**Vacation** L. Frank Baum,2025-08-23 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

**Communication Skills for Nurses** Marilyn Edwards,2014-11-19 Over a third of all consultations in general practice are now conducted by nurses The consultation is the key element of primary care with patients being more satisfied with the care given by clinicians who have good communication skills Poor communication or dissatisfaction with a consultation is reported to be one reason why patients decide not to attend or do not take a prescribed treatment Patients need to be satisfied with the consultation understand their condition and understand the reasons for their treatment or management plan This book has been written to reinforce good consultation and communication skills and highlights areas where readers might wish to review and improve their own consultation techniques This is done through case studies and scenarios that are likely to be common in many practices Although the text and scenarios relate to practice nurse consultations the content can be transferred to all primary care nursing settings

**Images on a Mission in Early Modern Kongo and Angola** Cécile Fromont,2022-04-25 Early modern central Africa comes to life in an extraordinary atlas of vivid watercolors and drawings that Italian Capuchin Franciscans veterans of Kongo and Angola missions composed between 1650 and 1750 for the training of future missionaries These practical guides present the intricacies of the natural social and religious environment of seventeenth and eighteenth century west central Africa and outline the primarily visual catechization methods the friars devised for the region Images on a Mission in Early Modern Kongo and Angola brings this overlooked visual corpus to public and scholarly attention This beautifully illustrated book includes full color reproductions of all the images in the atlas in conjunction with rarely seen related material gathered from collections and archives around the world Taking a bold new approach to the study of early modern global interactions art historian Cécile Fromont demonstrates how visual creations such as the Capuchin vignettes though European in form and craftsmanship emerged not from a single perspective but rather from cross cultural interaction Fromont models a fresh way to think about images created across cultures highlighting the formative role that cultural encounter itself played in their conception execution and modes of operation Centering Africa and Africans and with ramifications on four continents Fromont's decolonial history profoundly transforms our understanding of the early modern world It will be of substantial interest to specialists in early modern studies art history and religion

*Make: Math Teacher's Supplement* Joan Horvath, Rich Cameron,2024-07-26 Make Math Teacher's Supplement is the essential guide for teachers parents and other educators wanting to supplement their curriculum with Joan Horvath and Rich Cameron's Make Geometry Make Trigonometry and Make Calculus books This book is a companion to the three math books and does not duplicate the content in them Drawing on the authors experience guiding both students and teachers it covers The philosophy behind the Make math book series including the key inclusion of universal design principles to make the material accessible to those who learn
