**The College and University Trustee** Louis H. Heilbron, 1973      **Handbook of College and University Trusteeship** Richard T. Ingram, 1980      **What College Trustees Need To Know** Norman Smith, George J. Matthews, Norman R. Smith, 2013

WHAT COLLEGE TRUSTEES NEED TO KNOW is written for the tens of thousands of college and university trustees who oversee the over 1 700 independent institutions in America. Written by three veteran higher education leaders, the book aspires to give these trustees the fundamental knowledge they need to understand the essential vital signs of their respective institutions and thereby be in the position to ask the right questions of management that help the institution avoid fiscal potholes while concurrently contributing to helping the institution move forward and even flourish. These are very challenging times for tuition dependent colleges which 95% or more of all independent institutions finally are. Like never before, Trustees are confronted with having to re-examine traditions and be open to changes that respond to today's economic and cultural changes. This book is a great guide that gives college trustees a collection of important questions to be asking, presented in a very readable format. It will be tremendously helpful to me going forward.

Robert Morris Chair Board of Trustees Elmira College New York

If there is anyone who knows about proper trusteeship and has the track record to prove it, that person is George Matthews. Dr. John A. Curry, Chancellor Northeastern University Boston.

This terrific book is a must read for all college trustees, a great piece of work that is long overdue. Read it and you will learn. Use it and you will help your college succeed. Bravo!

Dr. Russel R. Taylor, Founder of the Taylor Institute for Entrepreneurial Studies, College of New Rochelle, Trustee Emeritus, Richmond University, London, England.

Here is an important read for all college trustees and presidents. Too many fine colleges are unnecessarily pointed toward fiscal extinction. Written with candor and practical optimism, the authors rightly call on colleges to rethink traditions and reinvigorate themselves in order to secure the viable and relevant future that is theirs to seize or otherwise lose.

Dr. Ralph A. Toran, Past Chair, Mount Ida College Board of Trustees, Massachusetts.

This book is a publication of the CES Registry for College and University Presidents.

**The Nature of Trusteeship** John W. Nason, 1982

The responsibilities and problems confronting college and university trustees in the last quarter of the 20th century are considered. The following topics are briefly addressed: increased enrollments after World War II, the growth of community colleges, the establishment of state coordinating commissions, political influences, federal support and intervention, retrenchment and confusion of mission.

Responsibilities of trustees are as follows: maintaining the integrity of the trust; appointing the college president; insuring that the institution is managed well; approving the budget; raising money; managing the endowment; assuring adequate physical facilities; overseeing the educational program; approving long range plans; serving as a bridge between campus and community; preserving institutional autonomy; serving as court of appeal; and being informed.

The collective responsibilities of

trustees and the composition and operation of the board are addressed including selection and orientation committee structure and meetings role of the chairman and president and board morale The legal liability of trustees and conflicts of interest are also discussed Statistics on governing boards and a substantial bibliography are appended **The Changing Status of the College and University Trustee** Reginald Mack Leffall,1971 **The Law of Higher Education, 2 Volumes** William A.
