

The background of the entire cover is a photograph of a sky at sunrise or sunset. A brilliant sun is positioned in the upper center, creating a powerful lens flare that radiates across the frame. Below the sun, thick, white and grey clouds are illuminated from below, giving them a golden and ethereal appearance. The overall color palette is dominated by deep blues, greys, and warm yellows and oranges from the sunlight.

The Coming World Leader Understanding The Of Revelation:

The Coming World Leader David L. Hocking,1988 The Coming World Leader David L. Hocking,1988 **The Case for Zionism** Thomas Ice,2017-02-20 The modern state of Israel has been a nation for almost 70 years When she was formed and fought her early wars of existence most Bible believing Christians believed there was a real connection with what was going on in the Middle East and Bible prophecy that predicts an end time return of the Jews to their land While support for Israel remains high in most evangelical communities we are seeing the beginning of a decline especially among younger evangelicals who question whether modern Israel really relates to end time Bible prophecy The Case for Zionism attempts to bring together biblical historical and legal arguments for the legitimacy of the startup nation known as Israel as it Explains controversies such as antisemitism and Replacement Theology Details the biblical and legal rights of Modern Israel Explores the prophetic nature and future of Israel In this presentation Thomas Ice answers many of the contemporary arguments being used by both secular and religious communities to undermine what he believes is the hand of God at work in our own day **Existential Threats** Lisa Vox,2017-07-03 In Existential Threats Lisa Vox explores the growth of dispensationalist premillennialism alongside scientific understandings of the end of the world and contends that these two allegedly competing visions have converged to create an American apocalyptic imagination When Time Shall Be No More Paul Boyer,1994-01-01 As influential as prophecy is in the worldview of so many the belief in the phenomenon remains a popular mystery largely unstudied and little understood When Time Shall Be No More offers for the first time an in depth look at the subtle pervasive ways in which prophecy belief shapes contemporary American thought and culture **The Coming World Leader** David L. Hocking,1988 **A House Divided-7 Events Before Rapture & the Coming Christian Holocaust** Michael Johnson,2004-11 Just as Jesus Christ promised a book that simplifies and clarifies the End Times prophecies is finally here A House Divided chronicles in easy to understand terms the ENTIRE End Times scenario including SEVEN easy to remember End Events After years of scouring numerous passages and gathering all the prophecies scattered throughout the Old and New Testaments of The Bible the author has been able to piece together the prophecies to form a single coherent picture of the End Times During the process of gathering together the prophecies the Author also discovered a profound prophecy concerning the emergence of a book in the End Times that outlines seven events In The Revelation Chapter 10 John witnesses a powerful Angel descending from Heaven who holds open a book while he utters seven thunders Although John heard the thunders and was about to write them down he was told to conceal them The author of A House Divided feels that he has uncovered what those seven thunders are By themselves the seven End Events only scratch the surface of all the new prophetic interpretations that are presented in this book There are at least twenty COMPLETELY NEW interpretations of prophecy never before presented that are detailed in the book Many of the author s interpretations are as bold in its assertions as The Revelation is mysterious Jews also will find this work especially intriguing In rather blunt terms the author

exalts Jews while diminishing the importance of many religious social and political organizations of our day including organized Christian hierarchy and the Catholic Church The book uses a minimum of scriptural quotes and explains in everyday language and terms what Christians must know to prepare themselves for a terrible Christian holocaust in the future And the book has been formatted to appeal to the less educated Christian Formerly most prophecy authors have ignored the larger portion of Christians who are not schooled in ancient text translations and scholarly jargon A House Divided dispenses with the scholarly chitchat that has inhibited understanding in past prophecy works It omits diplomacy and gets straight to the point Without a doubt A House Divided is as profound in fresh and new End Times understanding in this day as The Revelation was in the day of John Do not miss this opportunity to know understand and REMEMBER what has eluded all of us to this day the final revealing of the mystery of God and the WHOLE End Times Truth **The Coming Wars**

Alton Lynn Cooper,2023-11-14 Death and destruction are the result of man s fallen nature This world s history is filled with wars and rumors of war Untold millions have lost their lives in these endless battles and sadly more battles are on the way This book identifies the major wars approaching the people of this world according to the Holy Word of God Terrifying times are drawing near for those who are not saved and as a result will remain on this earth during these catastrophes Praise God this book also reveals God s simple plan of salvation and clearly describes what a person must do to be saved and escape the horror to come God desires that all come to the Lord Jesus Christ receiving forgiveness of their sins and an eternal home in heaven He has done all He can by sending His precious Son into this world to die on a cruel Roman cross We thank God that not only did Jesus die for us but that He was also buried and on the third day gloriously raised from the dead giving eternal life to all those who receive Him as their personal Lord and Saviour God never turns anyone away who comes to Him with a repentant heart His grace is sufficient to take away our sins and gather us into His loving arms If you are not yet saved our prayer is for you to receive Jesus as your personal Lord and Saviour today finding the peace and joy that only He can give

The Coming of the Son of Man Paul Bortolazzo,2007 The proposed roadmap to peace between Israel and the Arabs is stalemated Islamic terrorism is spreading around the world In response the American President initiates a global plan to defeat this enemy of democracy His invasion of three Muslim nations is an aggressive attempt to force the Arabs to sign for peace with Israel Only the Father knows when His Son will deliver His elect from the wrath to come Christians don t know the day or the hour but we are exhorted to watch so we won t be deceived Jesus warned When you see all these things know that it s near at the doors Mat 24 33 What things The invasion of Jerusalem by the Antichrist is a sign Christ s coming is near For those who refuse to watch Jesus promises to come like a thief If this is true then why are most apostles prophets evangelists pastors and teachers proclaiming the rapture must come before the Antichrist Tragically the falling away of Christians is going to be far greater than we ever imagined Those who overcome the Antichrist and his evil world system will never be blotted out of the Book of Life This is the message of the hour for the strengthening of the body of Christ Why Because Jesus said it Mat 24 25

Jeremiah offers answers to questions including What does the Bible tell us about the future How much can we understand about biblical prophecy and its application in our lives What signs and signals will precede the end of everything as we know it Which of those signs and signals have already come to pass which are we experiencing now and which are still to come An epic and authoritative guide to biblical prophecy The Book of Signs is a must have resource for Christians seeking to navigate the uncertainties of the present and embrace God s promises for the future with a renewed sense of hope and purpose Interested in learning more Check out other books by Dr David Jeremiah The Great Disappearance Where Do We Go from Here The World of the End Living with Confidence in a Chaotic World Is This The End After the Rapture **Fuel** Joe White,2012-07-13 Finding ways to connect on a spiritual level with teens can be difficult With these simple 10 minute devotionals parents can maximize their devotional time with their teens and prepare and equip them with the strong spiritual foundation they need Written by youth expert Joe White Fuel makes it easy and practical for parents to connect spiritually with their teens in just minutes a day Revelations about Revelation Larry G. Pittman,2024-06-03 Revelations About Revelation was born of a Pastor s heart for laypeople to help them understand a book of the Bible which has been grossly misinterpreted for ages by many preachers and Bible teachers The author seeks to explain as simply as possible what the Apostle John was actually expressing to people of his own time in the context of the circumstances they were facing to help them stand firm for Jesus in the face of persecution Too many times Revelation has been presented as some horrifying prediction of the future when John plainly states that he was sharing with the Church in his own time the tribulation and the Kingdom and the patient endurance Revelation 1 9 He was not speaking of some far off future tribulation but the one they were facing at the end of the First Century AD which has continued to this day and will continue in one form or another in varying degrees of ferocity until Christ returns The author of the present work first preached through Revelation for the two congregations he was serving in 1985 He felt the need to pass this message along to more people than would ever hear him preach so he began putting it all together in a book in 1987 After a busy life of ministry other work and public service approaching retirement he was finally able to edit and complete the basic manuscript and prepare it for publication which he hopes will be helpful to the reader in understanding the strange images of Revelation that those who read may draw strength from the witness of John in difficult times and find courage to stand strong for Christ in any and all circumstances Glory be to God *Escape the Coming Night* David Jeremiah,2001-11-10 No one can deny that the world is in trouble Tragedy stalks our streets Violence and bloodshed fill the news How do we explain so much chaos Is there any hope for peace in our time Dr David Jeremiah s dramatic narrative on the Book of Revelation answers these and many more challenging questions by unraveling the imagery and explaining the significance of the events described in the last book of the Bible Within its pages are the hope and encouragement we need to lift us from the gloom of present events to the promise of a brilliant future The King is Coming Erwin W. Lutzer,2012-05-01 Begin to explore the end The end is near While these often sound like

words of insane rambling they can also be a sensible presentation of truth Acknowledging that what is yet to come is beyond the scope of our wildest projections pastor and scholar Erwin Lutzer reminds us that we have not been left completely in the dark There is much we can know Within this book are ten events we can be certain of ten events that will change our future forever You will be encouraged to renew your expectation of the return of the Messiah and in so doing be motivated to live pure lives for Him The King is Coming has been written precisely to aid your own exploration of biblical prophecies with sound sensible balanced perspectives based on the simple meaning of the biblical texts Saturated with both humility and a sense of urgency this book not only provides answers for those questioning what comes next but also empowerment and instruction to live accordingly in the here and now *The Curse Removed* Dan Salter,2021-08-18 The atonement is the central doctrine of our Christian faith Today s most popular model penal substitution presumes Jesus took on the guilt of sins to pay for them with his death But that courtroom scenario lacking justice and open armed forgiveness is riddled with questions of how guilt is transferred and why punishing another for a crime is just The recent revival of Christus Victor and mimetic atonement theories may properly deny the Father to Son wrath of penal substitution but they too fall short in explaining the transference of the victory of Jesus s atonement to the sinner who needs rescue Addressing these problems Dan Salter s biblically faithful recast of a redemptive atonement highlights both our human physical essence and our spiritual identity as the beneficiaries of God s restoration True justice and forgiveness can occur only with *The Curse Removed*
