The Coming Of Christ:

The Time of His Coming Michael Vilardi, 2006-04-03 The second coming of Jesus Christ is a phenomenon that has lasted for generations and has even influenced human civilization itself Devoted people continue to wait for his return In the new book *The Time of His Coming* author Michael Vilardi explains to readers how and when Christ will return The book explains the biblical timeframes for all these events then explains why God will allow them to happen The book starts off by explaining the biblical plan for salvation The book then explains all the biblical events that must occur before Christ can return Events such as the Rapture The Tribulation period and Daniels 70th week The book explains why the events happen in the order that they do and what the purpose of each event is Each timeframe is interpreted with the sharpest details to enable readers to fully understand them The book also details who the false prophet Anichrist and two witnesses will be The Time of His Coming will undoubtedly provoke thought and attract the attention of many readers especially Christians non Christians and enthusiasts of the End of Time phenomenon For non believers the book will give them opportunities to test the accuracy of the bible and at the same time it will spark a new series of religious and historical debates among all readers Furthermore readers will be touched as they will be introduced to Gods Great Plan of Love and Salvation for all mankind The Time of His Coming is easily one of the most compelling books to read today Order your copy today *The Coming of Christ* Isaac Massey Haldeman, 1906 [Essays on the Coming of Christ](#) Warren Skinner, 1830 **The coming of Christ and signs preceding His Coming** John Waite (of Camberwell.), 1896 [Come, Lord Jesus!](#) Stephen Motyer, 2016-04-21 The second coming of Jesus Christ is the core of the biblical worldview the climax of the biblical message the cornerstone of biblical theology and the centrepiece of authentic biblical faith for the twenty first century At the heart of this bold opening statement by Stephen Motyer is the conviction that Jesus Christ is the centre of the Scriptures even though he only appears at the end For the New Testament writers Jesus Christ revolutionized their understanding of the Scriptures and gave them a new centre around which to interpret the work of God in the world and the climax of that work is the second coming of that same Jesus Christ Jesus himself used the language of the Scriptures to promise his coming again the coming of the Son of Man Hence we need the whole of Scripture to understand what the second coming means for us today The fact that the Bible ends with the prayer Come Lord Jesus Revelation 22 20 is deeply appropriate The second coming is the end of the biblical message its omega point its grand finale the denouement when all the players in the drama of earth history both human and angelic are gathered in the drawing room to hear the Master unpack the plot and give the verdict Motyer s comprehensive stimulating study is divided into two parts Part One The biblical frame examines three Old Testament passages and lays the foundation for Part Two New Testament hopes and visions which explores a series of key texts He focuses on the second coming rather than on millennialism or the end times in order to provide the fundamental biblical theology that must underlie our whole sense of God s future for his world [The Coming of the Lord](#) James Henry Snowden, 1919 *The Second*

Coming and Kingdom of the Lord and Saviour Jesus Christ William Kelly, 2015-01-04 Includes the following The Christian Hope and the Sure Word of Prophecy The Jews in relation to the Coming of the Lord The Gentiles in relation to the Coming of the Lord The Church of God in Relation to the Coming of the Lord The Rapture of the Saints Raised or Changed at Christ's Coming The Tribulation and those who are to pass through it The Appearing and Kingdom of the Lord Jesus The Judgment and the Eternal State On the Lord's Announcement of Gentile Judgments **The Coming Kingdom of Christ** John R. Rice, 2000-08 *The Coming Presence* Frank Morehead Thomas, 1913 *The Church in the Coming Great Tribulation* Steve Urick, 2009-08-17 Christians today are widely being taught that the next event on the prophetic calendar is the any moment and signless Rapture of the Church Thus the bride of Christ will not have to go through the Great Tribulation But is that what the Bible truly teaches The Church in the Coming Great Tribulation examines the biblical doctrine of the Rapture and its timing in relation to the Day of the Lord as taught by Jesus and the apostles If you have questions about the Rapture or doubt some of the things that are being said by modern day prophecy teachers this timely work sheds light on the subject and will help to clear up any confusion you might have **Signs of the Coming Christ** R Scott Sykes, 2004-10 Signs of the Coming Christ is a consolidation of all biblical prophecy that is relevant to the current age This scientific analytical approach sheds new light on ancient scriptures Biblical Studies **What Jesus Says about Earth's Final Days** Mark Hitchcock, 2010-06-16 Two days before He died Jesus gave His closest followers a sweeping panorama of earth's final days Responding to questions about the end times Jesus great speech on the Mount of Olives described the tribulation and His second coming and offered several famous parables of practical application for the disciples In a powerful indication of His priorities Jesus devoted twice as much time to telling His followers how to live in light of His return as he did to describing the actual event Readers will be inspired and equipped to live faithfully in expectation of Christ's coming *Sentiments Concerning the Coming and Kingdom of Christ* Joshua Spalding, 1841 **The Second Coming of Christ: Study Guide** Keith Thomas, 2015-05-05 The purpose of doing this study is to focus on the coming of Christ and to better prepare us for His coming The early Christians in the first century would often talk of His coming and encourage one another by looking forward to the day when Christ would return If that was so for centuries ago how much more should we be anticipating His coming in the days in which we live Now more than ever it is important that we remember often to lift up our heads and say Come Lord Jesus **The Coming and Kingdom of Christ**, 1914 **One Thousand Years with Jesus** Matthew Bryce Ervin, 2017-03-28 The time is coming when the world will be radically changed for the better It will last for a thousand years bookended by resurrections first of the just and then of the unjust Satan will be chained in the abyss no longer free to influence the nations The saints will reign alongside the King of kings Jesus Christ This is a time that will begin after the return of the Messiah and end with Satan's total defeat and the judgment of sinners It is the very culmination of history a transition away from the fallen world into the perfection of the eternal state This is a time known as the Millennium and the

Messianic Kingdom An understanding of this critical age makes the Bible come together as one metanarrative It helps tell the story of the Scriptures **The remnant of Israel, the Church and the coming of Christ** Edgar Hastings Thomas,1903

Rapture Revelations: Jesus is Coming Bill Vincent,2013-02-04 Much has been written and taught about the coming of Christ for His Church Unfortunately most of our modern day teachings on this most important doctrine are misleading to say the very least Bill Vincent has studied for years and now is releasing his findings in this book Rapture Revelations A careful scrutiny of the Scriptures will reveal the truth about the second coming of Christ which we generally refer to as the rapture In Rapture Revelations he has set out to correct the most obvious errors of the pre tribulation doctrine and to establish the basic foundation for understanding the truth of the matter Great care is taken to follow the guidelines of Scripture and the Biblical basis of doctrinal interpretation precept upon precept and line upon line This is the only method of interpretation used in the pages of Rapture Revelations Since God Himself revealed His method of understanding doctrine it is believed by the author to be the best method to use Therefore with Bible in hand follow along with the Scriptures quoted and see if you don t find truth within its pages In Rapture Revelations Bill answers questions that many do not know the answers to Be open and allow this page turner to open up the biggest controversial subject of the rapture of Jesus Christ If you are a lover of truth you will enjoy this very basic presentation of Biblical facts concerning the doctrine of the gathering together of Christ s saints unto Himself **Sentiments concerning the Coming and Kingdom of Christ ... In nine lectures; with an appendix** Joshua SPALDING,1841 **A Coming Christ in Advent** Raymond Edward Brown,1988 Father Brown reflects here not only on those annunciations of Jesus forthcoming birth in the Gospels of Matthew and Luke but also on the beautiful canticles the Magnificat and the Benedictus and on the origins of Jesus as given in the first words of the New Testament
