## **The Image Of The Ages Babylonraq Bible Prophecy:**

*The Image of the Ages* David Webber, 1991      **Chronicles of the End Times** Mark Davidson, 2018-10-05 Mark Davidson author of *Daniel Revisited* has created a unique interpretation of end time Bible prophecy using the ancient concentric reading method known as chiasmatics. Lost centuries ago it was rediscovered by seminary scholars in the eighteenth century. This reading method reveals the form of the scripture text via the flow of its words giving us a heightened sensitivity to the words in the text. When combined with the words meanings we receive a greater understanding of prophetic scripture. In *Daniel Revisited* Davidson showed us the four signposts four events prophesied in Daniel 7 and 8 and Revelation 6 to occur in the Middle East prior to the Rapture and Tribulation. Now in *Chronicles of the End Times* chiastic reading has been applied to all of Daniel Revelation and other books pulling back the veil further to expand our view from four events to all the main events from the Middle East to the ends of the earth. A chiastic reading of Daniel Zechariah 1 6 Matthew 23 25 and Revelation all shown in ninety illustrations yields many solid answers to the following questions as well as to many others. How do Daniel 2 and 7 interact and why are the kingdoms metals and beasts? What's the purpose of Daniel's Aramaic chapters and how do they affect the end times? Which parts of Daniel 11 are to be fulfilled in ancient times versus end times? What is the real identity of Mystery Babylon and how does this help us in the end times? How do the two scrolls of Revelation give greater understanding of the trumpets and bowls? What are the Seven Events of the end times and which one is next? This all may seem incredible for one book but is nevertheless true. The chiastic reading of Bible prophecy revolutionizes our view of the end times and how we read Bible end time prophecy.      *God's Plan for the Ages, 2nd Edition* David Reagan, 2020-08-02 What is the destiny of planet earth? What is going to be the fate of mankind? We don't have to guess. The Bible spells out God's plan for the ages in great detail through prophecies given thousands of years ago. In this book Dr David Reagan presents a panoramic survey of the fundamentals of Bible prophecy with a focus on the prophecies that relate to the end times. In the process he reveals God's plan for the redemption of mankind and the restoration of the creation. The book is written in a down to earth easy to understand style. Although all the chapters relate to the overall theme each chapter is designed to stand alone. This makes it possible for you either to read the book straight through or to skip around reading only those chapters whose topics appeal to you.      **Left Behind Answered Verse by Verse** David Reed, 2008-01-01 Will unbelievers and half hearted churchgoers have 7 more years to make up their minds about Christ after He raptures the Church? LEFT BEHIND gives them all a second chance. But is that what Jesus taught? His parables of the talents the wise and foolish virgins the wheat and the tares and the faithful and evil servant all show him returning unexpectedly with both rewards and punishments in his hands. Neither the parables nor the plain words of Christ teach a second chance for those surprised by his coming. But LEFT BEHIND does. Few Christians realize LEFT BEHIND tosses aside the teachings of Luther Calvin Tyndale Wesley Wycliffe and Spurgeon. Read dozens of quotes from these and other respected sources that show LEFT BEHIND
