *Limelight* 1952, *A King in New York* 1957 and *A Countess from Hong Kong* 1967 is covered in a chapter-length essay here. The comedian's inspiration for the film is given along with a narrative that describes the film and offers details on behind-the-scenes activities. There is also a full discussion of the movie's themes and contemporary critical reaction to it.

Eve Arden David C. Tucker, 2014-01-10. The remarkable career of American actress Eve Arden, 1908-1990, is thoroughly chronicled from her earliest stage work in 1926 under her given name Eunice Quedens to her final television role in a 1987 episode of *Falcon Crest*. Included are detailed descriptions and critical commentaries of the actress's 62 feature film appearances between 1929 and 1982, notably her Oscar-nominated performance as Joan Crawford's sardonic confidante in 1945's *Mildred Pierce*. Complete coverage is provided of Eve Arden's work in the popular radio and television series *Our Miss Brooks* and her later costarring stint with Kaye Ballard in the two-season TV sitcom *The Mothers in Law*. Also listed are her many other radio and television appearances as well as her theatrical roles in such Broadway productions as *Ziegfeld Follies* of 1936 and *Let's Face It*.

Notable Czech and Slovak Americans Miloslav Rechcigl Jr., 2021-12-14. The contribution to the development and culture of America by the immigrants from the territory of former Czechoslovakia, be they Czechs or Slovaks or Bohemians as they used to be called, has been enormous. Yet little has been written about the subject. This compendium is part of an effort to correct this glaring deficiency. In this compendium, the focus is on religion, law and jurisprudence, business and entrepreneurship, and the notable people in the government, with the narration and assessment about the Czechoslovak American explorers, adventurers and pioneers who paved the way for the colonists and settlers who followed them. An important role among them played the social

movement activists some of whose ideas won the respect and ultimately acceptance by general population to which subject an entire section has been devoted Among other you will find among them abolitionists freethinkers suffragists civil human rights activists environmentalists and conservationists climate change activists philanthropists inventors and even futurists or futurologists Their innovative ideas inevitably led to the rise of the plethora of Czech and Slovak American leaders encompassing practically every aspect of human endeavor As stated in the Foreword this reference will serve as a powerful research tool for many years to come for scholars and all Czechs and Slovaks on both sides of the Atlantic **New York Star** ,1926 Classroom Authoring, Grade 1 Jima Dunigan,2008-04 **Canadian Moving Picture Digest** ,1918
