The Collected Jorkens Vol 2:

The Collected Jorkens Volume 2 Lord Dunsany, 2005-08-01 The second in a three volume set collecting all of Lord Dunsany's club stories as told by Jorkens Long unavailable and essential reading for all fans of classic fantasy Introduction by T E D Klein Skyhorse Publishing under our Night Shade and Talos imprints is proud to publish a broad range of titles for readers interested in science fiction space opera time travel hard SF alien invasion near future dystopia fantasy grimdark sword and sorcery contemporary urban fantasy steampunk alternative history and horror zombies vampires and the occult and supernatural and much more While not every title we publish becomes a New York Times bestseller a national bestseller or a Hugo or Nebula award winner we are committed to publishing quality books from a diverse group of authors **The**

Value of Information Ramanan Laxminarayan, Molly K. Macauley, 2012-08-14 The book examines applications in two disparate fields linked by the importance of valuing information public health and space Researchers in the health field have developed some of the most innovative methodologies for valuing information used to help determine for example the value of diagnostics in informing patient treatment decisions In the field of space recent applications of value of information methods are critical for informing decisions on investment in satellites that collect data about air quality fresh water supplies climate and other natural and environmental resources affecting global health and quality of life **Lord Dunsany** S. T.

Joshi, Darrell Schweitzer, 2013-12-13 Anglo Irish writer Lord Dunsany 1878 1957 was a pioneering writer in the genre of fantasy literature and the author of such celebrated works as *The Book of Wonder* 1912 and *The King of Elfland's Daughter* 1924 Over the course of a career that spanned more than five decades Dunsany wrote thousands of stories plays novels essays poems and reviews and his work was translated into more than a dozen languages Today Dunsany's work is experiencing a renaissance as many of his earlier works have been reprinted and much attention has been paid to his place in the history of fantasy and supernatural literature This bibliography is a revision of the landmark volume published in 1993 which first charted the full scope of Dunsany's writing This new edition not only brings the bibliography up to date listing the dozens of new editions of Dunsany's work that have appeared in the last two decades and the wealth of criticism that has been written about him but also records many obscure publications in Dunsany's lifetime that have not been previously known or identified In all the bibliography has been expanded by at least thirty percent Among this new material are dozens of uncollected short stories newspaper articles and poems and many books essays and reviews of Dunsany's work published over the past century Altogether this bibliography is the definitive listing of works by and about Dunsany and will be the foundation of Dunsany studies for many years to come Peter S. Beagle's "The Last Unicorn" Timothy S. Miller, 2024-04-09 This book assesses the work of one of the foundational figures of American fantasy Peter S Beagle Through its focused analysis of *The Last Unicorn* this study contextualises Beagle's work in relation to the popularity of the fantasy genre following its growing success in the aftermath of Tolkien's *The Lord of the Rings* In addition through reference to the film

adaptation of *The Last Unicorn* and also Beagle's other works this study highlights the author's longevity and the influence that his metafictional and comedic work has had on contemporary fantasy Critical Essays on Lord Dunsany S. T. Joshi, 2013-08-22 From the publication of his first book in 1905 until his death Lord Dunsany 1878-1957 was an immensely popular Anglo-Irish writer. He has long been admired in the realms of fantasy, horror, and supernatural fiction and was a friend and colleague of writers W. B. Yeats, Lady Gregory, James Stephens, and Oliver St. John Gogarty. In recent years he has enjoyed a resurgence as a pioneering fantasy writer and an immense influence on later work in the genre. *Critical Essays on Lord Dunsany* is the first volume to assemble studies of Dunsany's short fiction, novels, plays, and memoirs, as well as discussions of his influence on such writers as J. R. R. Tolkien and H. P. Lovecraft. The book also contains early articles and reviews by Yeats, Lovecraft, H. L. Mencken, Rebecca West, and Arthur C. Clarke. Seven original essays by leading contemporary scholars on Dunsany examine the use of medieval archetypes in his fantasy novels, the distinctiveness of his recurring character clubman Joseph Jorkens, the influence of *Don Quixote* on his first novel *The Chronicles of Rodriguez* (1922), the treatment of religion in his later novels, and other subjects. This anthology presents a comprehensive snapshot of Dunsany's distinctive work and his contribution to fantasy fiction and world literature. Making a case for the continued study of this neglected but hugely influential writer, *Critical Essays on Lord Dunsany* will be of great interest to enthusiasts of Dunsany's work as well as students and scholars of fantasy, horror, the supernatural, and Irish literature Rare Book Review , 2005

Strange and Secret Peoples Carole G. Silver, 2000-10-12 Teeming with creatures both real and imagined, this encyclopedic study in cultural history illuminates the hidden web of connections between the Victorian fascination with fairies and their lore and the dominant preoccupations of Victorian culture at large. Carole Silver here draws on sources ranging from the anthropological, folkloric, and occult to the legal, historical, and medical. She is the first to anatomize a world peopled by strange beings who have infiltrated both the literary and visual masterpieces and the minor works of the writers and painters of that era. Examining the period of 1798 to 1923, *Strange and Secret Peoples* focuses not only on such popular literary figures as Charles Dickens and William Butler Yeats but on writers as diverse as Thomas Carlyle, Arthur Conan Doyle, and Charlotte Mew; on artists as varied as mad Richard Dadd, Aubrey Beardsley, and Sir Joseph Noel Paton; and on artifacts ranging from fossil skulls to photographs and vases. Silver demonstrates how beautiful and monstrous creatures, fairies, and swan maidens, goblins, and dwarfs, cretins, and changelings, elementals, and pygmies simultaneously peopled the Victorian imagination and inhabited nineteenth-century science and belief. Her book reveals the astonishing complexity and fertility of the Victorian consciousness, its modernity and antiquity, its desire to naturalize the supernatural, its pervasive eroticism fused with sexual anxiety, and its drive for racial and imperial dominion **Cumulated Fiction Index 1945-1960 (Fiction Index Three)** , 1960 **The Clique** , 1977 **Fiction Index Three** Gerald Brooks Cotton, 1945 **Fiction Index** , 1960 The Reader's Adviser , 1964 **The English Catalogue of Books Published from January, 1835, to January, 1863** , 1864
