## **The Coming Temple:**

**The Jews, Jerusalem, and the Coming Temple** Don Stewart, 2016-05-11 How does the next temple fit into God's program for the future? The Jews have miraculously returned to their ancient home land after a two thousand year absence. Many Jews are preparing to build another Temple on Jerusalem's Temple Mount. What does this have to do with Bible prophecy? In *The Jews, Jerusalem and the Next Temple* Don Stewart looks at how these events have been predicted in Scripture as well as how they fit into the last days scenario. He answers questions such as: Why does Jerusalem remain the focus of international attention? Will another Temple be built? What preparations are being made for a coming temple? How will this next temple lead into the Second Coming of Christ? This book is a must read for those who want to understand how the Jews, Jerusalem and the next temple fit into the program of God. *Messiah's Coming Temple* John W. Schmitt, J. Carl Laney, 2014-02-12 One of the Old Testament's most enigmatic prophecies is Ezekiel's vision of a new restored temple in Jerusalem. What would a restored temple be like? How would it operate? And when might it be built? These and many other intriguing questions are addressed in this newly updated and expanded work based on extensive research and discussions with leading Jewish leaders and rabbis in the United States and Israel. *Messiah's Coming Temple* provides a thorough vision of this future center of worship during the coming messianic kingdom. Along with biblical interpretation of the key prophecies of Ezekiel regarding Messiah's coming temple, the work includes photos and descriptions based on a unique and detailed model of the future temple. *The Coming Temple of God* Henry Epps, 2012-08-29 The coming kingdom of God talks about the return of Jesus Christ and the final temple of God. **The Coming Temple of God** Lonnie L. Shipman, 1994 **Jesus, the Temple and the Coming Son of Man** Robert H. Stein, 2014-08-20 Mark 13, the so-called Little Apocalypse, has puzzled readers for generations. Was Jesus speaking of the end time return of the Son of Man or the coming destruction of Jerusalem or both? How can we know? Robert Stein, a seasoned Gospels scholar, offers an in-depth and insightful commentary on Mark chapter 13, an important and puzzling discourse of Jesus. **The Coming Temple** Don Stewart, Chuck Missler, 1991 *The Coming Last Days Temple* Randall Price, 2000 **The Temple and the Community in Qumran and the New Testament** Bertil Gärtner, 2005-10-06 This is the first of a series of monograph supplements to the journal *New Testament Studies*. The main purpose of the series is to make possible publication of work which is too long for inclusion in the journal. The monographs will be published in either English, French, or German; the present one is in English. Dr. Gärtner's purpose is to follow in detail the parallels between the New Testament and Qumran writings in their concept of the community: Christian or Essene as a spiritual temple. The whole complex of relationships between Qumran and the early Church is studied with the purpose of extending our knowledge of the Jewish background of the New Testament. Dr. Gärtner's conclusions lend strong support to the view that it is from this Qumran type of Judaism that the Christian Church arose. *The Coming Messiah* Elwood McDuffie, 2019-07-26 *The Coming Messiah: Hope for a Hurting World* provides a glimpse of history and how the world

arrived at this point in time by maintaining a focus on the nation of Israel God's redemptive story is woven throughout its pages providing encouragement and hope for those who may feel they have no hope We see war and strife on every side distress among nations famine and disease and a time when evil is called good and good is called evil Yet even in the midst of extreme difficulty and persecution you can find peace you can have hope hope that can only be found in the person of Jesus Christ The Coming Messiah Hope for a Hurting World tells how you can have that hope hope that surpasses all understanding Difficult times are sure to come yet God has provided a way of escape through his dear Son Jesus Christ

The Next World War Grant R. Jeffrey, 2006 Drawing from firsthand interviews and intelligence reports plus exhaustive research into Scripture historical trends religious movements and current events Jeffrey shares that the amazing story behind today's headlines is that God will preserve his people *The Temple and the Church's Mission* G. any other in the History of the World As the world around us shapes to confirm that we are indeed in the time of the very end many are beginning to look deeper into the Bible and more specifically the prophetic passages of Jesus the epistles and the Revelation This has caused many to lay down the Pre Tribulation Rapture Doctrine because of the shaky ground on which it is founded What I found out is that the error and deception goes much deeper than one would think upon entering this sojourn
