Second Coming August Rosado, 2011-02-04 There's been an on going struggle between the seed of Satan and the seed of God. Satan has tried numerous times to contaminate the bloodline in which the Messiah of Israel would come. It's been a game of chess between the God of Israel who would bring about these Messianic prophecies and the enemy of the Jewish people who would like nothing more than to destroy the Jews and those prophecies. To eliminate Israel is to eliminate the promises of God and the return of Jesus. Satan has raised empire after empire, dictator after dictator in his quest to destroy the Jews. These empires no longer exist but the Jewish people still remain. God has made promises to the Jewish prophets that he would preserve the Jewish people. God has preserved the Messianic bloodline in order to bring about those prophecies despite satanic attempts to eliminate them. In this book we go to the very beginning to see how this conflict began and where it will culminate in the greatest battle of all time according to Bible prophecy. August Rosado is the founder of Today in Bible Prophecy Ministries based in Corpus Christi, Texas. He travels the country as he preaches at churches on the soon return of Jesus the Messiah. He and his wife are on full time staff with People's Baptist Church and are representatives of Roloff Homes. He hosts tours to Israel and has been married for 23 years to Patty Rosado. They have three daughters and have six grandchildren. The ministry's website is www.todayinbibleprophecy.org and August Rosado is available for church speaking and Israel tours.

Reports of Cases Adjudged and Determined in the Court of Chancery of the State of New York: Paige's

Chancery reports, v. 3-6 New York (State). Court of Chancery, 1888 **The Coming of Jesus** Bonnie Gaunt, 1999 The Codes or Gematria of the Bible are decoded to reveal predictions of the first coming of Jesus as a child born in Bethlehem of his second coming and of earth's great millennium. Readers will be fascinated by the magnificent journey revealed by The Coming of Jesus, a journey that transports them from the biblical era to the present day. The author also demonstrates that the time line for the fulfillment of end time prophecies is encoded within the prophecies themselves. The book shows how clues to the coming Golden Age exist in the pyramids, Stonehenge, the Bible and other ancient texts. **THE COMING**

MILLENNIAL KINGDOM Stephen Nielsen, 2017-10-12 Much has been said about the millennial kingdom through the centuries in the Scriptures and in many books. But sadly today we find that the truth about the millennium has been lost or corrupted. It seems that most of us don't know what to believe about it. This book will help us to rediscover the millennium as we examine over 500 Bible passages. In the first chapter the reader will discover nine progressive phases of the kingdom of God throughout history, all of which lead to a more perfect kingdom, the millennial kingdom. In the next two chapters we see how the King comes to the earth and how His kingdom is set up. In the remaining chapters five great purposes of the millennium are discussed, followed by the last things events which take place after the millennium is over. This book is a must read for anyone who desires to see the millennium in the Bible from God's perspective, thus to see His great purposes for His kingdom. *The Rediscovery of Gnosticism* Bentley Layton, 1980 **The Coming New World Order** Thomas J.

Mueller, 2015-04-02 This book proposes a step by step blueprint for a better world. There is a storm brewing on the horizon. A

new world order is coming based on all the trends and global pressures that is facing mankind today The question is who s world vision is going to prevail and lead us into the 21st century and beyond Will it be based on Man s vision and his world ruling government that has only produced war or God s vision and Christ s world ruling government that is guaranteed to produce lasting peace The outcome to this vital question and struggle will either bring on the Apocalypse or the prophesied Millennium It is our choice and we need to decide soon before we hit a point of no return Prophecy says the Kingdom of Man is going to face off with the Kingdom of God on the Plains of Megiddo in Northern Israel in the not too distant future for supremacy on earth if we don t heed the warnings and change our ways Our message therefore is simple Christ is returning shortly as King of Kings to establish a new political order His world ruling government of the Kingdom of God on earth His return can either be a forceful one or a peaceful one It is our decision Either way we need to decide soon and get ready for the Second Coming
