Colum Hourihane, 2012 This volume offers unparalleled coverage of all aspects of art and architecture from medieval Western Europe from the 6th century to the early 16th century Drawing upon the expansive scholarship in the celebrated Grove Dictionary of Art and adding hundreds of new entries it offers students researchers and the general public a reliable up to date and convenient resource covering this field of major importance in the development of Western history and international art and architecture **The Museum Age in Austria-Hungary** Matthew Rampley, Markian

Prokopovych, Nóra Veszprémi, 2021-02-15 This important critical study of the history of public art museums in Austria Hungary explores their place in the wider history of European museums and collecting their role as public institutions and their involvement in the complex cultural politics of the Habsburg Empire Focusing on institutions in Vienna Cracow Prague Zagreb and Budapest The Museum Age in Austria Hungary traces the evolution of museum culture over the long nineteenth century from the 1784 installation of imperial art collections in the Belvedere Palace as a gallery open to the public to the dissolution of Austria Hungary after the First World War Drawing on source materials from across the empire the authors

reveal how the rise of museums and display was connected to growing tensions between the efforts of Viennese authorities to promote a cosmopolitan and multinational social political and cultural identity on the one hand and on the other the rights of national groups and cultures to self expression They demonstrate the ways in which museum collecting policies practices of display and architecture engaged with these political agendas and how museums reflected and enabled shifting forms of civic identity emerging forms of professional practice the production of knowledge and the changing composition of the public sphere Original in its approach and sweeping in scope this fascinating study of the museum age of Austria Hungary will be welcomed by students and scholars interested in the cultural and art history of Central Europe *National Galleries* Simon Knell,2016-01-22 Are national galleries different from other kinds of art gallery or museum What value is there for the nation in a collection of international masterpieces How are national galleries involved in the construction national art National Galleries is the first book to undertake a panoramic view of a type of national institution which are sometimes called national museums of fine art that is now found in almost every nation on earth Adopting a richly illustrated globally inclusive comparative view Simon Knell argues that national galleries should not be understood as great galleries but as peculiar sites where art is made to perform in acts of nation building A book that fundamentally rewrites the history of these institutions and encourages the reader to dispense with elitist views of their worth Knell reveals an unseen geography and a rich complexity of performance He considers the ways the national galleries entangle art and nation and the differing trajectories and purposes of international and national art Exploring galleries artists and artworks from around the world National Galleries is an argument about how we think about and study these institutions Privileging the situatedness of each national gallery performance and valuing localism over universalism Knell looks particularly at how national art is constructed and represented He ends with examples that show the mutability of national art and by questioning the necessity of art nationalism *Hungarian Book Review* ,1983 *The SAGE International Encyclopedia of Travel and Tourism* Linda L. [The First Smithsonian Collection](#) Helena E. Wright, 2015-04-28 Outstanding Academic Title Choice 2015 Winner Ewell Newman Award of the American Historical Print Collectors Society 2016 In 1849 the Smithsonian purchased the Marsh Collection of European engravings Not only the first collection of any kind to be acquired by the new Institution it was also the first public print collection in the nation and it presented an important symbol of cultural authority The prints formed part of the library of Vermont Congressman George Perkins Marsh 1801 1882 a member of the Smithsonian s Board of Regents The uncertainty of the Smithsonian s mission in the early years complicated its motivation for purchasing the collection especially given Marsh s position as a Regent in financial difficulty After a serious fire in 1865 portions of the collection were deposited at the Library of Congress and the Corcoran Gallery of Art Efforts to reclaim it began in the 1880s as a new generation of Smithsonian staff expanded the National Museum but they achieved only mixed success Through the story of the Marsh Collection the book explores the cultural values attributed to prints in the 19th century including their prominent role in expositions and their influence on visual culture at a time when collecting styles were moving from an individual s private contemplation of artworks to wider public venues of exposition in museums and reception by multiple

audiences The history of this first Smithsonian collection enlivens an important stage in the development of American cultural identity and in the formation of the Smithsonian as a national institution **Venice & Antiquity** Patricia Fortini Brown, 1996-01-01 Inscriptions medals and travelers accounts on more learned humanist and antiquarian writings and most importantly on the art of the period Brown explores Venice s evolving sense of the past She begins with the late middle ages when Venice sought to invent a dignified civic past by means of object image and text Moving on to the fourteenth and fifteenth centuries she discusses the collecting and recording of antiquities and the incorporation of Roman forms *“The” Academy*, 1896
