Gospel of Luke George N. H. Peters,2020-07-10

Once described as the most exhaustive treatise on the Kingdom of God ever written the late Rev George N H Peters the author of The Theocratic Kingdom left many unpublished personal bible studies These recently discovered handwritten documents are now being meticulously transcribed and prepared for publication What makes these 100 year old studies unique is the straightforward grammatical viewpoint taken by Rev Peters towards interpretation that the language of the Bible does not require spiritualization or mysticism to be understood that such unjustified additions actually confuse and mislead the reader The application of these practical Rules of Interpretation as seen in the recently published Testimony of Jesus and Testimony of John gives the Gospel of Luke a clear fresh new voice given from the viewpoint of an contemporary Man who was neither an Apostle or Disciple of the Lord during his earthly ministry The Rev Peters clearly exposes the simple interconnected design of the book a testimony to the true identity of Jesus as the covenanted and predicted Messiah The Study focuses ONLY on the unique accounts of Luke not contained in the other three Gospels Every instance in each chapter of Luke s testimony confronts the reader with this most important distinction By the end of Luke s testimony the evidence is so overwhelming the distinctions so clear that only one realization remains the reason Luke wrote the book in the first place that All of the past present future Biblical prophecies are to be fulfilled in the person of this Messiah ONLY the Messiah has the God given authority and supernatural power to succeed in these appointed tasks and most importantly that Jesus and the Messiah are one and the same person In the plainest manner possible then Luke spreads within the grasp of the reader the heart and soul of the Bible the past and future hopes of mankind in this one simple truth Luke like Jesus would ask Believest thou this
