The Humour Of Cork:

The Humour of Cork Des MacHale, 1995 If Ireland is the most humorous country in the world then surely Cork is the humour capital of Ireland The county where Blarney was invented has a unique blend of humour original jokes and humorous anecdotes not to be found elsewhere This collection celebrates the humour of Cork **The Humour of Ireland** David

James O'Donoghue, 1896 **The humour of Ireland** Various Authors, 2023-07-09 The Humour of Ireland offers an illuminating exploration of humor as both a reflection of and a response to the cultural landscape of Ireland This anthology curated by various authors encapsulates the wit and irreverence that characterize Irish life weaving together folklore poetry and prose Its literary style resonates with a rich oral tradition filled with clever wordplay and observational comedy capturing the essence of Irish identity and communal spirit The book navigates the societal mores and historical context of Ireland showcasing how humor serves as both a coping mechanism and a means of defiance amid adversity The contributors to this collection hail from varying backgrounds but share a deep rooted connection to Irish culture Their unique perspectives highlight the multifaceted nature of Irish humor ranging from the absurd to the satirical influenced by the tumultuous history of the nation particularly the struggles for independence and identity Through their work they reflect a profound understanding of how laughter can comfort and unite diverse communities This anthology serves as an essential read for anyone seeking to understand the heart and soul of Irish culture Whether you are a scholar a casual reader or anyone intrigued by the human condition The Humour of Ireland offers not just entertainment but also invaluable insights into the resilience and creativity of the Irish people *The humour of Ireland, selected with intr. and notes by D.J.*

O'Donoghue David James O'Donoghue, 1894 *Irish Identities* Raymond Hickey, Carolina P. Amador-Moreno, 2020-01-20 This volume examines in depth the many facets of language and identity in the complex linguistic landscape of Ireland The role of the heritage language Irish is scrutinized as are the manifold varieties of English spoken in regions of the island determined by both geography and social contexts Language as a vehicle of national and cultural identity is center stage as is the representation of identity in various media types and text genres In addition the volume examines the self image of the Irish as reflected in various self portrayals and references e g in humorous texts Identity as an aspect of both public and private life in contemporary Ireland and its role in the gender interface is examined closely in several chapters This collection is aimed at both scholars and students interested in language and identity in the multi layered situation of Ireland both historically and at present By addressing general issues surrounding the dynamic and vibrant research area of identity it reaches out to readers beyond Ireland who are concerned with the pivotal role this factor plays in present day societies

Dublin Wit Des MacHale, 2011 A tribute to the unique wit of Dublin written by Ireland's most prolific joke book and humor writer *The Years of O'Casey, 1921-1926* Robert Goode Hogan, Richard Burnham, 1992 This documentary history covers a period of Irish political and dramatic climax that had an impact not only on the nation but on the world as well

During these years both Ireland and its major theater attained a position however precarious of stability De Valera and the Republicans laid down their arms and entered politics while by a state subsidy the Abbey was formally recognized as the Irish National Theatre The importance of these years goes far beyond Ireland itself because the Irish masterpieces of Sean O Casey The Shadow of a Gunman Juno and the Paycock and The Plough and the Stars made an impact upon world drama nearly as profound as that of Luigi Pirandello or of Eugene O'Neill As this book is a documentary history the story is told primarily through the words of the writers actors producers critics and members of the audience who themselves lived and created the story However these contemporary accounts are frequently amplified and put into modern perspective particularly at crucial moments such as a major production a final production or a death The authors have particularly done so with writers of some importance such as Edward Martyn William Boyle or T C Murray Since the theater of these years was especially influenced by the state of the country the authors give considerable space to the disruptive political events of the times Always however this is done from the particular vantage point of the theater and its workers for the Irish theater vigorously reacted to and quickly assimilated the turbulent political events of the day the raids the reprisals the burnings and the murders These 1 800 days really break into two periods The first comprises the violence of the Black and Tan War the exhaustion that led to the treaty and the bitterness occasioned by the treaty that led to the culminating ferocity of the civil war The second is politically and theatrically a time of consolidation and assimilation The two early plays of O Casey might well be seen as symptoms of this healing process The wound in the body politic was deep however and not to be so quickly or so easily healed moreover such matters as The Plough and the Stars and O Casey's departure from Ireland inevitably seem to be later more lasting symptoms of divisions that still fester in Ireland today The authors account of Ireland's drama is not merely confined to the capital city of Dublin but also to Belfast Cork and the provinces Also included are a full bibliography and cast listings of all the significant new plays produced or published during the period

The Dublin university magazine
University magazine, 1852 **The Dublin University Magazine**, 1852 The Gift of Beauty and the Passion of Being
William Desmond, 2018-07-06 This book gathers a set of reflections on the gift of beauty and the passion of being There is something surprising about beauty that we receive and that moves the passion of being in us The book takes issue with an ambiguous attitude to beauty among some who proclaim their advanced aesthetic authenticity Beauty seems bland and lacks the more visceral thrill of the ugly indeed the excremental We crave what disrupts and provokes us not what gives delight or even consoles By contrast attention is given to how beauty arouses enigmatic joy in us and we enjoy an elemental rapport with it as other Surprised by beauty our breath is taken away but we are more truly there with the beautiful when we are taken outside of ourselves We are first receivers of the gift of surprise and only then perceivers and conceivers My attention to the passion of being stresses a patience a receptivity to what is other What happens is not first our construction There is something given something awakening something delighting something energizing something of invitation to transcendence

The theme is amplified in diverse reflections on life and its transient beauty on soul music and its relation to self on the shine on things given in creation on beauty and Schopenhauer's dark origin on creativity and the dynamism in Paul Weiss's creative ventures on redemption in Romanticism in the thought of Stanley Cavell on theater as a between or metaxu on redeeming laughter and its connection with the passion of being

Irish Signs and Notices Des MacHale, Desmond MacHale, 2010 What is it about a sign or a notice that often provokes hilarity The message is condensed space is at a premium and the sign or notice often loses its meaning or indeed acquires a whole new meaning sometimes unintended and in many delicious cases quite rude To put this book together Des MacHale has scoured public toilets not literally hotels churches shops and supermarkets garage forecourts car stickers undertakers surprisingly funny pubs and bars buses trains factories schools and colleges farms newspapers sports clubs and indeed just about anywhere signs and notices are displayed in Ireland The results are hilarious and add yet another dimension to Irish humour already known to be among the best in the world *A Comedy of Temptation. A Tale* Tristram Coutts, 1899 *The Handbook of Communication Skills* Owen Hargie, 1997 This fully revised 2nd ed is intended as a comprehensive volume on the subject of psychology has contributions from world leaders in their particular fields It will be of interest to a wide range of people including researchers students *Dublin University Magazine*, 1852 *The Irish Book Lover*, 1916

Linguistic Variation and Social Practices of Normative Masculinity Fergus O'Dwyer, 2020-03-16 This book explores the ways in which linguistic variation and complex social practices interact toward the formation of male interactional identities in a sports club in Dublin illustrating the affordances of studying sporting contexts in contributing to advancing sociolinguistic theory Adopting a participant informed ethnographic approach the book examines both the social interactional contexts within the club and the sociopragmatic and sociophonetic features which contribute to the different performances of masculinity in and outside the club The volume focuses particularly on the linguistic analysis of humor and its multifunctional uses as a means of establishing solidarity and social ties but also aggression competitiveness and status within the social world of this club as well as similar such clubs across Ireland The book's unique approach is intended to complement and build on existing sociolinguistic studies looking at linguistic variation in groups by supporting quantitative data with ethnographically informed insights to look at social meaning in interaction from micro meso and macro levels This book will be of particular interest to graduate students and scholars in sociolinguistics language gender and sexuality and language and identity

The Saturday Magazine, 1839 *The Mirth of Nations* Christie Davies, 2017-07-28 The Mirth of Nations is a social and historical study of jokes told in the principal English speaking countries It is based on use of archives and other primary sources including old and rare joke books Davies makes detailed comparisons between the humor of specific pairs of nations and ethnic and regional groups In this way he achieves an appreciation of the unique characteristics of the humor of each nation or group A tightly argued book The Mirth of Nations uses the comparative method to undermine existing theories of humor which are rooted in notions of hostility

conflict and superiority and derive ultimately from Hobbes and Freud Instead Davies argues that humor merely plays with aggression and with rule breaking and that the form this play takes is determined by social structures and intellectual traditions It is not related to actual conflicts between groups In particular Davies convincingly argues that Jewish humor and jokes are neither uniquely nor overwhelmingly self mocking as many writers since Freud have suggested Rather Jewish jokes like Scottish humor and jokes are the product of a strong cultural tradition of analytical thinking and intelligent self awareness The volume shows that the forty year popularity of the Polish joke cycle in America was not a product of any special negative feeling towards Poles Jokes are not serious and are not a form of determined aggression against others or against one s own group The Mirth of Nations is readable as well as revisionist It is written with great clarity and puts forward difficult and complex arguments without jargon in an accessible manner Its rich use of examples of all kinds of humor entertains the reader who will enjoy a great variety of jokes while being enlightened by the author s careful explanations of why particular sets of jokes exist and are immensely popular The book will appeal to general readers as well as those in cultural stu The Scots Magazine (and Edinburgh Literary Miscellany). ,1805 **Irish University Review** ,1988
